Wyatt's
Tested Seeds for 1951
SPECIAL 1951 COVER OFFER!
1 regular full sized packet
Wyatt's tested seeds of the
13 popular vegetables illus-
trated.
(a $3.30 value)
postpaid for only $1.00

JOB P. WYATT & SONS CO.
Seedsmen
RALEIGH, NORTH CAROLINA
Whether or not Corn is a major crop on your farm, whether you plant 1 acre or 100, your profit is dependent upon your production per acre. Keep your yields and Corn profits up by using one of the fine hybrids offered on page 1 opposite. In addition to these hybrids, we offer on page 45, popular adapted open-pollinated varieties such as Latham’s Double, Latham’s Yellow Cross, Jarvis Golden Prolific, Golden Dent and Tennessee Red Cob. All are carefully selected and graded.
F-27 N. C. 27 (Yellow) The most widely planted yellow corn in North Carolina and widely adapted and popular in South Carolina, Georgia, Alabama and Tennessee. While it is not the highest yielding yellow corn in every test, other qualities have won for it by far the greatest planter acceptance. Grain quality, stalk tension, insect resistance and general good appearance and performance are some of these qualities. N. C. 27 averaged 71.6 bushels per acre in 2 tests in the Piedmont and 92.3 in 4 tests in the Coastal Plain regions during 1949. All tests were official. Root and stalk strength are very good and the plants average 179 ears per 100 stalks. Medium maturity. N. C. 27 at its very best, it is tested and graded is sealed in the Wyatt bags. Buy it with confidence at your regular seed suppliers store or order it direct from us. Prices: $1.65; 14 lbs. (½ Bu.) $6.45; 56 lbs. (Bu.) $11.70 postpaid.* Not prepaid, 7 lbs. $1.65; 14 lbs. $2.95; 28 lbs. $5.35; 56 lbs. $9.75.

F-26 Dixie 17 (White) Currently the most popular white hybrid corn for the South. Dixie 17 made the highest average yield (111.7 bu. per acre) and highest individual yield (120.4 bu. per acre) in all 1949 N. C. official trials in competition with 36 hybrids and open pollinated varieties in both the Piedmont and Coastal Plain areas. It is widely adapted, yielding 111.7 bushels per acre in Camden County; 126.4 in Halifax; 115.1 in Robeson; 99.6 in Lenoir; 93.8 in Catawba and 65.4 in Rockingham. As the picture on this page indicates, the plants average 202 ears per 100 stalks as compared with 115 ears per 100 stalks of Weekley’s, one of the better open pollinated varieties. Grain quality is good, kernels large and of uniform hard texture. Insect resistance is good except where rice weevils are severe. Husk coverage is good. Plants may stalk-break after maturity in closely spaced plantings and where high yields are produced. Medium maturity. Prices: 7 lbs. (½ Peck) $2.95; 14 lbs. (Peck) $5.60; 28 lbs. (½ Bu.) $5.35; 56 lbs. (Bu.) $11.70 postpaid.* Not prepaid, 7 lbs. $1.65; 14 lbs. $2.95; 28 lbs. $5.35; 56 lbs. $9.75.

F-4 N. C. 1032 (Yellow) A widely adapted yellow hybrid recommended especially in the Piedmont and Northern Coastal Plain areas of North Carolina, Piedmont South Carolina and Central and Northern portions of Georgia and Alabama. Yield and grain quality are good, sucker habit light and stalk strength best of all hybrids tried in official North Carolina field tests. Plants average 150 ears per 100 stalks. Shucks coverage is good and weevil resistance fair. The golden yellow kernels are deep, wide and of good quality. Medium maturity. Prices: 7 lbs. (½ Peck) $2.05; 14 lbs. (Peck) $3.60; 28 lbs. (½ Bu.) $6.45; 56 lbs. (Bu.) $11.70 postpaid.* Not prepaid, 7 lbs. $1.65; 14 lbs. $2.95; 28 lbs. $5.35; 56 lbs. $9.75.

F-3 Tennessee 10 (White) A consistently good white hybrid for Coastal Plain, Piedmont and Mountain regions in North Carolina and extensively used in South Carolina, Georgia, Alabama and Tennessee. In the 1949 official tests Tennessee 10 averaged 90.5 bushels per acre in 4 tests in the Coastal Plain and 69 in 2 tests in the Piedmont. Its 6 year average 1944-49 in the Mountains is 83.8 bushels per acre. Medium maturity. Prices: 7 lbs. (½ Peck) $2.95; 14 lbs. (Peck) $5.60; 28 lbs. (½ Bu.) $6.45; 56 lbs. (Bu.) $11.70 postpaid.* Not prepaid, 7 lbs. $1.65; 14 lbs. $2.95; 28 lbs. $5.35; 56 lbs. $9.75.

Chemical Weed Control

Platers of large corn acreages should contact us for information on Chemical weed control. No obligation. A large Eastern grower wrote us May 26, 1949, “I treated around 60 acres of corn with the best results. Hardly a weed left and did not hurt any corn in any way.”

N. C. Agricultural Extension Service Recommendations for Increasing Corn Yields

1. Have the soil tested and apply lime as recommended.
2. Prepare a good seedbed and plant level with the ground except where drainage is poor.
3. Use 300-500 lbs. of 6-8-6 or 4-8-8 at planting. Use the higher rates following crops receiving low amount of fertilizer and the 4-8-8 on potash deficient soils or following legumes for hay.
4. Avoid late, deep cultivation but control weeds early. Use a weeder where available until corn is six inches high. Cultivate shallow until the corn is 2½ feet high, and then stop cultivation. Do not use turning plow or bull tongue. Do not injure corn roots.
5. Place rows about 3½ feet apart.
6. Space plants about 16-20 inches apart within the row, using wider spacing for less fertile soils.
7. Sidedress with adequate nitrogen (potash where needed) when corn is 8-10 weeks old or about 2½ feet high. Yield increases of 25-45 bushels per acre may be expected by use of 500 lbs. of Nitrate of Soda, or 400 lbs. of Calnitro or ANL, or from 250 lbs. per acre of Ammonium Nitrate. One-fourth of this rate of application should give yield increases of 10-12 bushels per acre above similar corn receiving no sidedressing.

* Postpaid prices include postage and insurance through 1st, 2nd and 3rd zones.
Bean Culture: Beans are sensitive to both cold and wet, so do not plant till the ground is warm. To have a continuous supply plant every two weeks till the last of August; farther South they may be planted even later. Make the rows 2 to 3 feet apart, drop the beans 3 to 4 inches apart and cover 1 1/2 to 2 inches deep. Give frequent but shallow cultivation up to blossoming time, not afterward and never when the plants are wet. Plant in a light loamy soil that warms up quickly. One pound plants 100 feet; 60 lbs. will plant an acre. Wyatt's Garden Beans are produced from the finest stock seed and are grown in Idaho. They are disease free.

25 Tennessee Green Pod This early snap bean is a great favorite in some parts of the south, for home garden planting. It is a heavy yielder of large, broad, flat pods which are 6 to 7 inches long. The pods are irregular in shape but the flavor is exceptionally fine. 48 days. Prices: Pkt. 10c; 1/2 lb. 30c; 1 lb. 55c; 2 lbs. 95c; 5 lbs. $2.05; 10 lbs. $3.75 postpaid. Not prepaid 10 lbs. $3.30; 50 lbs. $16.00; 100 lbs. or more at 30c lb.

17 Bountiful Bountiful is practically rust and mildew proof, very hardy, extremely early. The pods are large, rich green in color, almost flat and straight. They are uniform in shape, solid, meaty, tender and delicious. 45 days. Prices: Pkt. 10c; 1/2 lb. 30c; 1 lb. 55c; 2 lbs. 95c; 5 lbs. $2.05; 10 lbs. $3.75 postpaid. Not prepaid 10 lbs. $3.30; 50 lbs. $16.00; 100 lbs. or more at 30c lb.

24 Tendergreen plants of upright growth and heavy producers. This new variety of superior quality is strong and vigorous, producing attractive medium dark green pods 7 inches long. Pods are round, meaty, tender and stringless. 54 days. Prices: Pkt. 10c; 1/2 lb. 35c; 1 lb. 60c; 2 lbs. $1.05; 5 lbs. $2.25; 10 lbs. $4.45, postpaid. Not prepaid 10 lbs. $3.70; 50 lbs. $18.00; 100 lbs. or more at 34c lb.

26 Giant Stringless Green Pod An excellent variety for home, market, garden, shipping and canning. Plants are vigorous, large and productive. Pods are round, meaty, brittle and stringless. For a better crop of handsome 6 1/2 to 7 inch beans plant our extra quality Idaho grown, hand picked Giants. 50 days. Prices: Pkt. 10c; 1/2 lb. 30c; 1 lb. 55c; 2 lbs. 95c; 5 lbs. $2.05; 10 lbs. $3.75 postpaid. Not prepaid 10 lbs. $3.30; 50 lbs. $16.00; 100 lbs. or more at 30c lb.

28 Black Valentine Stringless Retains the earliness and productivity of regular Black Valentine. Pods are straight, dark green, crisp, tender. Safest bean for extra early spring planting or late fall planting since it withstands lower temperatures than other varieties. 45 days. Prices: Pkt. 10c; 1/2 lb. 30c; 1 lb. 55c; 2 lbs. 90c; 5 lbs. $1.05; 10 lbs. $3.55 postpaid. Not prepaid 10 lbs. $3.10; 50 lbs. $15.00; 100 lbs. or more at 28c lb.

21 Commodore Bush Kentucky Wonder. 56 days. Prices: Pkt. 10c; 1/2 lb. 35c; 1 lb. 65c; 2 lbs. $1.15; 5 lbs. $2.55; 10 lbs. $4.75 postpaid. Not prepaid 10 lbs. $4.30; 50 lbs. $21.00; 100 lbs. or more at 40c lb.

ABOUT VARIETIES
There are many good new varieties of beans. Of these new varieties we have selected 3, after careful comparisons and study of yield, quality and appearance of beans, disease resistance, plant structure, market acceptance, etc. The finest quality seeds available of these, and the best of the old varieties, are offered here at quite reasonable prices. The 3 new beans we have selected and recommend to you are Topcrop and Contender (green pods) and Cherokee Wax.
**BUSH SNAP BEANS**

30 **Topcrop** Early. A new U.S.D.A. bean developed by Dr. W. J. Zau- neger. Mosaic resistant and outstanding for its utility in home and market production. The strong plants hold the pods well above the soil and are much more productive than older varieties. 44 days. Prices: Pkt. 15c; ½ lb. 35c; lb. 65c; 5 lbs. $2.05; 10 lbs. $4.05 postpaid. Not prepaid 10 lbs. $3.50; 30 lbs. $19.00; 100 lbs. or more at 30c lb.

19 **Contender** (Buff Valentine) Authorities on Snapbean strains are quite impressed with this variety. An extremely handsome bean, it is mosaic resistant, 6½ inches long, dark green, slim and nearly round. Because of its extreme heat tolerance Contender is particularly valuable for fall cropping. 54 days. Prices: Pkt. 15c; ½ lb. 35c; lb. 65c; 5 lbs. $1.05; 5 lbs. $2.35; 10 lbs. $4.50 postpaid. Not prepaid 10 lbs. $3.50; 30 lbs. $19.00; 100 lbs. or more at 30c lb.

18 **Burpees Stringless** Developed and introduced before 1900 and constantly improved since. Our Burpees Stringless grown under irrigation in the highland regions of Idaho are distinctly superior beans. Plants are sturdy, bushy and productive. Pods are nearly round, slightly curved, stringless, meaty and fibrous, 5 to 6 inches long. 48 days. Prices: Pkt. 10c; ½ lb. 30c; lb. 55c; 2 lbs. $2.05; 10 lbs. $4.05 postpaid. Not prepaid 10 lbs. $3.30; 30 lbs. $16.00; 100 lbs. or more at 30c lb.

22 **Stringless Red Valentine** Plants are hardy, erect and productive. Pods round, crease-backed, brittle and good flavor. 48 days. Prices: Pkt. 10c; ½ lb. 30c; lb. 55c; 2 lbs. $1.00; 5 lbs. $2.15; 10 lbs. $4.25 postpaid. Not prepaid 10 lbs. $3.30; 30 lbs. $17.00; 100 lbs. or more at 35c lb.

29 **Sulphur** Popular in Western Carolinas and Virginia. Medium early and prolific. Pods 5 inches, nearly round, curved and stringy. Dried beans have an unusual flavor, relished by many. 54 days. Prices: Pkt. 10c; ½ lb. 30c; lb. 55c; 2 lbs. $2.05; 5 lbs. $4.25; 10 lbs. $8.50 postpaid. Not prepaid 10 lbs. $3.30; 30 lbs. $16.00; 100 lbs. or more at 30c lb.

44 **Cherokee** The outstanding wax bean for all purposes, and probably more productive than any other bush bean. Plants vigorous and producing over a long season. Bright yellow pods oval, 6 inches, slender, straight, stringless and fibrous. A U.S.D.A. development of recognized productivity and tolerance to common bean diseases. 30 days. Prices: Pkt. 10c; ½ lb. 30c; lb. 55c; 2 lbs. $2.05; 5 lbs. $3.75; 10 lbs. $7.50 postpaid. Not prepaid 10 lbs. $2.50; 50 lbs. $16.00; 100 lbs. or more at 30c lb.

46 **Sure Crop Stringless Wax** Very prolific eating quality. Handsome rich yellow pods are 6 to 7 inches long, almost round. 48 days. Prices: Pkt. 10c; ½ lb. 30c; lb. 55c; 2 lbs. $2.05; 10 lbs. $3.75 postpaid. Not prepaid 10 lbs. $3.50; 50 lbs. $16.00; 100 lbs. or more at 35c lb.

45 **Golden Wax** Plants disease resistant and productive. Pods thick, flat, brittle and stringless. Excellent for home gardens. 50 days. Prices: Pkt. 10c; ½ lb. 30c; lb. 55c; 2 lbs. $1.00; 5 lbs. $2.75; 10 lbs. $3.95 postpaid. Not prepaid 10 lbs. $3.50; 50 lbs. $17.00; 100 lbs. or more at 35c lb.

48 **Pencil Pod Black Wax** Bushy vines, very high, bear round, thick, stringless, rich yellow pods, 6 to 7 inches long, of excellent quality containing black seeds. 48 days. Prices: Pkt. 10c; ½ lb. 30c; lb. 55c; 2 lbs. $2.05; 10 lbs. $3.75 postpaid. Not prepaid 10 lbs. $3.50; 50 lbs. $17.00; 100 lbs. or more at 35c lb.

51 **Kentucky Wonder Pole Wax** The best wax pole bean. 65 days. Prices: Pkt. 15c; ½ lb. 35c; lb. 65c; 2 lbs. $1.20; 5 lbs. $3.65; 10 lbs. $4.95 postpaid. Not prepaid 10 lbs. $4.50; 50 lbs. $22.00; 100 lbs. or more at 42c lb.

**IS QUALITY IMPORTANT TO YOU?**

Nothing is cheaper than good seeds—and few things are as expensive as cheap seeds! Whether you are a commercial grower of large acres of vegetables or a backyard gardener we invite you to buy Wyatt’s Seeds knowing that the quality so important to you is there.

**CONTROL BEAN BEETLE**

Wyatt’s full 1% Rotenone makes quick work of destructive Mexican Bean Beetles. Always have some on hand. We suggest including a quantity with your order for Beans to be prepared. See page 56 for dusters if you need one. **WYATT’S 1% Rotenone Prices:** 2 lb. bag $7.50; 5 lb. bag $15.50 postpaid. Not prepaid 25 lb. bag $45.00; 100 lb. drum $175.00.

---

**Beans, Burpees Stringless**

**Beans, Tendergreen**
CULTURE: Set poles 9 ft. in rows 4 feet apart extending north and south, the poles being 3 feet apart in the row. Around each stake plant five to eight beans 1 1/2 to 2 inches deep. When well started, thin to four plants, and see that they all climb around the pole in the same way. Use one packet to twenty poles; 1 pound to 100 poles; 30 lbs. to the acre.

107 Kentucky Wonder or Old Homestead
An old time favorite with home gardeners and market gardeners. Vigorous grower and climber and a wonderfully heavy producer. The pods are 6 to 10 inches long, round, dark green in color, very meaty, tender and practically stringless. 48 days. Prices: Pkt. 10c; 1/2 lb. 30c; lb. 55c; 2 lbs. 95c; 5 lbs. $2.05; 10 lbs. $3.45; postpaid. Not prepaid 10 lbs. $3.30; 50 lbs. $16.00; 100 lbs. or more at 35c lb.

102 Genuine Cornfield
Gives an abundance of nearly round, stringless, straight, 6 1/2 inch beans. They are firm, tender and delicious at picking stage becoming somewhat stringy later. 71 days. Prices: Pkt. 10c; 1/2 lb. 30c; lb. 55c; 2 lbs. $1.00; 5 lbs. $2.15; 10 lbs. $3.95 postpaid. Not prepaid 10 lbs. $3.50; 50 lbs. $17.00; 100 lbs. or more at 32c lb.

110 Nancy Davis or Striped Creaseback
A vigorous and productive bean that bears quantities of fat, round, fleshy pods nearly eight inches long. A fine bean for growing in corn. 72 days. Prices: Pkt. 10c; 1/2 lb. 30c; lb. 55c; 2 lbs. 95c; 5 lbs. $2.05; 10 lbs. $3.45; postpaid. Not prepaid 10 lbs. $3.30; 50 lbs. $16.00; 100 lbs. or more at 35c lb.

103 White Creaseback or Cornfield
Productive, vigorous, pods round 5 to 6 inches long. A good snap bean or dry shell bean for winter use. 63 days. Prices: Pkt. 10c; 1/2 lb. 30c; lb. 55c; 2 lbs. $1.00; 5 lbs. $2.15; 10 lbs. $3.95 postpaid. Not prepaid 10 lbs. $3.50; 50 lbs. $17.00; 100 lbs. or more at 32c lb.

101 Ideal Market
Pods are 5 1/2 to 6 inches long, perfectly round, stringless, meaty, tender and of excellent quality. First pickings are just a trifle behind bush beans planted at the same time. The pods hang in great clusters. 54 days. Prices: Pkt. 10c; 1/2 lb. 30c; lb. 55c; 2 lbs. $1.00; 5 lbs. $2.15; 10 lbs. $3.95 postpaid. Not prepaid 10 lbs. $3.50; 50 lbs. $17.00; 100 lbs. or more at 32c lb.

109 McCaslan
A heavy bearer of large, meaty, stringless, deep green pods of delicious flavor. 65 days. Prices: Pkt. 10c; 1/2 lb. 30c; lb. 55c; 2 lbs. $1.00; 5 lbs. $2.15; 10 lbs. $3.95 postpaid. Not prepaid 10 lbs. $3.50; 50 lbs. $17.00; 100 lbs. or more at 32c lb.

86 Carolina Sieva or Small Pole Lima
The best small pole butter bean. Very prolific, early and stands more cold weather than most varieties. 77 days. Prices: Pkt. 10c; 1/2 lb. 30c; lb. 55c; 2 lbs. 95c; 5 lbs. $1.80; 10 lbs. $3.25 postpaid. Not prepaid 10 lbs. $2.80; 50 lbs. $13.50; 100 lbs. or more at 25c lb.

85 Improved Pole Lima
Grows larger than the Carolina Sieva and is considered more prolific. 78 days. Prices: Pkt. 10c; 1/2 lb. 30c; lb. 55c; 2 lbs. 95c; 5 lbs. $1.85; 10 lbs. $3.55 postpaid. Not prepaid 10 lbs. $3.10; 50 lbs. $15.00; 100 lbs. or more at 25c lb.

82 Willow Leaf Pole
Similar to Sieva but poded to be resistant to bean beetles. Prices: Pkt. 10c; 1/2 lb. 36c; lb. 50c; 2 lbs. 85c; 5 lbs. $1.85; 10 lbs. $3.25 postpaid. Not prepaid 10 lbs. $2.50; 50 lbs. $14.00; 100 lbs. or more at 26c lb.

81 Calico Pole or Florida Butter
Yields an abundance of rich flavored beans till frost. 78 days. Prices: Pkt. 10c; 1/2 lb. 30c; lb. 55c; 2 lbs. 95c; 5 lbs. $1.85; 10 lbs. $3.25 postpaid. Not prepaid 10 lbs. $2.80; 50 lbs. $13.50; 100 lbs. or more at 26c lb.

83 Giant Calico Pole
This is a large and vigorous pole bean. Prices: Pkt. 10c; 1/2 lb. 36c; lb. 50c; 2 lbs. 85c; 5 lbs. $1.85; 10 lbs. $3.25 postpaid. Not prepaid 10 lbs. $2.50; 50 lbs. $14.00; 100 lbs. or more at 26c lb.

84 King of the Garden
Large white seeded pole lima. 85 days. Prices: Pkt. 10c; 1/2 lb. 36c; lb. 50c; 2 lbs. 85c; 5 lbs. $1.85; 10 lbs. $3.25 postpaid. Not prepaid 10 lbs. $2.50; 50 lbs. $14.00; 100 lbs. or more at 35c lb.
Beets are easy to grow:
One ounce will sow 100 feet of drill; five to six pounds to an acre. The best soil for beets is light and enriched the year before with well rotted manure. Never use fresh manure. The soil should be thoroughly worked and the seeds drilled 1/4 inch deep in rows a foot or more apart. When the seedlings have four leaves thin the plants to 2 inches apart in the row. For winter and early spring crops sow from July to October 1. For spring and summer crops sow successively as early as soil can be worked.

123 Crosby's Egyptian
One of the earliest to be ready for market. The skin is smooth and dark red; foliage sparse and erect. The roots are almost round, with a small taproot and a very small crown of leaves. The flesh of the beets is deep blood-red, with slightly lighter zones. Texture crisp and free from fiber. 55 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 35c; lb. $1.50; 2 lbs. $2.50; 5 lbs. $5.00, postpaid.

124 Detroit Dark Red
A standard variety for truckers, shippers, canners and home gardeners. Attractive roots are globular, smooth, uniform. Color deep oxblood red. Flesh dark red with indistinct lighter red zones. Fine quality, sweet and tender. 65 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 35c; lb. $1.50; 2 lbs. $2.50; 5 lbs. $5.00, postpaid.

125 Early Blood Turnip
Early market beet, also suitable for the home garden. The roots are nearly round; exterior color dark red, crisp, tender, sweet and a good keeper. 55 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 35c; lb. $1.50; 2 lbs. $2.50; 5 lbs. $5.00, postpaid.

126 Extra Early Flat Egyptian
These roots are distinctly flat and have a smooth surface. It is usually somewhat smaller than Crosby's Egyptian and of a very dark red color. 50 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 35c; lb. $1.50; 2 lbs. $2.50; 5 lbs. $5.00, postpaid.

127 Swiss Chard or Spinach Beet
Swiss Chard or Spinach Beet is prepared for table use in the same manner as spinach. Seed planted early in the spring will quickly produce plants from which cuttings may be made in 24 days, and continued all summer. Late summer seeding produces cold-hardy crops all winter. Can be cut to the ground and new shoots will soon sprout up and make a fast growth. 23 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 35c; lb. $1.25; 2 lbs. $2.25, postpaid.

Commercial growers of root crops are invited to try our superb strains of Beet, Carrot, Radish and Turnip as well as other commercial strains. While we solicit your purchases strictly and only on a quality basis you will find our prices reasonable.

Brussels Sprouts
One ounce will produce 2,800 plants
CULTURE: Extremely cold hardy. Sow seeds in bed during August for mid-winter and early spring crop. Sow again during January or February for late spring and summer crop. Set plants in 2½ feet rows when 3 to 4 inches tall. Belongs to Cabbage family and responds to same care.

148 Half-Dwarf Perfection Plants grow 18 inches to 3 feet high, are very hardy. Produces compact round sprouts of large size and good quality. 100 days. Prices: Pkt. 10c; 1/2 oz. 25c; oz. 35c; 1/4 lb. $1.50; lb. $5.00, postpaid.

149 Italian Green Sprouting
Quite distinct from the white-heading broccoli. The plants are rapid growing and produce a large head at center of plant in about 90 days from the date of planting. The head is a compact cluster of tightly closed flower buds and resembles cauliflower in shape. When the central head is cut, numerous sprouts develop from the leaf axis, each sprout terminating in small green separate heads. These are cut in lengths of 10 to 12 inches. Served in the same way as asparagus, they form a very tasty and nourishing dish. June seeded plants transplanted in July provide a welcome mid-winter crop in this latitude. 90 days. Prices: Pkt. 10c; oz. 25c; 1/4 lb. 75c; lb. $2.50, postpaid.

150 Broccoli Salad
This variety has become very popular in the eastern part of North Carolina. It is planted in the fall, and in growth somewhat resembles the Seven Top Turnip. In the spring it sends up sprouts, which are cut and bunched for market. Withstands cold and hot weather better than most greens. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 35c; lb. $1.50; 2 lbs. $2.50; 5 lbs. $6.25, postpaid.
DAYS INDICATED REPRESENT TIME FROM SETTING PLANTS TO HEADING

CULTURE: One of the world’s important food crops because of its hardness, heavy yields and ability to produce the year round. For earliest spring and summer crops, sow in bed after September 25 and transplant as plants become large enough. Late spring and summer crops are seeded January to May. Fall and winter crops are sown in July. Grow seedlings in bed room for stocky development. Sected soil should never be as rich as field or garden soil into which the plants are to be set. This soil should be deep, well limed and rich in nitrogen. Set 2 to 2 1/2 feet apart according to variety in rows 2 1/2 to 3 feet apart. One ounce of seeds produces about 1,000 plants; 1/2 pound will produce plants for an acre.

151 Early Jersey Wakefield Earliest of all varieties. The heads are pointed, of medium size, uniform and with few outer leaves. The quality is excellent. The universal popularity demands that more than ordinary attention be given to the selection of plants for breeding purposes, having in mind earliness, size and uniformity. You will profit from these extra qualities in our fine strain of this popular variety. 68 days. Prices: Pkt. 10c; oz. 25c; 1/4 lb. 65c; lb. $2.75; 2 lbs. $5.50; 5 lbs. $11.85; 10 lbs. $22.50, postpaid.

150 Drumhead Savoy Especially cold hardy, this dark green savoyed cabbage is used mostly as a winter crop. Well known for its extra fine flavor and tenderness. 80 days. Prices: Pkt. 10c; oz. 25c; 1/4 lb. 65c; lb. $3.00; 2 lbs. $5.50; 5 lbs. $13.75; 10 lbs. $26.75, postpaid.

165 Stein’s Early Flat Dutch A Standard second early sort, sure, solid, heavy, larger size, weight average 10 pounds each. It succeeds in most sections of the South, as it resists heat well. 75 days. Prices: Pkt. 10c; oz. 25c; 1/4 lb. 65c; lb. $2.75; 2 lbs. $4.25; 5 lbs. $10.00; 10 lbs. $19.00, postpaid.

161 All Seasons A valuable second or medium early variety and a reliable header. It resists heat and drought well. A round headed variety. 85 days. Prices: Pkt. 10c; oz. 25c; 1/4 lb. 65c; lb. $2.75; 2 lbs. $4.25; 5 lbs. $10.00; 10 lbs. $19.00, postpaid.

154 Copenhagen Market The large round heads average about 4 lbs. They are solid and have a small core. The plants are short stemmed, heads produced almost on the surface of the ground. A most productive variety, attractive and always tightly folded. 75 days. Prices: Pkt. 10c; oz. 25c; 1/4 lb. 75c; lb. $2.50; 2 lbs. $4.75; 5 lbs. $11.25; 10 lbs. $21.25, postpaid.

166 Ferry’s Round Dutch The round heads are top quality, solid, early. Heads about 1 1/2 inches across and 3 1/2 inches deep, averaging 4 1/2 to 5 pounds each and ready for the market earlier than the flat Dutch types. 70 days. Prices: Pkt. 10c; oz. 25c; 1/4 lb. 80c; lb. $2.00; 2 lbs. $3.75; 5 lbs. $13.75; 10 lbs. $26.25, postpaid.

159 Chinese or Celery Cabbage Can be sown early in spring and again in July. The heads are upright resembling Cos or Romane Lettuce. It is of mild flavor and can be served as a salad like lettuce, or cooked like asparagus. Shredded it out-classes the finest Cabbage Slaw. 75 days. Prices: Pkt. 10c; oz. 25c; 1/4 lb. 60c; lb. $2.08; 2 lbs. $3.75, postpaid.

CONTROL TERRAPIN BUGS

Wyatt’s full strength 20% Sabadilla kills these and other harmful insects quickly. Also kills squash bugs, cabbages, worms. Order a package today and protect cabbage, kale, collards etc. Prices 2 lbs. $1.10; 5 lbs. $2.55. Not prepaid 2 lbs. 80c; 5 lbs. $1.85.

WYATT’S CABBAGE PLANTS

On page 21 we list Cabbage Plants and plants of many other popular vegetables that go to make your garden complete. Tomatoes, peppers, egg-plants, collards, lettuce, onions, etc. Each plant is dug and packed properly so as to reach you in good condition. See page 21.

153 Large Late Flat Dutch The heads are uniformly large, flat but deep, distinctly flattened on top, solid and of excellent quality. A late fall or winter variety. 100 days. Prices: Pkt. 10c; oz. 25c; 1/4 lb. 65c; lb. $2.25; 2 lbs. $4.50; 5 lbs. $18.00; 10 lbs. $36.00, postpaid.

151 Cabbage, Early Jersey Wakefield

152 Cabbage, Large Charleston Wakefield

166 Cabbage, Ferry’s Early Round Dutch. Most important commercial cabbage in North Carolina

152 Charleston Large Wakefield

Matures about ten days later than Early Jersey Wakefield. The heads are blunt pointed but broad at the base and fully one-half larger than the Jersey Wakefield. A favorite with shippers on account of its hardness, earliness and size. 73 days. Prices: Pkt. 10c; oz. 25c; 1/4 lb. 85c; lb. $2.75; 2 lbs. $5.00; 5 lbs. $11.85; 10 lbs. $22.50, postpaid.

153 Large Late Flat Dutch The heads are uniformly large, flat but deep, distinctly flattened on top, solid and of excellent quality. A late fall or winter variety. 100 days. Prices: Pkt. 10c; oz. 25c; 1/4 lb. 65c; lb. $2.25; 2 lbs. $4.50; 5 lbs. $18.00; 10 lbs. $36.00, postpaid.
COLLARDS

1 oz. for 150 feet of row, ½ lb. for an acre.

Hardier and easier to grow than cabbage, can be grown on poorer soil, and withstands insect attacks better.

Although often sown during the Spring and Summer, the principal sowings are made in May, June, July and August, transplanted 2 feet apart in the row and given frequent cultivation. They make a most excellent vegetable for the late Fall, Winter and early Spring. The flavor is improved by frost. Cultivate like late Cabbage. Ready for use in about 75 days.

226 Improved Heading Plants are compact producing heavy heads on short stems and can be set closer in the rows, increasing the tonnage per acre. Leaves are slightly savoyed, darker green than ordinary collards and the flavor is distinctly better. Prices: Pkt. 10c; oz. 25c; ½ lb. 85c; 1 lb. $1.50; 2 lbs. $2.25; 5 lbs. $6.75, postpaid.

224 North Carolina Short Stem Short stems and large leaves. This variety withstands drought in summer and cold in winter better than other varieties. 80 days. Prices: Pkt. 10c; oz. 15c; ½ lb. 45c; lb. $1.50; 2 lbs. $2.25; 5 lbs. $6.75, postpaid.

225 Georgia Cabbage This collard will not winter-kill and also grows fine during hot weather. It does not grow as tall as the Georgia Collards but the leaves grow closer together on the stem. 78 days. Prices: Pkt. 10c; oz. 15c; ½ lb. 40c; lb. $1.25; 2 lbs. $2.25; 5 lbs. $5.50, postpaid.

223 Georgia or Southern Old time favorite in the South, a white or green stemmed variety, growing 2 to 3 feet high and forming large, loose open heads. 85 days. Prices: Pkt. 10c; oz. 15c; ½ lb. 45c; lb. $1.50; 2 lbs. $2.25; 5 lbs. $5.50, postpaid.

222 Vates Developed by and named for the Virginia Truck Experiment Station. Best open or loose head collard. Small, low, cold hardy, slow seeder. Leaves waxy green with green rib. Prices: Pkt. 10c; oz. 20c; ½ lb. 60c; lb. $2.00; 2 lbs. $3.75; 5 lbs. $7.75, postpaid.

WYATT’S CARROTS

CULTURE: One ounce of seed for 100 feet of drill, 3 to 4 pounds per acre. Rich in vitamin A, B, C and G, carrots are one of the most valuable food crops. The plant has no serious insect enemies, is rarely subject to disease. The culture of carrots is easy, being practically the same as that of beets. When practicable it is best to plant them in soil that has been richly fertilized the previous season. Freshly manured soil will often produce divided roots. Plant the seed ½ inch deep in loose, well prepared soil, making rows 16 to 24 inches apart. Cultivate as soon as the plants are well established and thin to 2 inches in the row. Plantings may be made from early spring until mid-June and again in the early fall.

182 Imperator An outstanding type developed to meet the demand of the most critical market trade for a long smooth carrot. Tops are medium but strong enough for good bunching. Roots have rounded shoulders, smooth deep rich orange, uniformly tapered to a semi-blunt end. Flesh fine grained, tender and of excellent quality. Prices: Pkt. 10c; oz. 15c; ½ lb. 45c; lb. $1.50; 2 lbs. $2.25; 5 lbs. $7.00, postpaid.

184 Chantenay Red Cored A fancy market or garden carrot of the popular Chantenay shape. It is a medium early variety, half-long, smooth, blunt-rooted sort. The color is deep orange and the flavor is delicious. 68 days. Prices: Pkt. 10c; oz. 15c; ½ lb. 45c; lb. $1.50; 2 lbs. $2.25; 5 lbs. $7.00, postpaid.

185 Danvers Half-Long This fine half-long variety commands approval wherever planted. Handsome orange red, smooth roots taper to a blunt point. It is principally grown for a late main crop and produces a very high yield. Roots average 6 inches long. 66 days. Prices: Pkt. 10c; oz. 15c; ½ lb. 45c; lb. $1.50; 2 lbs. $2.25; 5 lbs. $7.00, postpaid.

186 Long Orange A good variety for light soils. The flesh is deep orange and this variety is considered the heaviest cropper of all carrots. A splendid variety for stock feeding. 80 days. Prices: Pkt. 10c; oz. 15c; ½ lb. 45c; lb. $1.50; 2 lbs. $2.25; 5 lbs. $7.00, postpaid.

188 Scarlet Nantes Coreless A superior early table carrot and because of the delicate texture of the roots has been named “Coreless.” They are quite uniform in shape and size, 6 to 7 inches long, by 1½ inches through, clean skinned, smooth and the color is a rich red orange. 85 days. Prices: Pkt. 10c; oz. 20c; ½ lb. 55c; lb. $1.75; 2 lbs. $3.25; 5 lbs. $7.50; 10 lbs. $13.75, postpaid.

Every root a model; our carrots please the most exacting growers.
POP CORNS

**273 Purdure 32 (Hybrid)**
Just as in field corns the proper hybrids are proving their superiority in pop corns. Not only are yields increased but kernel and popping quality is improved. Prices: Pkt. 10c; ½ lb. 33c; lb. 63c; 2 lbs. $1.63; 5 lbs. $3.80; 10 lbs. $7.25, postpaid. Not prepaid 10 lbs. $6.60; 30 lbs. $12.30; 100 lbs. or more at 63c lb.

**269 White Rice**
Prices: Pkt. 10c; ½ lb. 23c; lb. 43c; 2 lbs. 70c; 5 lbs. $1.50; 10 lbs. $2.75, postpaid. Not prepaid 10 lbs. $2.30; 30 lbs. $11.00; 100 lbs. or more at 23c lb.

**271 South American Giant Yellow**
Best of the open pollinated pop corns. Prices: Pkt. 10c; ½ lb. 25c; lb. 43c; 2 lbs. 76c; 5 lbs. $1.25; 10 lbs. $2.75, postpaid. Not prepaid 10 lbs. $2.30; 30 lbs. $11.00; 100 lbs. or more at 26c lb.

**254 Golden Cross Bantam (Hybrid)**
A new disease - resistant Hybrid Sugar Corn. The ears are larger than Golden Bantam, maturing about 4 days earlier and the quality equally fine in every respect. We recommend this variety because of its ruggedness and dependability. 85 days. Prices: Pkt. 10c; ½ lb. 35c; lb. 68c; 2 lbs. $1.05; 5 lbs. $2.35; 10 lbs. $4.35, postpaid. Not prepaid 10 lbs. $3.90; 50 lbs. $19.00; 100 lbs. or more at 35c lb.

**248 Stowell's Evergreen**
Under proper cultivation this variety will produce as high as three ears to the stalk and is the standard main crop variety. It is well adapted to the South and retains its good eating qualities longer than other varieties. Sixteen rows of finest white, sugary grains. 90 days. Prices: Pkt. 10c; ½ lb. 30c; lb. 50c; 2 lbs. 85c; 5 lbs. $1.75; 10 lbs. $3.15, postpaid. Not prepaid 10 lbs. $2.70; 50 lbs. $13.00; 100 lbs. or more at 24c lb.

**240 Golden Bantam**
Ears fragrant 6 inches long with high yielding, delicious sugary kernels. 80 days. Prices: Pkt. 10c; ½ lb. 18c; lb. 30c; 2 lbs. 63c; 5 lbs. $1.25; 10 lbs. $2.15, postpaid. Not prepaid 10 lbs. $2.70; 50 lbs. $13.00; 100 lbs. or more at 24c lb.

**242 Ioana (Hybrid)**
A very desirable main crop variety resistant to drought and bacterial wilt. Plants sturdy and vigorous producing a big crop of handsome large, golden yellow ears with 12 to 14 rows medium sized kernels of deliciously flavored sweet corn. Excellent canning and market use. The splendid hybrid in your succession of corn planting this season. 85 days. Prices: Pkt. 15c; ½ lb. 35c; lb. 65c; 2 lbs. $1.25; 5 lbs. $2.45; 10 lbs. $4.55, postpaid. Not prepaid 10 lbs. $2.20; 50 lbs. $11.00, 100 lbs. or more at 24c lb.

**249 Country Gentleman**
Ears measure 7 to 8 inches white, slender grains without row formation. 90 days. Prices: Pkt. 10c; ½ lb. 35c; lb. 65c; 2 lbs. 85c; 5 lbs. $1.80; 10 lbs. $3.25, postpaid. Not prepaid 10 lbs. $2.80; 50 lbs. $13.50; 100 lbs. or more at 35c lb.

**241 Hybrid Stowell's Evergreen**
Stalks sturdy with upright ears. The medium cob has 16 to 18 rows of white, medium wide, tender grains. 90 days. Prices: Pkt. 15c; ½ lb. 35c; lb. 65c; 2 lbs. $1.25; 5 lbs. $2.80; 10 lbs. $5.35, postpaid. Not prepaid 10 lbs. $4.80; 50 lbs. $23.50; 100 lbs. or more at 43c lb.

**253 Truckers Favorite**
The standard white corn for home and market in the south. Withstands adverse weather conditions well and can be planted early, producing a good crop of large attractive ears of white corn. Prices: Pkt. 10c; ½ lb. 25c; lb. 45c; 2 lbs. 65c; 5 lbs. $1.35; 10 lbs. $2.35, postpaid. Not prepaid 10 lbs. $1.90; 50 lbs. $9.00; 100 lbs. or more at 18c lb.

**252 Silver King**
This variety has been grown extensively in the southern part of this state during the past several years. Silver King is a money maker where it is grown for the market because the large white ears are ready several days before Truckers Favorite. 65 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 45c; 2 lbs. 70c; 5 lbs. $1.45; 10 lbs. $2.45, postpaid. Not prepaid 10 lbs. $2.00; 50 lbs. $9.00; 100 lbs. or more at 17c lb.

**255 Bland's Extra Early**
A delicious white roasting ear variety that produces two well filled 8-inch ears of unusually tender, tasty, sweet corn to the stalk in 33 to 38 days. The extreme earliness of Bland's and its prolific qualities are two reasons for its immense popularity with truckers, farmers and home gardens alike. Prices: Pkt. 10c; ½ lb. 25c; lb. 45c; 2 lbs. 75c; 5 lbs. $1.15; 10 lbs. $2.75, postpaid. Not prepaid 10 lbs. $2.30; 50 lbs. $11.00; 100 lbs. or more at 30c lb.

**250 Extra Early Adams**
The earliest white corn in cultivation makes a small ear and stalk, and can be planted close together. The grains are white and smooth. 56 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 45c; 2 lbs. 70c; 5 lbs. $1.45; 10 lbs. $2.45, postpaid. Not prepaid 10 lbs. $2.10; 50 lbs. $9.00; 100 lbs. or more at 18c lb.

**256 Norfolk Market**
A very heavy yielding white variety for roasting ear corn well known for its marketing qualities. Slightly larger and later than Large Adams with perfectly formed ears of deep white grains of sweet tender corn. Recommended for home use as well as marketing. 72 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 45c; 2 lbs. 70c; 5 lbs. $1.45; 10 lbs. $2.45, postpaid. Not prepaid 10 lbs. $2.20; 50 lbs. $9.00; 100 lbs. or more at 17c lb.

**251 Ideal or Large Adams**
Not a sugar corn but grown very extensively in all states. It is similar to Extra Early Adams but about two weeks later. Ears are 8 inches long. 65 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 45c; 2 lbs. 70c; 5 lbs. $1.45; 10 lbs. $2.45, postpaid. Not prepaid 10 lbs. $2.20; 50 lbs. $9.00; 100 lbs. or more at 18c lb.

**254 Hybrid Truckers**
You are familiar with the outstanding performance of our Hybrid Field Corns. Now we offer HYBRID TRUCKERS FAVORITE. Extra early, drought resistant, productive. Prices: Pkt. 15c; ½ lb. 30c; lb. 45c; 2 lbs. 70c; 5 lbs. $1.45; 10 lbs. $3.75, postpaid. Not prepaid 10 lbs. $3.30; 50 lbs. $16.00; 100 lbs. or more at 30c lb.
HYPONeX
PLANT FOOD

Brings new beauty to African Violets

Grows Better Plants Faster
IN SOIL, SAND OR WATER
40,000 Plants of 300 African Violet Varieties Have Proved HYPONEX Value Here

Thousands of African Violet plants are commercially grown in the greenhouses of Hugh Eyerdom & Son, R.D. 1, Wadsworth, Ohio, with HYPONEX providing the only food from the time they are started until they are sold. The above picture shows a part of one house in which many thousands of violets reveal the healthy condition resulting from balanced feeding. . . . Plants are better in color, heavier stemmed and flowers are larger, more prolific. Eyerdoms say: "HYPONEX gives exactly the right food for the best culture of African Violets. It produces better plants faster and saves time, trouble and expense in plant care. We feed our growing plants every two weeks with the proportion of about 1 teaspoonful HYPONEX to 1 gallon of water with water temperature 70° to 90°."

African Violets Can Be Grown in Any Soil, Even in Sand or Water (Hydroponic culture) With HYPONEX

What growing medium to use for African Violets is a matter of choice when HYPONEX is fed . . . Soil, sand or even water alone has produced outstanding plants. Flower Grower published the results of tests in July, 1949, of water culture for African Violets. Recommended proportions of HYPONEX in luke warm water were used and this solution changed to fresh solution every week or ten days. This picture was furnished through courtesy of Flower Grower and shows plant growing in water (variety: Blue Boy). It produced blossoms profusely . . . Some as large as 1-7/8 inches across.

HYPONEX Grows Sturdier Plants Quicker with Better Color, Heavier Foliage and More Bloom . . .

Thousands of tests in African Violet culture prove the value of HYPONEX feeding. Its balanced nutrients are always exactly proportioned to assure correct growth of all the plant . . . roots, stems, foliage and flowers. Many growers have reported results that show sturdier plant growth quicker with better coloring, heavier foliage and more bloom. Swinford's Greenhouse, R.D. 3, Anderson, Indiana, have specialized in African Violets for many years and report they have followed the schedule of feeding with HYPONEX — 1 teaspoonful to a gallon of water — every two weeks with the result their plants have a healthier green, leaves larger, stems sturdier — and always in bloom.

HYPONEX is Clean, Odorless, Immediately Soluble in Water, SAFE and Easy to Use . . .

HYPONEX is instantly available to plant roots as a food when it is dissolved in water and applied . . . It is clean to use and odorless. It is always safe and sure in results when used in the recommended proportions. It is economical and never deteriorates. It can be used on all plants, indoors or outdoors, with the assurance of quicker, healthier growth, larger flowers and more of them.

Excellent for Starting Slips . . .

Faster Growth

Many growers of African Violets develop their plants from leaves, as shown in this illustration. Starting medium is sand, vermiculite or other inert material. HYPONEX is used for feeding when roots first begin to show. Plant develops quickly as roots rapidly respond to balanced nutrient.

Showing 12-week Plant Growth Cycle with HYPONEX Feeding . . .

1. 3 weeks in damp sand or vermiculite. HYPONEX feeding has just been started.
2. In 5 weeks root system is developing.
3. In 8 weeks budding has started.
4. At 12 weeks the plant is well started.

(illustrations courtesy Hugh Eyerdom & Son)

HYPONEX is a Complete and Balanced Food for All Plants
HYPONEX is always clean and odorless and retains its balanced strength indefinitley. It does not collect moisture or become pasty. It can be shipped by mail anywhere and is available in various size containers for any requirement.

- "C" large kit, $9.00 or $9.40, postpaid.

Insecticide, Fungicide and Plant Stimulant in One Spray.

EDWARDS & BROUGHTON CO., RALEIGH 7216
CULTURE: To obtain early Cucumbers plant the seed about the middle of April in frames, without much bottom heat, or small pots may be plunged into the soil in the frames, and a few seeds placed in each. In three or four weeks these may be transplanted into open ground. Hills 3 to 4 feet apart each way. When the plants are well started, thin out, leaving four of the strongest in each hill. Plant again in May for later crop.

283 Palmetto Developed and introduced by the Clemson College Truck Experiment Station. A nice dark green cucumber of good size and shape. The plants are downy mildew resistant. 65 days. Prices: Pkt. 10c; oz. 30c; ½ lb. $1.00; lb. $3.25, postpaid.

287 A. & C. This fine cucumber recognized as one of the very best commercial and home garden varieties. We feel that it is one of the outstanding new vegetable varieties introduced in recent years. Our western grown stock is distinctly superior. Prices: Pkt. 10c; oz. 30c; ½ lb. 10c; lb. $2.25; 2 lbs. $4.75; 5 lbs. $14.00; 10 lbs. $19.00, postpaid.

282 Cubit Dark green vigorous, medium sized vine. Fruit 6 to 8 inches long, uniformly cylindrical, blunt ended, dark green and holds color well. Good shipper, market or garden variety. 70 days. Prices: Pkt. 10c; oz. 35c; ½ lb. 75c; lb. $2.50; 2 lbs. $4.75; 5 lbs. $14.00, postpaid.

280 Early Green Cluster A very fine home garden cucumber, equally good for both slicing and pickling. 55 days. Prices: Pkt. 10c; oz. 15c; ½ lb. 55c; lb. $1.75; 2 lbs. $3.25; 5 lbs. $7.50, postpaid.

284 Long Green We would like to drop this variety in favor of the many superior long green cucumbers offered here. A & C. Cubit, Market, Palmetto are all recommended in preference, especially for marketing. Those who order this number will get a good medium late, dark green, very productive strain. 70 days. Prices: Pkt. 10c; oz. 30c; ½ lb. 60c; lb. $2.50; 2 lbs. $4.75; 5 lbs. $8.75, postpaid.

289 Marketier An important new commercial and high yielding cucumber. Quite uniform in size and shape, produces few cuculis and holds its intensely green color throughout the season. 65 days. Prices: Pkt. 10c; oz. 20c; ½ lb. 70c; lb. $2.25; 2 lbs. $4.75; 5 lbs. $10.00, postpaid.

291 Model A promising short green variety producing good yields of uniformly shaped cucumbers very dark green almost from tip to tip. Plants quite vigorous with indications of continued production after other varieties have matured. Prices: Pkt. 10c; oz. 30c; ½ lb. $1.00; lb. $3.25, postpaid.

290 White Spine The fruits are about 9 inches long, attractive in appearance and are ready for eating in about 65 days. It is an early variety, crisp and tender, holding its fresh, dark green appearance long after being gathered. Prices: Pkt. 10c; oz. 15c; ½ lb. 55c; lb. $1.75; 2 lbs. $3.25; 5 lbs. $7.50, postpaid.

285 National Pickling Developed under the supervision of the National Pickle Packers Association. This variety produces great quantities of uniform cucumbers. Prices: Pkt. 10c; oz. 15c; ½ lb. 55c; lb. $1.75; 2 lbs. $3.25; 5 lbs. $7.50, postpaid.

299 White Wonder Crisp and white. Good quality. 60 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 75c; lb. $2.50; 2 lbs. $4.75; 5 lbs. $11.25, postpaid.

294 Gherkin or Burr The best variety for small pickles as the fruits only measure about 3 inches long. 60 days. Prices: Pkt. 10c; oz. 20c; ½ lb. 65c; lb. $2.25, postpaid.

CAULIFLOWER

One ounce of seed will produce 1,500 plants, ½ pound sufficient for an acre.

191 Snowball Adapted to forcing as well as to early outdoor planting, and even late summer growing. A remarkably sure header and matures in about 85 days after planting. Plants are compact and produce medium to large round heads, 9 to 10 inches in diameter. 85 days. Prices: Pkt. 20c; ¼ oz. 85c; oz. $3.00; ½ lb. $9.50, postpaid.

CELEERY

CULTURE: Sow in partly shaded beds, the soil having worked down very fine. Scatter thinly on the surface then cover with finely sifted soil. Do not over an eighth inch. Keep bed well moistened but do not soak wet. Transplant to open ground when about 6 inches high and about 6 to 8 inches apart in the row. As plants grow keep hilling up to bleach.

204 Giant Paschal Stalks long, broad, and solid; blanches to white; of excellent nutty flavor. Prices: Pkt. 10c; ½ oz. 25c; oz. 45c; ¼ lb. $1.50; lb. $5.00, postpaid.

202 Golden Self-Blanching Plants compact and steady with yellowish-green foliage, stalks perfectly solid of fine flavor and attain a good size. Prices: Pkt. 15c; ½ oz. 35c; oz. 55c; ¼ lb. $1.80; lb. $6.00, postpaid.

209 Celeriac or Turnip-Rooted Celery Edible roots used for flavoring. Prices: Pkt. 15c; ½ oz. 35c; oz. 55c; ¼ lb. $1.80; lb. $6.00, postpaid.
KOHLE RABI

CULTURE: 1 ounce is sufficient for 100 feet of drill. Sow ½ inch deep from April to July, at intervals of 4 weeks, as the bulbs are best when gathered young. Avoid throwing any earth in the crown.

353 Early White Vienna Extremely early. The bulbs are of white; best for table when 2 to 2½ inches in diameter, 60 days. Prices: Pkt. 10c; ½ oz. 20c; oz. 30c; ¼ lb. $1.05; lb. $3.50, postpaid.

VEGETABLE ROOTS

ASPARAGUS ROOTS

CULTURE: Dig or plow out a trench 18 to 24 inches deep, put in plenty of well-rotted manure, covering it with a few inches of soil, then set the roots 1½ to 2 feet apart and cover with 4 inches of soil. In the fall, cut off and burn the top growth, plow or throw down the earth and give a good application of stable manure. Early in the spring fork this in and apply ground bone meal. If white asparagus is wanted draw earth around the stalks as they grow. Do not continue cutting too long, as this exhausts the plants. 100 roots plant about 15x50 feet; 5,000 to 7,000 will plant an acre.

Washington Rust-Resistant
12 roots 85c; 25 for $1.50; 50 for $2.50; 100 for $4.00, postpaid. Not prepaid 12 roots 85c; 25 for $1.25; 50 for $2.00; 100 for $3.00; 200 for $5.00; 500 for $12.00; 1,000 or more at $20.00 a 1,000.

Horse Radish Roots
12 roots 75c; 25 for $1.00; 50 for $2.00; 100 for $4.00, postpaid. Not prepaid 12 roots 75c; 25 for $1.00; 50 for $2.00; 100 for $3.50; 200 for $6.00; 500 for $12.00; 1,000 or more at $20.00 a 1,000.

JERUSALEM ARTICHOKE

Plant during March or April, the earlier the better; they will stand extreme cold, and can be planted earlier than potatoes; they also stand considerable drought. They grow well on any well-drained soil without much attention, and one planting does for several years. Prices: lb. 45c; 2 lb. 75c; 5 lbs. $1.45; 10 lbs. $2.25, postpaid. Not prepaid 10 lbs. $2.00; 100 lbs. $8.00; 100 lbs. or more at 15c lb.

Rhubarb Roots
Ready November 1, until May 30th each; 3 for 75c; $2.50 per doz., postpaid. Not prepaid, $2.75 per doz.

EGGPLANT

CULTURE: Seed germinates slowly and should be started in hot-beds during February or March. When plants have two rough leaves transplant 3 to 4 inches apart. When the weather is warm, set plants in open ground. One ounce will produce 1,000 plants; ¼ lb. will produce plans for an acre.

314 Black Beauty The earliest and best of all large-fruited Egg- plants. Black Beauty produces fruits fully as large and ready for use ten days to two weeks earlier than the New York Purple. The plants branch very freely near the ground and grow in well rounded bushes. The coloring is uniform over the whole fruit. 120 days. Prices: Pkt. 10c; ½ oz. 30c; oz. 50c; ¼ lb. $1.00; lb. $4.00, postpaid.

ENDIVE

319 Green Curled It is hardy, a vigorous grower with bright green finely divided leaves. Prices: Pkt. 10c; oz. 15c; ¼ lb. 45c; lb. $1.50, postpaid.

KALE

Hardy Winter and Summer

CULTURE: 1 ounce will drill 100 to 150 feet; 3 to 4 pounds drills an acre. Broadcast 6 to 8 pounds per acre. Kales, being extremely hardy to both cold and hot weather, may be planted almost any time. All varieties continue to produce for a long period so 2 to 4 plantings per year preferably during early spring and early fall (August 15-October 1) will provide a year round crop. Drill ½ inch deep in rows wide enough to suit cultivating equipment, but not less than 1 ½ feet apart. Feed liberally.

343 Early Siberian The hardiest of all leafy vegetables. Plant early spring or fall, drilled as turnips for salad, kale withstands more heat and cold. The flavor is similar to that of turnip salad and it exceeds spinach in total food value. 60 days. Prices: Pkt. 10c; oz. 15c; ¼ lb. 45c; lb. $1.25; 2 lbs. $2.25; 5 lbs. $5.00, postpaid.

344 Spring or Smooth Also called Plain Kale, Spring Sprouts, and Hanover Salad. It can be sown in the spring or fall as it stands extreme cold. A quick growing smooth leaved variety, very sweet and tender and should be used when the plants are quite young. 27 days. Prices: Oz. 10c; ½ lb. 20c; lb. 50c, postpaid.

341 Dwarf Green Curled Scotch Popular with truck growers because of its rich green color and double curled leaves. This Kale is extremely hardy to both hot and cold weather making it a sure crop regardless of conditions. Prices: Pkt. 10c; oz. 15c; ¼ lb. 45c; lb. $1.25; 2 lbs. $2.25; 5 lbs. $5.00, postpaid.

LEEK

358 Large Flag A large growing type, desirable in every way. On account of its dependability and ease of culture, is the most widely used variety for both family and market use, 1 oz. will sow 100 feet of drill. Prices: Pkt. 10c; ½ oz. 25c; oz. 45c; ¼ lb. $1.50; lb. $5.00, postpaid.
CULTURE: 1 ounce is sufficient for 100 feet of drill; 2 pounds will sow an acre. Sow February to October, \( \frac{1}{4} \) of an inch deep, broadcast, or in drills 18 inches apart, thinning to from 2 to 3 inches. By successive sowings every fortnight beginning early in March, the salad may be had at its best until summer.

485 Southern Giant Curled

This splendid variety continues to be the most popular mustard for the South. The large, erectly held leaves are finely curled at the edges, adding much to the appearance of the plant. In addition to being resistant to cold the plants withstand some hot weather and are seldom attacked by insects or disease. Prices: Pkt. 10c; oz. 15c; \( \frac{1}{4} \) lb. 45c; lb. \$1.25; 5 lbs. \$2.25; 5 lbs. \$5.25; 10 lbs. \$10.00, postpaid.

481 Fordhook Fancy

A very handsome curled mustard, mild flavored, slow to bolt to seed. Grows quickly, upright and very curled at the edges. Prices: Pkt. 10c; oz. 15c; \( \frac{1}{4} \) lb. 45c; lb. \$1.25; 2 lbs. \$2.85; 5 lbs. \$6.60; 10 lbs. \$12.45, postpaid.

799 Tendergreen or Mustard Spinach

Widely known as the quickest growing salad crop under favorable conditions. Tendergreen can be ready for the table in less than 3 weeks. Crisp, tender and delicious this popular variety is also very high in nutritive value. The large oblong leaves are dark green, thick and easy to wash for the table. 20 days. Prices: Pkt. 10c; oz. 15c; \( \frac{1}{4} \) lb. 45c; lb. \$1.50; 2 lbs. \$2.85; 5 lbs. \$6.85; 10 lbs. \$12.60, postpaid.

484 Broad Leaf

Large, upright, bright green leaves, thick and smooth. Many prefer the smooth variety because it's easier to clean than the curled types. Prices: Pkt. 10c; oz. 15c; \( \frac{1}{4} \) lb. 40c; lb. \$1.25; 2 lbs. \$7.25; 5 lbs. \$15.25; 10 lbs. \$18.00, postpaid.

---

Loose Leaf and Head LETTUCE

Plant Spring and Fall

One ounce will produce 1,500 plants 1 lb. produces enough plants to set an acre.

CULTURE: Lettuce is a cold weather crop. By making successive plantings during January to March and again August to October, it can be kept in production almost the year round. For quicker germination and development make earliest sowings under glass. Lettuce requires thorough cultivation, ample moisture and rich soil. Set in 1\( \frac{1}{2} \) foot rows, 8 to 12 inches apart, or in good soil drill thinly in rows, thinning for use or transplanting as the plants become crowded in the row. One ounce will produce about 1,500 plants; 1 lb. transplanted or 2 lbs. drilled will plant an acre.

386 Dark Green Cos

An improved variety of this real hot weather heading lettuce. The deliciously flavored heads are obovate and are sureheaders even in the summer garden. 65 days. Prices: Pkt. 10c; oz. 15c; \( \frac{1}{4} \) lb. 10c; lb. \$1.75, postpaid.

383 New York Strain

The heads weigh about 2 to 3 pounds each. The heart blushes up beautifully and the outer leaves lightly overlap and are of an attractive green color. The quality is superb, being extra crisp, sweet, and tender. 80 days. Prices: Pkt. 10c; oz. 15c; \( \frac{1}{4} \) lb. 50c; lb. \$3.00, postpaid.

370 Grand Rapids

A loose leaf variety that makes a quick growth and holds its crispness for days after being cut. It is crisp, tender and sweet. 66 days. Prices: Pkt. 10c; oz. 15c; \( \frac{1}{4} \) lb. 50c; lb. \$1.75, postpaid.

379 Iceberg

For forcing or home crisp lettuce is ideal. The leaves are usually broad and crumpled, borders finely frillled. Succeeds well during hot weather and produces hard, white and tender heads. This variety is sometimes confused with New York Lettuce, but it is distinct, being much lighter in color. 84 days. Prices: Pkt. 10c; oz. 15c; \( \frac{1}{4} \) lb. 75c; lb. \$3.50, postpaid.

381 Imperial 456

One of the latest and best strains of the now famous Imperial lettuces. Large, sure header, excellent quality and is resistant to tip-burn and brown blight. 85 days. Prices: Pkt. 10c; oz. 15c; \( \frac{1}{4} \) lb. 90c; lb. \$3.00, postpaid.

372 Selected Big Boston

The heads are extra large and compact, finely shaped, color medium light green with a slight tinge of brown on margins of outer leaves. The heads are crisp, firm, butty and the interior quite a golden yellow. It heads up well under cold conditions. 75 days. Prices: Pkt. 10c; oz. 15c; \( \frac{1}{4} \) lb. 50c; lb. \$1.75, postpaid.

371 Early Curled Simpson

Highly prized for its fine flavor, this tender, sweet lettuce is probably the most universally grown garden variety. Loose leaved, early, hearty and dependable. Plant successively and keep this wholesome vegetable growing spring and fall. Prices: Pkt. 10c; oz. 15c; \( \frac{1}{4} \) lb. 50c; lb. \$1.75, postpaid.

373 Imperial 847

For commercial growers and home gardeners desiring a large, firm head lettuce, especially adapted to eastern and southern conditions we recommend this New York type of the Iceberg strain of lettuce. Heads are medium deep green, well rounded, solid and crisp. 72 days. Prices: Pkt. 10c; oz. 15c; \( \frac{1}{4} \) lb. 90c; lb. \$3.00; 2 lbs. \$5.75, postpaid.

385 Greek Lakes

An All-America award winner in 1943, this variety is well suited to Southern growing conditions. It stands heat and sun well and is slow bolting to seed. Large, heavy, heads of the Iceberg type. Prices: Pkt. 10c; oz. 15c; \( \frac{1}{4} \) lb. \$1.50; lb. \$3.00, postpaid.
**WYATT’S Western Grown Musk melons**

**CULTURE:** The Melon delights in warm rich soil with good drainage. Good Melons, however, can be grown on almost any land if the trouble is taken to dig holes 2 feet square, filling them with a rich compost of woodsmold and cow-manure. Plant three-fourths to one inch deep April or May in rows 6 feet apart, leaving not less than 4 feet between the hills, putting about 10 seeds to the hill. As insects are often very destructive, it is best not to thin at all until the plants are well started. When they are large enough to be safe, thin to two in a hill, and keep the ground mellow and free from weeds. Those who make a specialty of muskmelons will find it advantageous to start the seed under protection of glass, so as to have the plants ready by the time seeds could be usually planted in the open ground.

**402 Rockyford Earliest** Jumbo, good appearance, and the famous Rockyford quality all wrapped into a melon ripening a week ahead of the earliest Rockyford and the market-wise grower has a really profitable melon. The delicious spicy sweetness typical of the Rockyford strain recommends it for home gardens as well as for commercial production. 75 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 60c; lb. $2.00; 2 lbs. $3.75; 5 lbs. $8.75, postpaid.

**409 Imperial or Hales Best No. 45** (Mildew Resistant) This variety is sometimes called Hales Best No. 45, and is similar to Hales Best. Fruits are short oval with indistinct ribbing and well netted. Flesh thick, firm, sweet and of good quality, light orange in color. Imperial can be picked at much later stages than other melons for distant shipping and it holds firm and in good edible condition. Recommended for areas in which mildew is prevalent. 80 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 60c; lb. $2.00; 2 lbs. $3.75; 5 lbs. $8.75, postpaid.

**410 Gold Lined Rockyford**

A green fleshed fruit of spicy deliciousness peculiar to Rockyford melons. It has a gold lining next to the shell seed cavity which makes it unusually attractive in appearance. The flesh is green, very thick, sweet, and the shape is nearly round with a complete covering of netting and no ribs. 92 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 60c; lb. $2.00; 2 lbs. $3.75; 5 lbs. $8.75, postpaid.

**424 Rockyford or Netted Gem**

This delicious melon, continues in strong demand year after year because of its distinctly superior flavor. Repeated attempts by breeders to transfer this quality to melons of the shipping type have failed as have efforts to introduce into Rockyford those characteristics that would qualify it as a shipping melon. It therefore remains the peer of local market and home garden melons. Fruits are small with rather large seed cavity, nearly round, 2½ lbs.; with very faint ribs, and heavily covered with hard green netting. Flesh thick, green and of excellent texture. 92 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 60c; lb. $2.00; 2 lbs. $3.75; 5 lbs. $8.75, postpaid.

**414 Hale’s Best No. 36**

An early prolific and profitable shipping melon which comes to us from the Imperial Valley in California. The melons are oval in shape, heavily netted, and the flesh firm and thick. The color is deep salmon and they mature a week or ten days earlier than other types of Rockyford melons. This is the standard commercial melon of the Southwest. 80 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 60c; lb. $2.00; 2 lbs. $3.75; 5 lbs. $8.75, postpaid.

**415 Honey Dew**

The fruit is round or oval and the skin smooth. The flesh is tasty, fine grained and attractive. They weigh 6 to 8 lbs. each and the flesh is light green in color. 100 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 60c; lb. $2.00; 2 lbs. $3.75; 5 lbs. $8.75, postpaid.

**418 Hales Jumbo**

One of the most important commercial melons similar to Hales Best but slightly larger (average 4 to 5 lbs.) later and slightly more ribbed. 80 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 60c; lb. $2.00; 2 lbs. $3.75; 5 lbs. $8.75, postpaid.

**401 Banana**

A very long cantaloupe, tapering at both ends, lemon colored skin when mature. The flesh is pink with delicious banana flavor. They grow 14 inches long and withstand the summer heat. 100 days. Prices: Pkt. 10c; oz. 25c; ½ lb. 75c; lb. $1.50, postpaid.

**20% SABADILLA**

In addition to its value as a control for collar bugs and many other hard to kill insects our 20% Sabadilla dust controls certain vine crop pests such as pickle-worm and squash bugs. Safe and easy to use. Prices: 2 lb. bag $1.10; 5 lb. bag $2.25, postpaid.

---

**MARKET GROWERS**

Be sure to plant a part of your crop in our No. 402 Rockyford Earliest. At the same time plant No. 418 Hales Jumbo. This doubles your chances of coming on the market when prices are good. You can depend on Wyatt’s Tested Seeds.

---

**Wyatt’s Seeds**

**402 Rockyford Earliest, an Ideal Commercial Melon**

**409 Imperial or Hales Best No. 45**

**410 Gold Lined Rockyford**

**424 Rockyford or Netted Gem**

**414 Hale’s Best No. 36**

**418 Hales Jumbo**

**401 Banana**

**20% SABADILLA**
WATERMELONS

CULTURE: Prepare hills 8 to 10 feet apart each way, by thoroughly working into the soil an abundance of well rotted manure. When the ground is warm, plant six to eight seeds to the hill, covering 1 inch. When plants form first leaves, thin to three plants to the hill. One ounce will produce about 50 hills; 3 to 4 lbs. to the acre. Earlier plantings can be accomplished by protecting with Hotcaps.

458 Garrison Large, long, blunted-ended melons weighing 50 to 70 pounds. The hard thin rind is striped grey-green and the bright red flesh is sweet and good. Prices: Pkt. 10c; oz. 30c; lb. 85c. 2 lbs. $3.50; 5 lbs. $25.00, postpaid.

445 Dixie Queen The popular grey-green striped, small melon. Sweetness and flavor are outstanding qualities, but the fine grained texture, rich red coloring, crisp, juicy tenderness also combine to make this the most popular melon in every market. The rind is thin but amply tough for safe handling by rail or truck to distant markets. Its size and quality make it a garden favorite. 85 days. Prices: Pkt. 10c; oz. 20c; 1/4 lb. 60c; lb. $1.50; 2 lbs. $7.75; 5 lbs. $37.50, postpaid.

461 Stone Mountain Large, almost round with blocky ends, rind hard and tough, dark green in color. Medium to large. Critical growers appreciate our select strain. 90 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 45c; lb. $1.50; 2 lbs. $7.75; 5 lbs. $37.50, postpaid.

447 Florida Giant (Cannonball) Very large, nearly round, glossy dark green, thick rind, bright red flesh, black seeds. Vines are vigorous and productive. The quality is good enough that this variety has become one of the 3 or 4 most important commercial melons during the few years since its development. 95 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 45c; lb. $1.50; 2 lbs. $7.75; 5 lbs. $37.50, postpaid.

446 Wondermelon (Improved Kleckley Sweet) Grows uniformly large and resembles Tom Watson, but is thicker. Melons weighing 60 to 80 pounds are not unusual. Every bit of the brilliant red flesh is sweet to the rind. The melon is a dark green with small crease-like markings. 85 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 45c; lb. $1.50; 2 lbs. $7.75; 5 lbs. $37.50, postpaid.

456 Improved Tom Watson A very handsome, large melon. The dark green rind is a contrast to the bright scarlet flesh which is of splendid texture and flavor. 90 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 45c; lb. $1.50; 2 lbs. $7.75; 5 lbs. $37.50, postpaid.

450 Irish Gray One of the sweetest, the flesh is red, crisp and free from stringiness. 85 days. Prices: Pkt. 10c; oz. 20c; 1/4 lb. 60c; lb. $2.00; 2 lbs. $7.75; 5 lbs. $37.50, postpaid.

454 Ledmon Almost round, thin rind, deliciously sweet, but too tender for shipping. Flesh red, crisp and one of the very sweetest. Prices: Pkt. 10c; oz. 25c; 1/4 lb. 75c; lb. $2.50; 2 lbs. $4.75, postpaid.

DISEASE RESISTANT WATERMELONS

443 Hybrid Wilt-resistant Dixie Queen Our entire supply is available only a few pounds and we recommend to anyone interested in growing watermelons, especially commercial growers, to try this productive, wilt resistant hybrid Dixie Queen. Prices: Pkt. $1.00; oz. $3.50; 1/4 lb. $8.00; 1 lb. $30.00, postpaid.

459 Congo (U.S.D.A. No. 46-40). Anthracnose resistant and slightly resistant to fusarium wilt. Congo resembles Garrison, but stripes are darker, has shipped with no breakage than Cannonball and generally has more dependable quality. 90 days. Order early! Prices: Pkt. 10c; 1/2 oz. 25c; oz. 40c; 1/4 lb. $1.50; lb. $4.50; 2 lbs. $8.50; 5 lbs. $30.00, postpaid.

441 Blacklee Medium large, very dark green Fusarium wilt resistant. An outstanding market melon. Shaped somewhat between the long and round types the dark green coloring of the rind contrasted with the deep rich red flesh and shiny black seeds combine to give Blacklee a high sales appeal. The crisp, tender flesh is deliciously sweet and free from “white heart.” The vigorous plants tend to set a prolific crop of melons and should be pruned to 2 melons per vine. 80 days. Prices: Pkt. 10c; oz. 25c; 1/4 lb. 75c; lb. $2.50; 2 lbs. $4.75; 5 lbs. $37.50, postpaid.

442 Wilt Resistant Dixie Queen This popular variety is resistance to wilt for those growers who have wilt in their soil and have been unable to produce Dixie Queen melons. Prices: Pkt. 10c; oz. 25c; 1/4 lb. 75c; lb. $2.50; 2 lbs. $4.75; 10 lbs. $30.10, postpaid.

457 Hawkesbury A wilt-resistant shipping variety. Of the Irish Gray type, long and sloping toward either end, light grey with fine veining of green. Flesh dark pink, firm, and of good quality. 85 days. Prices: Pkt. 10c; oz. 25c; 1/4 lb. 60c; lb. $2.00; 2 lbs. $3.75; 5 lbs. $8.75, postpaid.

462 Leesburg A wilt resistant variety developed from Kleckley’s sweet by Dr. M. N. Walker of the Florida Experiment Station. Melons are not quite as large as Kleckley’s and with blockier ends. Rind is a shade lighter than the dark green of Kleckley’s, and much tougher. Flesh deep rose pink. Extremely soapy texture. 85 days. Prices: Pkt. 10c; oz. 25c; 1/4 lb. 60c; lb. $2.00; 2 lbs. $3.75; 5 lbs. $8.75, postpaid.

448 Wilt-Resistant Garrison A cross of Hawkesbury and Garrison and 95% resistant to Wilt. Prices: Pkt. 10c; oz. 40c; 1/4 lb. $1.25; 1 lb. $4.50, postpaid.
**Wyatt’s OKRA**

**CULTURE:** Should not be planted before the ground is warm in spring, as the seeds are apt to rot. Sow in drills, which ought to be 2 to 3 feet apart, and when up, thin out and leave one or two plants every 12 or 15 inches.

### 496 Clemson Spineless

Although okra is primarily a southern vegetable this variety was awarded the Silver Medal Award of the All-America selections for 1930 after experiment in trials in all parts of the country. Pods are rich green, straight, uniform, ridged and of the best quality. The plants are 3½ to 4 ft. tall. A spineless Perkins Green Pod typed developed from a white podded strain. Prices: Pkt. 10c; oz. 15c; ½ lb. 45c; lb. $1.50; 2 lbs. $2.75, postpaid.

### 494 Green Velvet

**Tall extremely prolific.** Pods tender, spineless, slender and long. Good quality okra and excellent for canning because of its dark green color. 60 days. Prices: Pkt. 10c; oz. 15c; ½ lb. 45c; lb. $1.50; 2 lbs. $2.75, postpaid.

### 493 Perkins Mammoth Long Pod

Very productive. The pods shoot out within 3 or 4 inches from the bottom of the stalk and the whole plant is covered with them to a height of a man’s head. 50 days. Prices: Pkt. 10c; oz. 15c; ½ lb. 40c; lb. $1.25; 2 lbs. $2.25, postpaid.

### 492 White Velvet

A standard White variety and grown in all sections of the South, round podded, smooth and of medium size. 55 days. Prices: Pkt. 10c; oz. 15c; ½ lb. 40c; lb. $1.25; 2 lbs. $2.25, postpaid.

### 491 Dwarf Green Prolific

Dwarf variety, large green pods, very prolific. 55 days. Prices: Pkt. 10c; oz. 15c; ½ lb. 40c; lb. $1.25; 2 lbs. $2.25, postpaid.

---

**WYATT’S ONIONS**

**CULTURE:** Sow in plant beds or drill in rows. When plants are large enough to handle (6 to 8 inches tall) set out or thin to 4 inches apart in rows. Onions are copious feeders requiring a liberal application of 5-10-5 or similar plant food thoroughly mixed into the soil well before setting.

### 506 Prizetaker

This is one of the best varieties for all purposes, producing high tonnage per acre of fine, uniform, light copper skinned bulbs almost globe shaped. The skin is extremely thin, the flesh nearly pure white, mild and good. 100 days. Prices: Pkt. 10c; oz. 35c; ½ lb. $1.15; lb. $3.75; 2 lbs. $7.00; 5 lbs. $16.25, postpaid.

### 503 Sweet Spanish

Very large, mild flavored, sparkling white and of fine texture. The outer skin is light yellow or straw color. 100 days. Prices: Pkt. 10c; oz. 35c; ½ lb. $1.15; lb. $3.75; 2 lbs. $7.00; 5 lbs. $16.25, postpaid.

### 504 Yellow Globe Danvers

Popular, good keeper growing to good size. The skin is rich coppery yellow and flesh is creamy white, crisp and mild flavor. 112 days. Prices: Pkt. 10c; oz. 35c; ½ lb. $1.00; lb. $3.50; 2 lbs. $6.00; 5 lbs. $13.75, postpaid.

### 509 White Portugal or Silver Skin

A large white onion that keeps well and is grown for sets, also pickling and bunching. It is very mild flavored. 96 days. Prices: Pkt. 10c; oz. 35c; ½ lb. $1.20; lb. $4.00; 2 lbs. $7.50; 5 lbs. $17.50, postpaid.

### 499 Southport Red Globe

A good keeper. Medium large, globe shaped, dark red skin, white flesh. Very productive late variety. 110 days. Prices: Pkt. 10c; oz. 35c; ½ lb. $1.20; lb. $4.00, postpaid.

### 500 Southport White Globe

Probably best keeper of white onions. Medium size, globe shaped, mild flavored. 110 days. Prices: Pkt. 10c; oz. 35c; ½ lb. $1.20; lb. $4.00, postpaid.

---

**ONION SETS**

**Prices Subject to Change**

One pound will plant a 50 ft. row; 8 bushels will plant an acre. (32 lbs. per bu.)

### 536 Silver Skin

**Grown from our strain of Skin.** Prices: lb. 40c; 3 lbs. 90c; 8 lbs. $2.00, postpaid. Not prepaid 8 lbs. $1.45; 32 lbs. (Bu.) $4.50.

### 537 Yellow Danvers

Produce medium size, globe Onions. Prices: lb. 40c; 3 lbs. 90c; 8 lbs. $2.00, postpaid. Not prepaid 8 lbs. $1.45; 32 lbs. (Bu.) $4.50.

### 530 Red Wethersfield

Hardy and good keepers. Prices: lb. 40c; 3 lbs. 90c; 8 lbs. $2.00, postpaid. Not prepaid 8 lbs. $1.45; 32 lbs. (Bu.) $4.50.
2 lbs. to 100 feet of drill; 90 to 150 lbs. per acre. (1 pt. is about 1 lb.; 1 qt. is about 2 lbs.)

CULTURE: For a succession, plant every two weeks—as late as August for a late crop. Plant in double rows 6 to 8 inches apart, 2 to 3 inches deep, and stake with brush. They should be kept clean and the earth worked toward them two or three times during growth.

570 Wando Recently released by the U.S.D.A. station at Charleston, S. C., especially for the South. Plants are upright and about 30 inches. Pods 3 inches, dark green and straight. 76 days. Prices: Pkt. 10c; ½ lb. 30c; lb. 50c; 2 lbs. 85c; 5 lbs. $1.83; 10 lbs. $3.35, prepaid. Not prepaid 10 lbs. $2.90; 50 lbs. $14.00; 100 lbs. or more at 25c lb.

574 Dwarf Telephone The vines luxuriant and heavy and an abundant bearer. Pods are 4½ inches long, broad and straight. Often contains 9 or 10 peas. Height 2 feet. 65 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 45c; 2 lbs. 80c; 5 lbs. $1.45; 10 lbs. $2.95, prepaid. Not prepaid 10 lbs. $2.50; 50 lbs. $12.00; 100 lbs. or more at 22c lb.

578 Bliss Everbearing Height of vine 2 to 3 feet. 65 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 45c; 2 lbs. 80c; 5 lbs. $1.65; 10 lbs. $2.95, prepaid. Not prepaid 10 lbs. $2.50; 50 lbs. $12.00; 100 lbs. or more at 22c lb.

580 Laxton’s Progress The best dwarf large wrinkled pea for home or market. It resembles Laxtonian very closely, but the pods are a trifle longer, and it matures a day or two earlier. The pods are dark green, average about 4 inches in length, and usually contain 8 or 9 large peas of the best quality. Height 1½ feet. 60 days. Prices: Pkt. 10c; ½ lb. 25c; lb. 45c; 2 lbs. 80c; 5 lbs. $1.65; 10 lbs. $3.25, prepaid. Not prepaid 10 lbs. $2.50; 50 lbs. $12.00; 100 lbs. or more at 22c lb.
PEPPERS

One Ounce of Seed Produces About 1,000 Plants

CULTURE: Sow the seed in hotbed or box at a temperature of about 70 degrees or about February 15 or outdoors in April. Transplant to the open ground when all danger of frost is over. In rows 8 to 12 inches apart and plants set 18 to 20 inches apart in the row—about 5,000 plants are required to set an acre. Cultivate frequently and keep free from weeds. A mixture of sheep manure and chicken manure is most desirable for distributing in the rows a week or ten days before the plants are set out. When the plants are well set and started at about 7 inches high, guano or any well-rotted manure heap into the surface soil will also increase plant growth and fruiting qualities.

596 Oakview Wonder Bred from California Wonder, it is earlier bearing and the plants are more compact and prolific. Fruits blocky, smooth, thick fleshed and sweet. 102 days. Prices: Pkt. 10c; 1/2 oz. 35c; oz. 55c; 1/2 lb. $1.50; 1 lb. $.50; 2 lbs. $1.00, postpaid.

592 California Wonder Walls exceptionally thick, heavier and firmer than any other sort, and deliciously sweet and spicy, with no bite to it. Some specimens measure 4½ inches across and 5 inches long. The bright, attractive green changes to a brilliant light crimson. 112 days. Prices: Pkt. 10c; 1/2 oz. 40c; oz. 65c; 1/2 lb. $2.10; 1 lb. $7.00; 2 lbs. $13.00, postpaid.

593 Bell or Bull Nose The plants are very vigorous and sturdy. The fruits are about 3 inches long, 2 inches in diameter and blunt-ended. Very productive. 100 days. Prices: Pkt. 10c; oz. 45c; 1/2 lb. $1.50; 1 lb. $5.00; 2 lbs. $9.00, postpaid.

595 Pimento A small heart-shaped variety. The fruits are medium size, 3½ inches long and 2½ inches in diameter. 105 days. Prices: Pkt. 10c; 1/2 oz. 40c; oz. 75c; 1/2 lb. $2.25; 1 lb. $7.50; 2 lbs. $13.00, postpaid.

599 Ruby King Fruits are 4 to 6 inches long and 3 to 4 inches thick, tapering, and of a bright ruby-red color. 105 days. Prices: Pkt. 10c; oz. 45c; 1/2 lb. $1.50; 1 lb. $5.00; 2 lbs. $9.00, postpaid.

601 Worldbeater It is exceedingly productive, a good shipper, and one of the most attractive Peppers on the market. The peppers are 4-lobed, 3 inches long and 3½ inches in diameter. Glossy dark green. 110 days. Prices: Pkt. 10c; oz. 45c; 1/2 lb. $1.50; 1 lb. $5.00; 2 lbs. $9.00, postpaid.

555 Hollow Crown Rich, very sweet flavor, immensely productive, ready for use in 80 to 95 days. Roots are smooth, in good soil 15 inches long by 3 inches across the shoulder. Tender, and sugary. 80 days. Prices: Pkt. 10c; oz. 25c; 1/2 lb. 60c; 1 lb. $2.00; 2 lbs. $3.75, postpaid.

HOT PEPPERS

604 Red Chili The fruits measure 2 to 3 inches in length and are one-fourth inch thick. Early and enormously productive. 112 days. Prices: Pkt. 10c; 1/2 oz. 25c; oz. 45c; 1/2 lb. $1.50; 1 lb. $5.00; 2 lbs. $9.00, postpaid.

594 Long Red Cayenne This is the old true Cayenne Pepper. The fruits are narrow, about one-fourth inch thick and 3 inches long. 115 days. Prices: Pkt. 10c; 1/2 oz. 25c; oz. 45c; 1/2 lb. $1.50; 1 lb. $5.00; 2 lbs. $9.00, postpaid.

PEPPER PLANTS: See page 21

PARSLEY

One Ounce for 150 Feet of Drill

CULTURE: Can be sown during the fall from August to October, and during spring from the end of January to the end of April. It is generally sown broadcast. Soak the seed for twenty-four hours and mix with sand; it is very slow to germinate and sometimes remains in the ground from four to five weeks before making its appearance.

543 Hamburg or Parsnip-Rooted Grown for the roots, which mature early, they are short and thick. Prices: Pkt. 10c; oz. 15c; 1/2 lb. 45c; 1 lb. $1.50, postpaid.

541 Double-Curled Plants of dwarf compact growth, and the young leaves have the edges heavily crimped, giving a general appearance of course moss. Used by market gardeners. Prices: Pkt. 10c; oz. 15c; 1/2 lb. 45c; 1 lb. $1.50; 2 lbs. $2.75, postpaid.

540 Plain or Single Prices: Pkt. 10c; oz. 15c; 1/2 lb. 45c; 1 lb. $1.50; 2 lbs. $2.75, postpaid.

WYATT'S PARSNIPS

CULTURE: 1 ounce is enough for 100 feet of drill; 4 to 6 pounds will sow an acre. Sow very thickly from January to March by an inch deep in drills 18 inches apart in deep, rich, sandy loam, which has been well manured for a previous crop.

555 Parsnips, Hollow Crown

541 Parsley, Double Curled
**Pumpkins**

**CULTURE:** Put 8 to 10 seeds in each hill, 1 inch deep, and cultivate until the vines get strong, then they should be thinned out, leaving two or three of the strongest in each hill. When planted in corn, plant at the same time as the corn in every fourth row, 10 to 12 feet apart in the rows, letting hill of pumpkins take the place of a hill of corn.

**617 Big Jumbo or King of the Mammoth** The largest of all varieties. When the size is considered, the quality is excellent. The flesh is bright yellow, fine grained and thick. Skin is salmon-orange and the pumpkins grow large and round, slightly flattened. Excellent stock for early months. 110 days. Prices: Pkt. 10c; oz. 20c; 1/4 lb. 55c; lb. $1.75; 2 lbs. $2.25, postpaid.

**621 Green Striped Cashew** Fruits are large, with crooked neck. Color creamy white, irregular striped or traced with green. Flesh light yellow, very thick, rather coarse, but sweet. Very hardy and vigorous. Can be grown among corn and makes heavy yields. 90 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 45c; lb. $1.75; 2 lbs. $3.75, postpaid.

**Spinach**

One ounce will sow 100 feet of row; 15 lbs. will sow an acre in rows.

**CULTURE:** Spinach is a cold weather plant, needs rich land and on poor land heavy manuring. The seed may be sown from August 15 up to November 15. The main crops are sown September and October if conditions are favorable. When the second leaves begin making, thin out to about 4 inches apart in the row.

**694 Re-selected Bloomsdale Savoy** This sort is also known as the Norfolk Savoy Leaved. It is a very early variety and one of the best to plant in the fall for early spring use. The plant is of upright growth with thick, glossy, dark green leaves of medium size. 40 days. Prices: oz. 10c; 1/4 lb. 25c; lb. 60c; 2 lbs. $1.60; 5 lbs. $2.50; 10 lbs. $4.00, postpaid.

**696 Dark Green Bloomsdale** A true Bloomsdale Savoy type with the added advantage of possessing an unusually dark green color, making for much quicker sales on the market. 40 days. Prices: Oz. 10c; 1/4 lb. 25c; lb. 60c; 2 lbs. $1.60; 5 lbs. $2.50; 10 lbs. $4.00, postpaid.

**SUMMER SPINACH**

**698 New Zealand** The flavor is fine and the fact that it does well throughout the hottest Summer, makes it all the more desirable. Plant 3 or 4 seeds in hills 2 feet apart each way. Germination can be hastened by soaking in warm water for 24 hours. 55 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 35c; lb. $1.00; 2 lbs. $1.85, postpaid.

**Radishes**

One Ounce is Sufficient for 100 Feet of Drill; 8 to 10 lbs. to the acre in Drills.

**651 Early Scarlet Globe** The most important variety. Roots slightly olive shaped and a rich, bright scarlet. Flesh white, crisp and tender. Grows quickly and evenly, maturing in just over 3 weeks under normal conditions. Best for early planting for the home garden or market. Increase your profits with our extra fancy strain. 22 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 30c; lb. 90c; 2 lbs. $1.60; 5 lbs. $3.50, postpaid.

**654 Cherry Belle** A new brilliantly red early round radish, suitable for market or home garden. 24 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 40c; lb. $1.25; 2 lbs. $2.25; 5 lbs. $5.00, postpaid.

**658 Long White Ice** Clear white, 6 inches long. Crisp, brittle, and sweet. 25 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 30c; lb. $1.00; 2 lbs. $1.80; 5 lbs. $4.00, postpaid.

**665 Round Black Spanish** Smooth, round black roots, extremely hardy to cold and heat. 60 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 40c; lb. $1.25; 2 lbs. 2.25, postpaid.

**652 Early Scarlet Turnip White-Tipped** Extra early, Handsome, bright red with sparkling white tip. Tops are small, allowing close planting. Superior variety making a nice globe-shaped, clean root with no laterals. 25 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 30c; lb. 80c; 2 lbs. $1.60; 5 lbs. $3.50, postpaid.

**653 French Breakfast** Handsome, olive shaped. Bright red with the exception of a clear white tip on the bottom. Finest flavored of the garden varieties. 25 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 30c; lb. 90c; 2 lbs. $1.60; 5 lbs. $3.50, postpaid.

**655 Long Scarlet** Creates for itself a place on every market and commands the highest price. Beautiful tapering, bright scarlet, crisp roots and short tops. 30 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 30c; lb. 90c; 2 lbs. $1.60; 5 lbs. $3.50, postpaid.

**663 Chinese Rose (Winter)** One of the best winter sorts. Cylindrical, or widest near the bottom, stump-rooted; skin smooth and bright rose in color; flesh white, crisp and pungent. 60 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 40c; lb. $1.25; 2 lbs. $2.25, postpaid.

**SALSIFY (Vegetable Oyster)**

Sow and culture should be the same as for parsnips. Sow August or February, March. Salsify is boiled like parsnips or carrots.

**682 Mammoth Sandwich Island** Tender and delicious. Prices: Pkt. 10c; oz. 15c; 1/4 lb. $1.25; lb. $4.00; 2 lbs. $7.30, postpaid.

---

617 Pumpkin, King of the Mammoth

654 Radish, Cherry Belle
One ounce of the bush varieties to 40 hills; 2 to 3 lbs. per acre.
One ounce of the large-seeded varieties to 15 hills; 3 to 4 lbs. per acre.

**CULTURE:** Squash should not be planted until danger of frost is past and the ground has become warm. Plant in hills 4 feet apart for bush varieties, and 6 to 8 feet apart for running varieties, putting 6 to 8 seeds to the hill, finally leaving but 3 plants. A rich, warm, mellow soil is conducive to high yields and early maturity, but Squash grow quite well in almost any well drained soil. It pays to enrich each hill with rotted manure or commercial fertilizer. The Winter Squashes may be grown in cornfields in the same manner as pumpkins. In the small garden, Squash may follow early beets, early cabbage, or spinach.

**706 Early Summer Crookneck**
A delicious small yellow crookneck squash. The earliest of the yellow squashes and always a favorite for the table or on the market. 60 days. Prices: Pkt. 10c; oz. 15c; ¼ lb. 45c; lb. $1.40; 2 lbs. $2.65; 5 lbs. $8.25, postpaid.

**714 Early Prolific Straightneck**
Quite uniform, small, early, fine quality and very productive. A delicious squash for the table. Bright yellow. 60 days. Prices: Pkt. 10c; oz. 15c; ¼ lb. 45c; lb. $1.50; 2 lbs. $2.75; 5 lbs. $6.25, postpaid.

**708 Early White Bush**
Small, round, flat with ridges or scalloped edges. It is quite disease-resisting and very prolific variety. They measure 7 to 8 inches across, are almost smooth, and the color is a creamy white. 52 days. Prices: Pkt. 10c; oz. 15c; ¼ lb. 45c; lb. $1.40; 2 lbs. $2.65; 5 lbs. $6.25, postpaid.

**719 Royal Acorn**
A recent and improved strain of the deliciously rich flavored acorn squash. The fruits are acorn shaped, 4 to 3 inches in diameter and 5 to 6 inches in depth, prominently ribbed with dark green skin. Flesh of finest texture, quality and flavor. Should be allowed to mature on the vine after which they will bake fine or keep all winter. 80 days. Prices: Pkt. 10c; oz. 15c; ¼ lb. 45c; lb. $1.50; 2 lbs. $2.75; 5 lbs. $8.25, postpaid.

**707 Giant Summer Crookneck**
A very large type of Summer Crookneck. It is covered with fine warts and the skin is golden yellow. Usually grows 18 to 24 inches long. 65 days. Prices: Pkt. 10c; oz. 15c; ¼ lb. 45c; lb. $1.50; 2 lbs. $2.75; 5 lbs. $6.25, postpaid.

**716 Mammoth Yellow Bush or Golden Custard**
Those who prefer the yellow bush squash will find this the best for their use. Quite large, beautifully colored, and of the best quality. 58 days. Prices: Pkt. 10c; oz. 15c; ¼ lb. 45c; lb. $1.50; 2 lbs. $2.75; 5 lbs. $6.25, postpaid.

**718 Uconn**
The delicious Acorn squash in bush type plants. Earlier, prolific, quite uniform fruits in clusters of 5 on plants 2 ft. tall. 2½ ft. across. Extra quality. Prices: Pkt. 10c; oz. 15c; ¼ lb. 75c; lb. $2.50, postpaid.

**711 Caserta**
Bush type easy to grow. Prolific, early vegetable marrow type fruit. Gold Medal Award winner for 1949. Pkt. 10c; oz. 25c; ¼ lb. 75c; lb. $2.50, postpaid.

**715 Golden Hubbard**
One of the best Winter sorts. Large, oval, with rough golden warty skin. Flesh bright orange-yellow, fine grained, very dry, sweet, and richly flavored. 100 days. Prices: Pkt. 10c; oz. 25c; ¼ lb. 60c; lb. $2.00; 2 lbs. $3.75; 5 lbs. $8.75, postpaid.

**717 Italian Cocoselle**
A spicy, deliciously rich flavored summer variety of bush habit; fruits oblong, 12 to 16 inches and 5 inches in diameter. Skin dark green, marbled with yellow and light green stripes. 86 days. Prices: Pkt. 10c; oz. 15c; ¼ lb. 45c; lb. $1.30; 2 lbs. $2.75; 5 lbs. $8.25, postpaid.

---

**TOMATOES**

**753 Improved Stone**
A high tonnage producer. Late bright red variety, unsurpassed for slicing and canning. The fruits are bright deep scarlet, oval, or nearly round. Very deep, exceptionally smooth and uniform in size. Bears well and always gives good crop. One of the best long distance shippers. 86 days. Prices: Pkt. 10c; oz. 35c; ¼ lb. $1.20; lb. $4.00; 2 lbs. $7.50, postpaid.

**SMALL TOMATOES**

**741 RED CHERRY**. Clusters of cherry sized strongly tomato flavored bright red fruit.

**743 HUSK OR GROUND CHERRY.**

**744 RED PEAR**. Pear shaped, red.

**746 YELLOW PEAR.** Pear shaped, yellow.

**747 RED PLUM.** Prices 5 miniature tomatoes listed above: Pkt. 15c; ¼ oz. 30c; oz. 90c, postpaid.

---

**750 Tomato. Southland**
Plant Successively Grow a Surplus to Can

CULTURE: 1 ounce is sufficient for 100 feet of drill; 4 ounces will produce enough plants to set an acre. The tomato flourishes best in warm light soil moderately rich. For early use sow 1/4 of an inch deep in January or February in a hot-bed. To get the plants large and stocky, they should be transplanted when 2 to 3 inches high. When all danger of frost has passed set out in the open ground in rows 3 feet apart, leaving the same distance between the plants, and if convenient, furnish a support for the vine. For late crops sow in the open ground.

745 Break O' Day The earliest, disease resistant, globe-shaped, scarlet-fruit, Tomato. Break O' Day is an early Tomato with the good qualities of the popular later sorts. Fruits are Marglobe type, deep globe-shaped, solid, meaty, with few seeds, and bright scarlet. Excellent for home gardens, truck farmers, or canners. 70 days. Prices: Pkt. 10c; 1/2 oz. 30c; oz. 50c; 1/4 lb. $1.65; lb. $5.50; postpaid.

738 Certified Marglobe Wilt Resistant. Main crop, scarlet-fruit, variety, originated by the U. S. Department of Agriculture for wilt resistance. It is also resistant to "nail-head rust" which attacks Tomato fruits. Fruits are of medium size, smooth, solid and deep from stem to blossom ends. They are set in clusters of 3 to 7 on vines with medium to heavy growth. It is valuable for wilt resistance, the popular Globe shape, scarlet color, a good cropper, market and shipper. 75 days. Prices: Pkt. 10c; oz. 40c; 1/4 lb. $1.35; lb. $4.50; 2 lbs. $8.75; 5 lbs. $21.25; postpaid.

739 Select Marglobe Pkt. 10c; oz. 25c; 1/4 lb. $1.20; lb. $4.00; 2 lbs. $7.50; postpaid.

CONTROL BLIGHT with PARZATE (Fungicide-A)

For the control of early and late blights, leaf spots and anthracnose on tomatoes. Use 1 tablespoon per gallon; 2 lbs. per 100 gallons. Water as spray or apply as 10% dust. Prices: 6 oz. can $1.00; 3 lbs. bag $3.50; postpaid. Not prepaid, 6 oz. 85c; 3 lbs. $3.25.

10% PARZATE DUST. Ready to apply. 25 lb. bag $25; 50 lb. bag $50.00 f.o.b., Raleigh.

750 Southland A new main crop for canning, shipping and canning tomato, for home and market gardens. Nearly globe shaped, with thick, solid flesh and large to collar round caused by Alternaria, it is also resistant to some forms of late blight (Phytophthora). (75 days.) Prices: Pkt. 15c; 1/2 oz. 25c; oz. 50c; 1/4 lb. $3.00; lb. $10.00; postpaid.

730 Rutgers Prices: Pkt. 10c; oz. 35c; 1/4 lb. $1.20; lb. $4.00; postpaid.

736 Stokesdale Combining earliness, extremely heavy yields and all round usefulness of fruit STOKESDALE is a tomato of great utility. Vigorous plants, excellent flavor, color and quality of fruit, 65 days. Prices: Pkt. 10c; 1/2 oz. 25c; oz. 50c; 1/4 lb. $1.50; lb. $5.00; 2 lbs. $9.50; 5 lbs. $22.50, postpaid.

734 Earliana Plants are of compact growth with stout-stemmed, or box. In order to get the plants large and stocky, they should be transplanted when 2 to 3 inches high. When all danger of frost has passed set out in the open ground in rows 3 feet apart, leaving the same distance between the plants, and if convenient, furnish a support for the vine. For late crops sow in the open ground.

740 June Pink An extra early very productive pink tomato. Fruits are medium sized, flattened and smooth. Plants grow open spreading, somewhat short, and are resistant to certain wilt, 65 days. Prices: Pkt. 10c; 1/2 oz. 40c; oz. 60c; 1/4 lb. $2.25; lb. $7.50; postpaid.

737 Greater Baltimore Midseason, red. with solid, thick meat. Heavy cropper. Good canner. 90 days. Prices: Pkt. 10c; oz. 35c; 1/4 lb. $1.30; lb. $4.00, postpaid.

731 Pan American One of the stronger wilt - resistant varieties. Round, red, productive. Prices: Pkt. 10c; 1/2 oz. 35c; oz. 60c; 1/4 lb. $2.00; lb. $6.50, postpaid.

752 Ponderosa Few tomatoes equal this one in size and while slightly ribbed. It is very solid. Shows well with pink. 83 days. Prices: Pkt. 10c; 1/2 oz. 50c; oz. 80c; 1/4 lb. $2.75; lb. $10.00, postpaid.

754 Beefsteak A large red tomato with solid fruit and small seed cavities. 85 days. Prices: Pkt. 10c; 1/2 oz. 55c; oz. 90c; 1/4 lb. $3.25; lb. $12.00, postpaid.

758 Golden Ponderosa Large, smooth, golden-yellow Tomato. 85 days. Prices: Pkt. 10c; 1/2 oz. 55c; oz. 90c; 1/4 lb. $3.25; lb. $12.00, postpaid.

759 Pritchard A true Self-Topper bearing an early and heavy crop of deep globe-shaped fruit of the same rich scarlet color as Marglobe. U.S.D.A. introduction. 75 days. Prices: Pkt. 10c; oz. 35c; 1/4 lb. $1.20; lb. $4.00; 2 lbs. $7.50, postpaid.

763 Oxheart The pink fruits are solid having very, very small seed cavities. Combines mildness of flavor, thick, tender meat, good color, and size. Oxheart. 85 days. Prices: Pkt. 15c; 1/4 oz. 40c; oz. 1.15; 1/4 lb. $4.00; lb. $15.00, postpaid.

742 Brimmer The immense fruit measures 10 inches in circumference and weighs pounds. It is pounds all meat; has a few seeds. The flavor is mild, delicate and free from acidity. In many other sorts, vines are luxuriant and healthy; bear loads of fruit right up to frost. 85 days. Prices: Pkt. 15c; 1/4 oz. 32c; 1/2 oz. 63c; oz. $1.00; 1/4 lb. $3.50; lb. $12.00, postpaid.

733 STOKES CROSS* No. 5 A new F2 Tomato Hybrid

This second generation hybrid is distinguished by its vigor, Stokes Cross No. 5 has been bred competitively in all parts of the United States and has been very generally accepted as an introduction of importance. Stokes Cross No. 5 is one of the strongest cropping tomatoes ever introduced. It will mature within 75 days from transplanting 10 days earlier than Rutgers—developing a continuing harvest of highly colored, rich flavored, 8 oz. fruits that are nearly crack-free. It is offered as an important addition to our list. Although bred essentially as a processing tomato, Stokes Cross No. 5 has been found equally profitable on a market tomato. We shall not be surprised to have you report that it will out-produce the open tomato you have ever grown. This seed is sold in the introducer's original package.

Postpaid prices:
Garden packet (approx. 200 seeds)........... $ .50
Trade packet (approx.) 500 seeds................ 1.00
Ounce (approx. 5,000 seeds).................... 5.00
* Registered Trade-Mark.

729 Certified Rutgers Plant vigor and the color, quality and size of the fruit are the prime reasons for the popularity of RUTGERS. The tomatoes are large, solid and meaty and the plants are strongly wilt-resistant. In all respects equal to Marglobe which itself is substantially out-yields. 75 days. Prices: Pkt. 10c; 1/2 oz. 25c; oz. 40c; 1/4 lb. $1.35; lb. $4.50; 2 lbs. $8.75; 5 lbs. $21.25, postpaid.
**Turnips**

"Keep 'em growing year 'round"

**CULTURE:** Sow in drills 18 to 24 inches apart; cover 1/4 inch deep, or sow broadcast. Thin early for any overcrowding will result in rough and poorly flavored roots. 1 ounce of seed will sow 200 feet of row; 1 lb. will sow an acre in drills; 2 lbs. broadcast.

774 **Early White Flat Dutch**

- A splendid salad variety. 46 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 40c; lb. $1.25; 2 lbs. $2.30; 5 lbs. $5.25; 10 lbs. $9.50, postpaid.

779 **Purple Top Strap Leaf**

- A splendid quick-growing egg-shaped variety, with pure white skins. 40 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 40c; lb. $1.25; 2 lbs. $2.30; 5 lbs. $5.25; 10 lbs. $9.50, postpaid.

780 **White Norfolk**

- This variety is for home table use should be pulled when about 2 inches in diameter, but can be grown much larger for stock feeding if desired. Highly recommended for both home gardens and truckers. 55 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 40c; lb. $1.25; 2 lbs. $2.30; 5 lbs. $5.25; 10 lbs. $9.50, postpaid.

785 **White Egg**

- A very early, sweet, fine-flavored variety. 42 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 40c; lb. $1.25; 2 lbs. $2.30; 5 lbs. $5.25, postpaid.

776 **Yellow or Amber Globe**

- The best yellow fleshed turnip for the home garden. 76 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 40c; lb. $1.25; 2 lbs. $2.30; 5 lbs. $5.25; 10 lbs. $9.50, postpaid.

772 **White Milan**

- A very early, sweet, fine-flavored variety. 42 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 40c; lb. $1.25; 2 lbs. $2.30; 5 lbs. $5.25, postpaid.

YEAR ROUND TURNIPS

**FOR SALAD PLANT**

783 **Seven Top**

- Splendid salad variety. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 30c; lb. $1.00; 2 lbs. $1.85; 5 lbs. $4.50; 10 lbs. $8.50, postpaid.

781 **Purple Top White Globe**

- Grown extensively in the South for shipping to Northern markets and the most popular of the old varieties. It is a rapid grower and the skin is white purple at the portion which grows above the ground. The roots are globe shaped and the flesh is pure white. The roots for home table use should be pulled when about 2 inches in diameter, but can be grown much larger for stock feeding if desired. Highly recommended for both home gardens and truckers. 55 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 40c; lb. $1.25; 2 lbs. $2.30; 5 lbs. $5.25; 10 lbs. $9.50, postpaid.

777 **Pomeranian White Globe**

- A large round white turnip that is excellent for table or stock. A heavy yielder of beautiful snowy white roots and the leaves make fine turnip greens. Our strain of this variety carefully selected and uniform. 60 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 40c; lb. $1.25; 2 lbs. $2.30; 5 lbs. $5.25; 10 lbs. $9.50, postpaid.

**RUTABAGAS**

787 **American Purple Top**

- This is a selected strain, which makes much larger and finer roots than the ordinary strains. The flesh is rich and sweet, retains its excellent flavor until late in the spring. Good for table or stock. 88 days. Prices: Pkt. 10c; oz. 15c; 1/4 lb. 40c; lb. $1.25; 2 lbs. $2.30; 5 lbs. $5.25; 10 lbs. $9.50, postpaid.

WEIGHTS
SHIPEMENTS
We are equipped to make prompt shipment except when weather conditions or other reasons beyond our control prohibit, of large or small orders for plants listed on this page during their respective planting seasons as shown following each variety of plants. All plants are produced by skilled growers. Orders for plants received after Thursday will be held until the following week thus avoiding unnecessary delay in delivery over the week-end.

STRAWBERRY PLANTS
February and March Shipment
BLAKEMORE. Best early. 10 days earlier than Massey.
MASSEY. Splendid new midseason variety increasing in use. Size large (50 U. S. Grade 1 Massey's per quart compared to 80 same grade Blakemores) bright red, juicy and firm. Massey is outstanding for quality, beauty and high aroma. Pollen production is abundant and flowers are fully pollinated. This plant is very large and vigorous. 100 plants $2.50; 200 plants $4.50; 500 plants $9.00; 1,000 plants $14.50, postpaid.

NO PLANTS SHIPPED C. O. D.

CABBAGE PLANTS
Shipments November 1 to June 1

CABBAGE is naturally a cold weather plant. Wyatt's Cabbage plants are all produced in the open ground and are extremely hardy. Although we do not guarantee plants against weather or other conditions over which we have no control, we are confident that our plants will stand more severe weather than plants offered by other firms.

EGGPLANTS

Shipments May, June and July

VARIETY: Black Beauty
PRICES: 12 plants 50c; 25 plants 95c; 50 plants $1.50, postpaid. Write for quantity prices.

LETTUCE PLANTS
Shipments September 15 to May 1

The following varieties are recommended as best for late fall and spring planting:

VARIETIES: Imperial, 847, New York or Wonderfull and Iceberg
PRICES: 50 plants 60c; 100 for 95c; 200 for $1.25; 500 for $3.00, postpaid. Not prepaid, 1,000 to 4,000 plants $4.50 per 1,000; 5,000 or more at $4.00 per 1,000. Write for prices on larger quantities.

ONION PLANTS

Shipments November 1 to May 1

VARIETIES: California Wonder (Sweet), Long Red Cayenne (Hot), Malta, French, German, Bermuda, Canary, California Decorator, Demy, Rieff, Long Purple, French Red, Early Jersey Wakefield, Ruby Red, and White
PRICES: 100 plants 75c; 200 for $1.25; 500 for $5.00, postpaid. Write for quantity prices.

PEPPER PLANTS
Shipments May and June

VARIETIES: California Wonder (Sweet), Long Red Cayenne (Hot), Early Jersey Wakefield, Ruby Red, White
PRICES: 12 plants 45c; 50 for 95c; 100 for $1.50, postpaid

The Why and Whereof of Pelleted Seeds:

In the pelleting process, each kind of seed is treated with individual formulas designed for its maximum protection and productivity. The seed is first coated with layers of fungicides to control seed and soil born diseases. Next, a layer of chemical fertilizers is added to supply sufficient material to the plant during the critical stages of sprouting. Finally, a coating of vitamins and hormones in an inert material base assures early and rugged growth. Soil deficiencies are often counteracted by the use of minor elements such as boron or manganese in the pellet.

The increased size of pelleted seeds permits accurate spacing of even the tiniest seeds. Another feature of pelleted seeds is that transplanting is eliminated. This process allows direct garden seeding of usually transplanted tomatoes, cabbage, cauliflower, etc. The time and labor saved here is obvious, and pelleted Seeds can be planted up to two weeks earlier in the season as the seedlings will withstand much lower temperatures than transplants.
VEGETABLE PLANTING CALENDAR

Many otherwise successful gardeners lose months of valuable production because of a failure to realize the cold hardiness of a number of the most popular and productive vegetables. By successive plantings beet, broccoli, cabbage, carrot, chard, kale, mustard, onion, parsley, radish, spinach and turnip (salad or root) can be kept in production, out-of-doors and without protection winter or summer, every day in the year in this isothermal zone.

The planting information shown in the chart on this page is the result of careful preparation and years of actual gardening experience. Planting dates shown for tender varieties are based on the average U.S. Weather Bureau records of the last killing frost in the spring and the first killing frost in the fall in this zone, for the past 50 years.

Throughout our catalog we have endeavored to give the approximate number of days after sowing for all varieties. This information should be helpful, especially in determining the latest safe date to plant tender varieties in the summer or fall, in order to make a crop before frost.

Soil conditions permitting we recommend planting on or immediately after the average date of the last frost in the spring, otherwise spring rains may delay planting days or weeks.

"TESTED SEEDS"

The term "tested seeds" as used in this catalog, and in all of our advertising means that every bag or package of seeds purchased at Wyatt's is supplied from a lot that has been carefully tested by the North Carolina Seed Testing Laboratory and the seeds are known to grow. Every lot of seeds reaching our warehouse is sampled and tested before the seeds are moved into our store for packaging or for sale in bulk. This accounts for the fact that "Wyatt's Tested Seeds" are more and more in demand in North Carolina and in the South.

Plant Wyatt's Tested Seeds and be sure of success.

PRICES

Prices shown on all Seeds, Bulbs, Plants, supplies and materials in this catalog are subject to change at any time. Our catalog must be compiled during the fall months at which time it is impossible to establish prices on all items accurately.

All offerings are without engagement subject to prior sale and the availability of supplies.

LIMITED LIABILITY Job P. Wyatt & Sons Company gives no warranty, express or implied, as to the productiveness of any seeds, bulbs or plants it sells and will not be in any way responsible for the crop. Our liability in all instances, is limited to the purchase price of the seeds, bulbs or plants.

*S. J. Wiese & Sons, Inc.*
To have a healthy garden you must first have healthy soil. Don't waste time, seed and fertilizer on poor soil. Premier Peat Moss, 97% organic, gives your soil loam-like texture, making it more productive. It absorbs 20 times its own weight in moisture...loosens and aerates heavy soil...adds body to light soil...prevents leaching. Water and fertilizer penetrate deeply, feeding the roots as needed.

Remember, your garden can be no better than your soil. Get Premier Peat Moss, with the certified seal.

For new lawns 1 bale should be thoroughly pulverized and mixed in each 100 to 200 sq. ft. of lawn area. Nothing is so beneficial to establish lawns as a bale of peat mixed with 100 pounds of Sheep Manure applied to each 2,000 sq. ft. 3 or 4 times each summer. Peat should also be used liberally in gardens, flower beds and borders, and as a mulch for shrubbery, because of its capacity to hold moisture. Prices: Large Bale 18" x 20" x 39" $4.85; Handy Bale 18" x 14" x 30" $3.75.

ADO Co
Converts grass clippings, weeds, leaves and other non-woody material into valuable compost. Prices: 5 lbs. $1.25; 25 lbs. $3.55, prepaid. Not prepaid, 5 lbs. box $1.25; 25 lb. bag (converts 16 wheel barrows debris) $3.00.

BONE MEAL
Excellent for rose beds, flower beds, garden and field crops, and for top-dressing lawns. Because it is slow acting Bone Meal is used during fall and winter months for spring feeding. Prices: 5 lbs. 85c; 25 lbs. $2.45, prepaid. Not prepaid, 5 lbs. 60c; 25 lbs. $1.75; 100 lbs. $5.50.

LIME
Finely ground agricultural limestone. Use 10 lbs. per 100 sq. ft. to sweeten acid soils. 100 lb. bag 75c. Write for quantity prices.

IRON SULPHATE
Use 1 lb. to 25 sq. ft. to make soils acid for acid loving plants. Mountain Laurel, Rhododendrons, Azaleas, Dogwood, etc. Prices: Lb. 30c; 2 lbs. $0.50; 5 lbs. 85c, prepaid. Not prepaid, 1 lb. 15c; 2 lbs. 25c; 5 lbs. 60c; 10 lbs. $1.00.

Agricultural BORAX
Correct boron deficiency in your soils easily, quickly and economically with BORAX. Use ½ to 1 lb. (no more) per 1,000 sq. ft. especially needed for beets, sweet potatoes, cabbage, alfalfa, soy beans, tomatoes, wheat, where soil is boron deficient. Prices: 25 lbs. $2.70, prepaid. Not prepaid, 25 lbs. $2.90; 100 lb. bag $6.00.
Wyatt’s Lawn Grass Seeds

A smooth green lawn is your home’s greatest beauty asset. Deep, thorough preparation, proper fertilization and good seed are the most important steps toward a successful lawn. Read “10 Steps in Lawn Building,” then select the mixture below, most suited to your needs. The results will please you.

Wyatt's Carolina
LAWN GRASS MIXTURE

F-60. WYATT’S CAROLINA MIXTURE of lawn grass seeds is an improvement on all the better mixtures offered heretofore at comparative prices. Our constant experiments have taught us just what grasses are best suited for eastern and southern states. The finest seeds of these varieties are carefully re-cleaned and blended into our Carolina Mixture so as to give the very best results obtainable. Sow 6 lbs. per 1,000 sq. ft. Prices: 1 to 4 lbs. 75c per lb.; 5 to 24 lbs. 65c per lb.; 25 to 99 lbs. 63c lb.; 100 lbs. or more at 60c lb.

Wyatt's Sunny South
LAWN GRASS MIXTURE

F-59. WYATT’S SUNNY SOUTH MIXTURE. For lighter soils and lands that become extremely dry, and in locations subjected to extreme heat during the summer months Wyatt’s Sunny South Mixture of lawn grasses is recommended. The grass varieties used on golf greens over the entire South predominate in this mixture. Only the purest seeds are used. Sow 6 lbs. per 1,000 sq. ft. Prices: 1 to 4 lbs. 70c per lb.; 5 to 24 lbs. 65c per lb.; 25 to 99 lbs. 63c lb.; 100 lbs. or more at 60c lb.

Wyatt's Shady Nook
LAWN GRASS MIXTURE

F-61. WYATT’S SHADY NOOK LAWN GRASS. A carefully blended mixture of exclusively perennial grasses best adapted to shaded situations. Use 6 lbs. per 1,000 sq. ft. These shade-ideal varieties are seriously injured by close mowing during warm dry weather, particularly during their first 2 or 3 seasons. We recommend they be allowed to go un-cut during the summer, June through September, until well established. Where the soil is acid from poor drainage or dripping from trees, occasional applications of agricultural lime should be made at the rate of 5 lbs. per 100 sq. ft. Prices: 1 to 4 lbs. 85c per lb.; 5 to 24 lbs. 80c per lb.; 25 to 99 lbs. 77c lb. 100 lbs. or more at 73c per lb., prepaid.

Wyatt's Shady NooK No. 2

No. 58. For those who want a lower cost Shady mixture we have added annual Ryegrass to our regular Shady Nook offered above. Prices: 1 to 4 lbs. 75c per lb.; 5 to 24 lbs. 65c per lb.; 25 to 99 lbs. 63c per lb.; 100 lbs. or more at 60c per lb.

F-62. RYE GRASS (Annual) The quickest germinating and fastest growing grass for lawn use. May be seeded any month and will germinate and produce a green lawn until killed by warm weather. Sow 10 lbs. per 1,000 sq. ft. Prices: 1 lb. 40c; 5 lbs. $1.25; 10 lbs. $2.70; post-paid. Not prepaid 10 lbs. $1.80; 25 lbs. $4.00; 100 lbs. or more at 34c lb.

F-63. WHITE DUTCH CLOVER. A most dependable lawn subject. Stays green almost the year round, and if limed and fertilized it improves the soil and serves as a nurse crop for grasses. Sow 1 lb. per 1,000 sq. ft. Prices: 1 lb. $1.00; 5 lbs. $4.75; 10 lbs. $8.75; post-paid. Not prepaid 10 lbs. $13.50; 25 lbs. $32.50; 100 lbs. or more at $1.25 per lb.

Ten Steps in Lawn Building

1. Break or plow deep, with subsoil or similar plow to prevent burying top soil—then level or grade as needed.
2. Apply the equivalent of 3 heavy, green cover crops or 2 inches weed free manure or both if available.
3. Apply lime as needed up to 50 lbs. per 1,000 sq. ft. and fertilize 40 lbs. per 1,000 sq. ft.
4. Pulverize and smooth surface.
5. Seed 6 lbs. Carolina, Sunny South or Shady Nook mixture per 1,000 sq. ft., between September 1 and March 1.
6. Soak thoroughly but slowly to avoid moving seeds. Keep moist until grass is up. Soak occasionally during dry periods.
7. Mow Bermuda and ryegrasses close and often; Blue grasses and fescues no closer than 2 inches nor more often than necessary, particularly during hot, dry seasons.
8. Compost clippings with liberal amount of sand and return to lawn in light applications as mulch during summer.
9. Feed at 8 weeks intervals, with 20 to 40 lbs. per 1,000 sq. ft., high grade fertilizer or 50 to 100 lbs. per 1,000 sq. ft. sheep manure, or both. Always sprinkle after feeding.
10. Apply additional seeds as needed with regular feedings.
Wyatt’s All-American Winners and Special Novelties
For the Modern Flower Garden

1908 Petunia, Fire Chief
A brilliant scarlet red, an entirely new color in this class. It is about a foot high with rich, medium green foliage, freely branched but strong and upright. They hold the bright color without perceptible fading. Growth also holds up without spreading or flopping over late in the season. Fire Chief is the First Gold Medal winner in 11 years and the only A.A.S. flower winner for 1950. Awarded more points than any other A.A.S. winner in any year. Pkt. 25c; 3 pkts. 62c.

1127 Aster, Princess
Finest Mixed. The flowers are borne on long stems, have crested centers that remain full when flower is completely open, surrounded by multiple rows of guard petals. Fine for home gardeners because of high wilt resistance. Plants 2 to 2½ feet tall, branching habit, blooms in late August. Pkt. 25c; ½ oz. 90c; ¼ oz. 96c.

1913 Petunia, Glamour
Honorable mention A.A.S. 1942. Truly one of the loveliest Petunias we have ever grown. The flowers range from 4 to 5 inches across; they are artistically waved and ruffled, and the color is a beautiful salmon rose with golden veining on the white throat. Brilliant in the garden and glorious under artificial light. It is continuously in bloom and is the object of much admiration wherever grown. Pkt. 25c; 3 pkts. 62c.

2144 Tithonia, Torch
A quick growing dwarf annual, only waist high, easy to grow as a zinnia. Brilliant orange-scarlet flowers resembling a single Dahlia. Fine for cutflower or garden. All-America selection top winner for 1951. Pkt. 25c; 3 pkts. 40c.

REGAL LARKSPUR
With its tremendously long thick spikes and Delphinium-like flowers, our Regal Larkspur suits critical florist standards, yet these same features make it a superb performer in the home garden. Basal branching, tall and early.

1931 REGAL ROSE. Rich rose.
1932 REGAL DARK BLUE. Very deep violet blue.
1933 REGAL WHITE. Pure white.
1934 REGAL PINK. Brilliant pink or salmon.

1807 Morning Glory, Darling
This new morning glory is rich wine-red with a snowy-white throat that provides enough contrast to make the flowers "stand out" immediately. When in full bloom, Darling is a very showy sight. Pkt. 25c; 3 pkts. 62c.

1754 Marigold, Red Head (All-America Selection in 1948.) The most interesting of all the recent introductions in dwarf single marigolds. Petal color is mahogany when flowers first open, changing to auburn and later to bronze. The crested center is composed of small upright petals, gold edged with maroon. Blooms begin early and continue throughout the summer. Plants are dwarf and compact. Pkt. 10c; 3 pkts. 25c.

1844 Nierembergia
Purple robe. A new All-American Selection, deep violet-purple. Pkt. 25c; 2 pkts. 40c.
Wyatt's
RUST PROOF
Antirrhinums
(Snapdragons)

In keeping with the progress made by the world's leading seed hybridists, we offer only RUST PROOF SNAPDRAGONS throughout. The resistance of these new Snapdragons to wilt will enable millions of fanciers to grow this most colorful flower with ease. The varieties listed below are selected for their great beauty as well as their strong resistance to wilt. Plant early giving protection, setting the plants 1 foot apart in the open when the ground is warm.

SNAPDRAGONS

1053 ALASKA (Rustproof). A beautiful, pure white Snapdragon, extremely popular with florists where size, height and form are so necessary. 3 feet. Pkt. 10c; ½ oz. 65c.

1054 COPPER QUEEN (Rustproof). A beautiful bronzy copper blending to antique gold at the nose. Pkt. 10c; ½ oz. 65c.

1055 CAMPFIRE (Rustproof). A new color in Snapdragons. A clear luminous scarlet, free of orange. The yellow lip seems to add brilliance to the clear color of the flower. 3 feet. Pkt. 10c; ½ oz. 65c.

1056 LOVELINESS (Rustproof). The finest pure soft rose pink variety. 3 feet. Pkt. 10c; ½ oz. 65c.

1058 CANYARY BIRD (Rustproof). Large, clear canary yellow flowers crowded on the tall strong stems. A vigorous grower and a good variety in every respect. 3 feet. Pkt. 10c; ½ oz. 65c.

1060 GIANT-FLOWERED MIXED (Rustproof). A mixture of lovely colors in a flower famed above all else for its coloring. Where else does one find such color? Pure colors and combinations of white, pinks, yellows, reds, bronze, orange, copper and many others. 3 feet. Pkt. 10c; ½ oz. 65c.

1059 SEMI-DWARF MIXTURE (Rustproof). This is a nice mixture of the most popular colors in the Semi-Dwarf group. Plants grow 1½ to 2 feet tall. Pkt. 10c; ½ oz. 25c.

Wyatt's TETRA SNAPS

Giant Tetraploid Snapdragons

1061 Giant Mixed Tetra Snaps is the most satisfactory factory outdoor Snapdragon offered today. Being a tetraploid, it is a vigorous grower, almost never "crippled" with rust. Blooming size plants are tall, but with finger-thick stems that keep the spikes erect and the tips straight. Flowers are huge, mostly ruffled, and stay on the stem so that 12" flower spikes are usual. Colors cover the full range, with a majority of flowers richly veined. Pkt. 10c; 3 pkts. 25c; ½ oz. $1.25.

Sweet Alyssum

Alyssum can be planted nearly every month in the year in the south and will bloom profusely until killed. It takes a hard freeze to kill Alyssum.

1017 CARPET OF SNOW. Very dwarf and compact, literally covered with white flowers. Undoubtedly the best for window boxes. Height 6 inches. Pkt. 10c; ½ oz. 35c; oz. $1.00.

1018 LITTLE GEM. Blooms in 3 to 6 weeks. Best variety for edging. Compact plants 4 inches high. Very hardy. Border all of your beds with Alyssum. The effect will please you. Pkt. 10c; ½ oz. 35c; ¼ oz. 65c; oz. $1.00.

1019 VIOLET QUEEN. A beautiful rich violet. Free flowering. Very dwarf. Pkt. 10c; ½ oz. 35c; oz. $1.00.

1022 LITTLE DORRIT. White. Very dwarf, compact plants growing only 3 inches high. Valuable for formal borders. Pkt. 10c; ¼ oz. 35c; ½ oz. 65c.

Wyatt's Snapdragon Collection

1 packet each of the 3 choice named varieties. Value 50c all for 46c, postpaid.

AGERATUM, Floss Flower

(For Beds or Borders)

An annual plant, growing about a foot high and covered all summer with close fluffy heads of bloom of a pretty shade of blue.

1011 BLUE PERFECTION. Deep amethyst blue brush-like flowers that do not fade and bloom from early summer until frost. Height 9 inches. A wonderful bedding plant. Pkt. 10c; 3 pkts. 25c; ¼ oz. 40c.

1014 PURPLE PERFECTION. Vigorous, compact plant covered completely with dense masses of fuzzy rich purple flowers. Pkt. 10c; 3 pkts. 25c.

1013 Midget Blue The little plants grow 2 to 3 inches high and they are practically covered with true blue flowers. This is really the first dwarf Ageratum that we have found that will come uniformly dwarf and true to color from seed. This dainty little plant won a silver medal in 1939 All American Trials. Pkt. 10c; 3 pkts. 25c.

Amaranthus

These plants grow 2 to 3 feet tall and have ornamental foliage as well as flowers. The seed is very fine, but grows readily if kept moist. Can be readily transplanted. Do not cover seed over a quarter of an inch. Hardy annual.

1061 Antirrhinum, Tetra Snap

1013 Ageratum, Midget Blue

1007 Dimorphotheca. Beautiful and showy annual about 12 inches high and producing a wealth of flowers in a beautiful shade of indigo blue so rarely found. Anchusa thrive in any soil and are of the easiest culture. Pkt. 10c; 3 pkts. 25c.

ANCHUSA

1036 Blue Bird This is the attractive new annual Anchusa. The compact plants grow 20-24 inches tall producing a wealth of flowers in a beautiful shade of indigo blue so rarely found. Anchusa thrive in any soil and are of the easiest culture. Pkt. 10c; 3 pkts. 25c.

AFRICAN DAISY

1097 Dimorphotheca. Beautiful and showy annual about 12 inches high and producing a wealth of flowers in a beautiful shade of indigo blue so rarely found. Anchusa thrive in any soil and are of the easiest culture. Pkt. 10c; 3 pkts. 25c.
CALIFORNIA SUNSHINE ASTERS
1149 MIXED. The flowers exhibit all the grace and beauty of the single Aster greatly enhanced by a cushion center of tiny quills of a contrasting color. Every garden-lover who wants fine flowers for cutting should have this. Pkt. 10c; 3 pkts. 25c.

PRINCESS ASTER
1127 FINEST MIXED. The flowers are borne on long stems, have crested centers that remain full when flower is completely open, surrounded by multiple rows of guard petals. Fine for home gardeners because of high wilt resistance. Plants 2 to 2 1/2 feet tall, branching habit, blooms in late August. Pkt. 25c; 1/2 oz. 50c; 1/4 oz. 90c.

ARCTOTIS
1084 Hybrids Mixed. One of the finest bordering plants. It has large daisy-like flowers with gray-green foliage. These plants are perennial in warm climates but they will flower the first season. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

BRANCHING OR INVINCIBLE ASTERS
Plants are of healthy robust, branching growth, about 2 feet high—though under best culture often 3 feet—producing, on long stems, massive Chrysanthemum-like flowers of perfect form and graceful outline, and are exceedingly double to the very center.

1098 Deep Blue. 1099 Shell Pink. 1102 Scarlet. 1103 White. 1106 Azure Blue. Any above colors. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

1112 COLLECTION. One packet each of the 5 separate colors for 35c.

1119 INVINCIBLE MIXED ASTERS. All colors, a choice mixture. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 60c; 1/2 oz. $1.00.

Wyatt’s Wilt Resistant Asters

The perfection of wilt-resistant strains of Asters will bring joy to millions. In many parts of the country the growing of this most lovely of flowers has been almost impossible. But now, they’re easy to grow anywhere. You can grow them in your own garden with ease and enjoy their delicate shades, exquisite form, long graceful stems for cutting and their charming flowers in the garden. Wyatt’s Wilt-resistant seeds need only to be sown 1/4 inch deep in a well prepared bed or box of soil in full light and where an even and very light moisture can be maintained. The small plants should be transplanted to 3 inches apart when several leaves have formed and when 2 inches tall, set into the garden 12 to 15 inches apart.

SUPER GIANT ASTERS
1131 El Monte. The huge flowers, unusually heavy, non-lateral, have branching stems and are produced quite early, beginning in August and continuing until late in September. Deep glowing crimson blooms composed of daintily interlaced, plume-like petals. Pkt. 10c; 3 pkts. 25c.

1132 Los Angeles. Pure shell pink, fla Petaled, deep featherly flowers with gracefully interlaced petals. Pkt. 10c; 3 pkts. 25c.

QUEEN OF THE MARKET ASTERS
These well-known, early flowering Asters are of branching habit, about 20" high. They are most useful for early market purposes, with long stems for cutting flowers.

1151 BALLET QUEEN. Fancinating shade of deep salmon rose; flowers generously borne on plants 13" to 20" high. Unsurpassed for border work and cutting. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 40c.

1156 QUEEN OF THE MARKET MIXED. Very early flowering and of branching habit. Double flowers mixed colors. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 50c.

BALSAM (Lady’s Slipper)
A half-hardy annual of easiest culture. Prefers a rich soil and plenty of water. For early bloom start seed in a cold frame in April. One of the old-time favorites. Balsam still deserves a place in your garden. Height 2 feet. Pkt. 10c; 1 oz. 90c.

1118 WYATT’S CHOICE DOUBLE MIXED. All colors Pkt. 10c; 3 pkts. 25c; 1/2 oz. 50c.

BEGONIA
1190 SEMPERFLORENS MIXED. Ase from being attractive pot plants, begonias are valuable as bedding flowers, thriving in shade or sun if ample moisture is provided. This is a splendid mixture of green and bronze leaved varieties. Pkt. 25c.

BRACHYCOME
(Swan River Daisy)
1210 MIXED. Free-flowering, dwarf, much-branched mounding plants, popular during the greater part of the summer with a profusion of pink or white flowers, suitable for edging, small beds or pot culture; 8 inches. Pkt. 10c; 1/2 oz. 25c.

CACTUS
1225 MIXED. These interesting desert plants assume a great variety of characteristic forms. They are usually spiny and leafless. Pkt. 25c.

CALENDULA (Pot Marigold)
One of the best and showiest free-flowering hardy annuals growing well in any garden soils. They make fine cut flowers, attractive beds and borders and bloom profusely.

CALIFORNIA POPPIES
Eschscholtzia
It flowers early and, where the weather remains cool keeps on blooming until October. The plants are particularly well adapted for beds or borders. They are dwarf and spreading growing about a foot tall, with gayly colored flowers of a satiny finish.

1351 ORANGE. Flaming orange flowers. Pkt. 10c.

1600 CHOICE MIXTURE. A well balanced mixture of all varieties and colors. Pkt. 10c; 1/2 oz. 25c; oz. 50c.

1601 SEMI-DOUBLE MIXED. Pkt. 10c; 3 pkts. 25c.

1241 ORANGE SHAGGY. A new and delightful addition to the Calendula family. Hardy enough to withstand February planting. The flowers are nicely fringed and are a rich orange, shading lighter toward the center. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 45c.

1233 CAMPFIRE. Of vigorous growth, the flowers are borne on stout stems. The blooms are flat, and are undoubtedly larger than those of any type previously introduced. The color of the petals is brilliant orange with a scarlet sheen, with full yellow center. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 45c.

1238 LEMON QUEEN. Large sulphur yellow flowers. Pkt. 10c; 1/2 oz. 25c.

1237 ORANGE KING. Large, full double, orange-red flowers. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 45c.

1240 MIXED COLORS. Double sorts. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 45c.
CANDYTUFT

This is another of the old-fashioned favorites that still holds its place in the gardens of today. It can be sown outside right where it is to bloom. 1264 CRIMSON. Pkt. 10c; 3 pkts. 25c. 1265 ROSE. Pkt. 10c; 3 pkts. 25c. 1267 LILAC. Pkt. 10c; 3 pkts. 25c. 1269 WHITE. Pkt. 10c; 3 pkts. 25c.

Collection: 1 packet each of the above colors of Candytuft. The 4 packets, value 40c, for 50c.

Order Collection 1271

1270 CANDYTUFT MIXED. A choice mixture of all colors. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 25c; oz. 50c; 1 lb. 250c.

1273 GIANT WHITE HYACINTH FLOW-ERED. Immense trusses of pure white flowers, often 6 inches long. The largest of all Candytuft. Plants well branched, excellent for cutting. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 40c.

CAMPANULA ANNUAL

(Anemone Bells)

1312 MIXED. A new annual Canterbury Bell which blooms from seed in less than six months. Plants 2-2½ feet, bearing 0-flower spikes. Pkt. 10c; 1/4 oz. 35c.

CARNATIONS

1320 MARGUERITE MIXED. These carnations will bloom the first year from seed, which should be sown in a hotbed in March or April, or outdoors in May. The blossoms are large, deliciously scented and rival even the greenhouse Carnation for cutting. They bloom in about 4½ months from time of sowing. They can also be used for blooming in the greenhouse through the winter. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 35c.

CARDINAL CLIMBER

1329 HYBRIDA. One of the most beautiful climbers. A rapid grower, it reaches a height of 25 or 30 feet in a season. The flowers are trumpet-shaped and are a rich cardinal-red and bloom until frost. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

CELOSIA (Cockscomb)

Free blooming, very showy annuals that can be cut and dried for winter bouquets.

1350 CHRISTATA DWARF MIXED. Height 1 foot. Pkt. 10c; 3 pkts. 25c.

1340 PLUMOSA FINEST MIXED. Height 3 feet. Pkt. 10c; 3 pkts. 25c.

1349 WOOLFLOWER MIXED. Pkt. 10c; 3 pkts. 25c.

CLARKIA

1425 DOUBLE MIXED. Clarkia is one of our easiest grown annuals, developing to perfection in a cool climate. The plants grow quickly and are in full bloom from 5 to 6 weeks after sowing. Contains rose, purple, white, salmon, and yellow. A fine garden flower and good for cutting. Pkt. 10c; 3 pkts. 25c; oz. 75c.

CLEOME (Spider Lily)

1460 PINK QUEEN. Huge bright salmon-pink flowers from early summer until late fall. As the petals fall, they are succeeded by long pods suspended on long wiry stems 3 to 4 feet. Pkt. 10c; 3 pkts. 25c.

COLEUS

1470 MIXED. Coleus may be planted outdoors in well-prepared beds or may be grown as a pot-plant. Requires plenty of sunlight. The mixture contains an assortment of different types and different colors. Pkt. 35c.

CHrysanthemums

1410 CARINARIUM DOUBLE ANNUAL MIXED. A beautiful blend of varied colors. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 35c.

1420 CARINARIUM MERRY MIXTURE. This improved mixture of the Single Annual Painted Daises offers a wider choice of brighter, more varied colors. It grows easily in a variety of climates, to bedding height, and produces quantities of flowers with good cutting stems. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

1440 SEGETUM SINGLE ANNUAL MIXED. These flowers are beautifully zoned or ringed with multi-colored bands that are most unusual. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

Centaurea

BACHELOR'S BUTTON, RAGGED SAILOR, RAGGED ROBIN, OR CORNFLOWER

1364 RED BOY. Double deep red. Pkt. 10c; 1/4 oz. 35c.

1366 DOUBLE PINKIE. An exceptionally fine strain of deep rose pink Bachelor Button. Pkt. 10c; 1/4 oz. 35c; oz. 70c.

1367 DOUBLE BLUE. A very old favorite garden annual, flowering freely in almost any situation. Height 2 to 3 feet; largely used for cut flowers. Pkt. 10c; 1/4 oz. 35c; oz. 70c.

1368 JUBILEE GEM. An All-America selection of 1937 Jubilee Gem is outstanding because of the number of flowers of deep clear blue borne on each plant. Popular in pots, in the border, beds, rock garden or cutflower garden, it prefers semi-shade; will do well in almost any soil and is extremely easy to grow. 1 foot. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 40c.

1369 SNOW MAN. Double pure white. Pkt. 10c; 1/4 oz. 35c.

1370 DOUBLE MIXED COLORS. Produces large globular heads of flowers filled up to the center with florets. Pkt. 10c; 1/4 oz. 25c; oz. 60c.

1380 SWEET SULTAN. The finest of all Sweet Sultans for cut flower purposes. Pkt. 10c; 1/4 oz. 35c; oz $1.00.

1371 CANDIDISSIMA (Dusty Miller). A very attractive border plant of compact growth. 15 inches tall, grown for its showy leaves which have a waxy surface of a bright silvery color. The blooms are golden yellow. Pkt. 10c; 3 pkts. 25c.

1372 GYMNOCARPA. Fine for bedding, borders and hanging baskets. Gracefully drooping with bright silver foliage. Pkt. 10c; 3 pkts. 25c.

Cynoglossum

(CHINESE FORGET-ME-NOT)

1524 FIRMAMENT. Firmament has typical Forget-Me-Not flowers of a rich blue color. It is an easy to grow hardy annual. Has a bushy habit and it grows to a height of 18 inches. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 60c.

1522 AMARILIS BLUE. Most attractive rich blue, flowers in profusion from June to September. A most valuable plant for hot dry situations. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

1523 PINK. Plants similar to the blue with bright pink flowers. Pkt. 10c; 1/4 oz. 25c.

Cypress Vine

1530 MIXED. A dainty, lacy vine of rapid growth producing small trumpet shaped red and white flowers in profusion. Very effective where a screen is desired. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

1440 Chrysanthemum, Carinarium Mixed

1460 Cleome, Pink Queen

1470 Coleus, Mixed
Cosmos

Cosmos should be sown in spring in the open ground where winter rain has fallen, or the seed may be started, under cover and afterwards transplanted. Plant not less than 18 inches apart in rows or in masses in beds. When the plants are about a foot high the tops should be pinched out to induce a bushy growth.

**EXTRA-EARLY GIANT SENSATION**

1489 DAZZLER. The well-formed broad-petaled blooms are an appealing deep crimson. Pkt. 10c; 1/2 oz. 50c.
1491 PINKIE. A lovely beautiful light pink. Pkt. 10c; 1 oz. 50c.
1492 PURITY. Exquisite white blooms. Pkt. 10c; 1/2 oz. 50c.
1493 RADIANCE. Top award winner for 1948. A striking new color combination never before seen in Sensation Cosmos. It has deep rose petals overlaid with large well-defined zone of rich crimson. Pkt. 15c; 2 pkts. 25c; 1/2 oz. 60c.
1494 SENSATION MIXED. The surprisingly large pink, red and white flowers sometimes reach 4 to 5 inches across. Pkt. 10c; 1/2 oz. 40c.

**EARLY FLOWERING COSMOS**

This early flowering strain begins blooming in June, and from that time until frost the plants are a mass of flowers. The flowers average 3 inches across. 1479 INTERLUDE. A lovely small form with double fringed flowers of butter yellow color. Pkt. 10c; 1 oz. 50c.
1486 PINK Zephyr. Pkt. 10c; 1/2 oz. 50c.
1487 CRIMSON. Pkt. 10c; 1/2 oz. 50c.
1488 GAILLARDIA SPECIAL MIXED. All colors. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 50c.

**HYBRIDA EARLY CLONDYKE**

1480 ORANGE FLARE. Beautiful glittering gold flower gracefully borne on long wiry stems. The foliage is lacy and a rich green. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 50c.
1481 YELLOW FLARE. The flowers are bright yellow with faint, almost unnoticeable darker golden shading. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 50c.
1490 WYATT'S SINGLE LATE MIXED. The late Cosmos do not come into bloom until early autumn but they remain in bloom much longer than the ordinary early cosmos. The flowers are large and our mixture contains all of the bright colors. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 50c.
1500 Double Crested Early Mixed. A bright colored mixture of large flowering, double cosmos. Very attractive for border planting in masses, producing an unusually bright color effect all summer, as a limitless supply of cut flowers. Pkt. 10c; 3 pkts. 25c; 1 oz. 40c.

**DAHLIAS**

1533 DOUBLE MIXED. Choice mixture of double cactus dahlias. You can grow your own dahlias from seed. Packet 10c; 3 pkts. 25c; 1/2 oz. 50c.
1534 SINGLE MIXED. A mixture of single dahlias that will bloom the first year if seed is sown early. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 50c.

**EUPHORIA**

(SNOW-ON-THE-MOUNTAIN)

1605 VARIEGATA. Small flowers beautifully set off by the leaves which are marked with broad white bands on a rich green ground. Grows 2 feet tall, fine for beds and borders. Now when to bloom as the plant is resent transplanting. Pkt. 10c; 3 pkts. 25c.

**DIDISCUS**

(BLUE LACE FLOWER)

1556 CRIBULUS. Beautiful, large, lace-like flowers, of a lovely delicate azure-blue, gracefully poised on long stems. Sow in the hot-bed in March and outdoors in May again in June, and you can cut flowers until frost. Pkt. 10c; 3 pkts. 25c.

**Dianthus**

HARDY PINKS

The hardy Dianthus, or Pinks, as they are more popularly known, deserve more attention by southern gardeners. The plants are rugged and dependable, being almost sure to grow and bloom in almost any situation. They prefer a well drained situation where the sun reaches them most of the day. Pinks bloom continuously over a long period producing a bright display in the garden and are excellent cut flowers with their delicate spicy fragrance.

1550 CHINENSIS SINGLE MIXED. Bright, cherry, single flowers in combinations of reds, whites and pinks. Fragrant, hardy and dependable. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 50c.
1560 CHINENSIS DOUBLE MIXED. These large flowering double pinks very strongly resemble the large double carnations which are members of the same family. Very hardy and free flowering. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 50c.
1551 LACINIATUS SINGLE GAILIETY MIXED. Well-formed single flowers with laciniated petals. Includes many bright self-colors as well as bi-colors, edged, spotted and eyed varieties. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 40c.

**FUCHSIA**

Culture: Germinate in sterile soil or vermiculite, covering with 1/16" sand or peat moss, at 63° F. Treat with Semean if soil is used. Keep moist but not wet. Transplant into sandy loam mixed with leaf mold. Feed weak liquid fertilizer.

1615 DOUBLE AND SINGLE MIXED. Well known pot and greenhouse plant. Very decorative for window boxes. Sow seed in hotbed in February or March. Pkt. 15c.

**Wyatt's Gailardias**

(Blanket Flower)

Annual Gailardias are especially fine for beds, borders and for cutting. Their brightly colored blooms give a glorious display from July until September. The plants are 12 inches tall. Every gardener should give this easily grown annual a trial.

1618 DAZZLER. Large rich red single flowers with contrasting orange tips. Pkt. 10c; 3 pkts. 25c.
1620 DOUBLE MIXED. Contains white, yellow, and red properly blended. Fine for beds and borders. Blooms profusely until frost. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 40c.
1625 SINGLE FINE MIXED. Includes many bright and showy colors. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 50c.

**Gerbera**

(Transvaal Daisy)

They are usually grown as greenhouse or window plants where they flower continuously. The Daisy-like blossoms, 3 to 4 inches across are borne on 12-inch stems.

1643 New Hybrids Gerbera. An infinity of tints, from pure white through yellow, orange, salmon, rose, cerise and ruby-red to violet are represented. Sometimes the coloring of the disk differs from that of the rays. Pkt. 25c; 2 pkts. 40c.

**Comphyrena**

(Globe Amaranth)

1656 MIXED. Attractive, clover-like straw yellow flowers with pink blushed and brown tones. The plants grow 2 feet tall and bloom from mid-summer until frost. The individual flowers are 1/4 inch across. Pkt. 10c; 3 pkts. 25c; 1/2 oz. 40c.
1660 Gours, Ornamental Mixed

**Gours**

**(ORNAMENTAL)**

Annual climbers that form curiously shaped fruits on vines 10 to 20 feet high. Sow the seed like you would squash or cucumber in hills 3 feet apart and allow 3 plants to grow in each hill. Useful for covering arbors, fences or stone walls.

1657 **DIPPER OR CALABASH.** Pkt. 10c; oz. 25c.

1660 **ORNAMENTAL MIXED.** This surprise mixture embraces many small-fruited varieties. Pkt. 10c; 3 pkts. 25c; oz. 35c.

1662 **HERCULES CLUB.** Club-shaped. Pkt. 10c; ½ oz. 25c.

1663 **NEST EGG.** Pkt. 10c; ½ oz. 25c.

1664 **ORANGE.** Orange color and shape. Pkt. 10c; ½ oz. 25c.

16601 **PEAR.** Striped, green and white. Pkt. 10c; ½ oz. 25c.

16606 **APPLE SHAPED.** Early, beautifully striped. Pkt. 10c; ½ oz. 25c.

16607 **LARGE MIXED.** This mixture contains a wide assortment of shapes and colors. Pkt. 10c; 3 pkts. 25c; oz. 35c.

**GEUM**

1646 **MRS. BRADSHAW.** Orange-red 1½ feet high. Pkt. 10c; 3 pkts. 25c.

1647 **LADY STRATHEDEN.** Golden yellow. 1½ feet. Pkt. 10c; 3 pkts. 25c.

**GYPSOPHILA  
(BABY’S BREATH)**

Pretty free flowering plants of easy culture; excellent for cutting to mix with other flowers.

1665 **CARMINEA.** Deep Carmine. Pkt. 10c; 3 pkts. 25c.

1667 **ELEGANS ALBA GRANDIFLORA.** A splendid annual variety; sprays of pure white flowers. Pkt. 10c; 3 pkts. 25c.

1666 **PANCICULTA.** (Hardy Baby’s Breath) White. 3 feet. Pkt. 10c; 3 pkts. 25c; ½ oz. 35c.

1666 **DOUBLE.** A new type bearing in profusion double white flowers which last long in perfection. Pkt. 25c.

---

**Hollyhocks**

**(PERENNIAL)**

1681 **HOLLYHOCK.** Double Newport pink. Pkt. 10c; 3 pkts. 25c; ½ oz. 35c.

1682 **HOLLYHOCK.** Double Scarlet. Bright red. Pkt. 10c; 3 pkts. 25c; ½ oz. 35c.

1683 **HOLLYHOCK.** Double Yellow. Pkt. 10c; 3 pkts. 25c; ½ oz. 35c.

1684 **HOLLYHOCK.** Double Salmon Rose. Pkt. 10c; 3 pkts. 25c; ½ oz. 35c.

1685 **HOLLYHOCK.** Double Maroon. Very dark red. Pkt. 10c; 3 pkts. 25c; ½ oz. 35c.

1686 **HOLLYHOCK.** Double White. Pure white. Pkt. 10c; 3 pkts. 25c; ½ oz. 35c.

1688 **HOLLYHOCK. Special Collection.** 1 packet each of the above 6 separate colors of Double Hollyhocks. A 50c value for 40c.

1690 **HOLLYHOCK.** Wreath. Special Mixture of Double Hollyhocks. Pkt. 10c; 3 pkts. 25c; ½ oz. 35c.

**ANNUAL HOLLYHOCK**

1693 MIXED. A wide range of beautiful colors with single, semi-double, and double blooms. Plant early in the spring. Grows 4 to 5 feet. Pkt. 10c; ½ oz. 35c; ¼ oz. 50c.

---

**1692 Indian Spring**

**Indian Spring** is one of the loveliest summer annuals. It blooms in less than three months. This species has a colorful display of semi-double to double fringed flowers for several weeks after the blooms. While pink predominates, varia-
tions include yellow, white, and red. A seed from a little pink to an almost crimson rose shade. Pkt. 10c; 3 pkts. 25c; ½ oz. 35c.

**HELIANTHUS**

1677 **MIXED.** Always popular on account of its delightful fragrance. The seed is rather slow in starting and best before growing 4 to 5 or in a hotbed. While it is a perennial, it will not stand any frost, and it is therefore started afresh each year unless one cares to remove the plants to the greenhouse before frost comes. Pkt. 10c; 3 pkts. 25c.

**HELICHRYSUM**

(Sunflower)

1675 MIXED. Helichrysums are an ornament to the garden when growing and are everywhere prized for the winter decoration of vases, and for durable bouquets. Flowers intended for drying should be gathered when partially un-
folded and suspended with their heads downward in a cool place. Pkt. 10c; 3 pkts. 25c.

**HYACINTH BEAN**

(Vine)

1700 MIXED. Rapid annual climber with large pea-shaped blossoms, later developing into broad purple or white beans. Height 10 feet. Pkt. 10c; oz. 25c.

**TULIP POPPIES**

(Hunnemania, Fumarilolia)

1694 SUNLITE. A semi-double variety of this brilliant annual that was introduced in 1934 and received an Award of Merit in the All-America selections. The name describes the color. Pkt. 10c; 3 pkts. 25c.

**KOHCHIA**

(Summer Cypress)

1706 **CHILDSI.** A remarkable annual, producing dense, rounded plants with fine green leaves and growing to a height of three feet. The foliage changes to a reddish shade toward fall. Fine for a hedge or to outline the garden. Pkt. 10c; 3 pkts. 25c; oz. 40c.

---

1661 Hollyhocks, Double Newport Pink

**LANTANA**

1710 HYBRIDA MIXED. Very desirable for bedding and window boxes. Start the seed early in the cold frame for best results. Colors include red, orange, cream, salmon, pink and gold. Pkt. 10c; 3 pkts. 25c; ½ oz. 35c; oz. $1.25.

**LAVENDER**

1736 **MUNSTEAD STRAIN.** True, lovely, sweet-scented, blue flowers often dried for use in the linen closet. Perfectly hardy everywhere. The plants grow about 2 feet tall and bloom during August. Pkt. 10c; 3 pkts. 25c.

**LUPIN**

Few annuals give such a glorious display in the garden as Lupins. The plants produce a great quantity of long-stemmed flower-spikes, and are in full bloom from July until August. Plant in lime-free soil which is modernly moist.

1749 **RUSSELL’S STRAIN.** Thickly set well-rounded spikes of the most beautiful colors. Blues, pinks, yellows, reds, maroon, purple and others. The plants grow 3 to 5 feet high with numerous flower spikes measuring 15 to 20 inches in length. Pkt. 10c; 3 pkts. 25c; ½ oz. 35c.

1750 **GIANT KING MIXED.** This mixture contains a well-balanced assortment of all varieties of Annual Lupins. Pkt. 10c; 3 pkts. 25c; ½ oz. 60c.

1667 Gypsophila Grandiflora

1691 Gours, Ornamental Mixed

1749 Lupins, Russell's Strain
**Wyatt’s Larkspur**

**THE 2 FINEST STRAINS IN CULTIVATION**

These magnificent strains of Larkspur bring enthusiastic expressions of warm praise from everyone. It is indeed hard to imagine finer Larkspurs than were supplied by us last year, some gardeners reporting spikes 7 feet high and blooms many times larger than usual. Giant Imperial Larkspur is equally as hardy as the older strains and can be sown out of doors during the fall or spring with success. Prepare beds with light application of lime. Fertilize with thoroughly rotted manure and Bone Meal.

**REGAL LARKSPUR**

With its tremendously long thick spikes and Delphinium-like flowers, our Regal Larkspur suits critical florists and standards, yet these same features make it a superb performer in the home garden. Basal branching, tall and early.

- **1731 REGAL ROSE.** Rich rose.
- **1732 REGAL DARK BLUE.** Very deep violet blue.
- **1733 REGAL WHITE.** Pure white.
- **1734 REGAL PINK.** Brilliant pink or salmon.
- **1735 REGAL MIXED.** Pkt. 15c; 2 pkts. 25c; ½ oz. 50c; ½ oz. $1.00.

**IMPERIAL STRAIN (TALL GROWING)**

- **1712 IMPERIAL GLORIA IMPROVED.** Deep rose or salmon.
- **1713 IMPERIAL PINK PERFECTION.** Large double florets, light pink.
- **1714 IMPERIAL WHITE KING.** Double pure snow white.
- **1716 IMPERIAL CARMINE KING.** Giant double deep carmine rose.
- **1719 IMPERIAL LILAC SPIRE.** An exquisite lillac, very double.
- **1722 IMPERIAL BLUE SPIRE.** Handsome, double deep oxford blue. An outstanding variety from a standpoint of size, color and form.
- **1724 IMPERIAL LOS ANGELES IMPROVED.** Very double, flowerers of brilliant rose or salmon borne on long spikes. Claimed the most beautiful Larkspur.
- **1726 IMPERIAL BLUE BELL.** Delightful clear azure blue. Try a bed of this variety mixed with single Shirley wild rose pink poppies.
- **1727 IMPERIAL EXQUISITE IMPROVED.** Your old favorite, improved, with its former beauty and charm magnified many times. Fluffy clear pink. Mix of the above varieties. Pkt. 10c; ½ oz. 35c; oz. $1.00.
- **1729 WYATT’S GIANT IMPERIAL MIXED.** Beautifully blended mixture of the handsomest Larkspurs grown. Pkt. 10c; ½ oz. 35c; oz. $1.00.

**LOBELIA**

A beautiful dwarf flowering plant used extensively for hanging baskets, window boxes and edgings of beds and borders. Forms low, compact bushes that are covered all summer long with star-shaped flowers.

- **1744 CRYSTAL PALACE COMPACTA.** Forms neat little ball-shaped bushes covered with dark blue flowers and dark foliage. Fine for carpet bedding or edging. Height 4 inches. Pkt. 10c; 3 pkts. 25c.

**MORNING GLORIES**

**IPOMEAS.** In growing Ipomeas (Morning Glories and Moonflowers), never plant until the soil is thoroughly warm. To aid germination of particularly hard-seeded varieties, fill a small notch at the top of the seed will help considerably. Always select the driest, sandiest part of the garden and sow where the plants are to flower as the Ipomeas resent transplanting. Plants should be kept on the dry side in order to induce early and abundant flowering with a rather sparse growth of foliage. Heavy watering will stimulate foliage growth at the expense of flowers. A poor soil is preferable to a rich one and fertilizers should not be used as this will promote heavy foliage which will hide the flowers.

- **1804 Blue Star.** This new variety, won the ALL-AMERICA SELECTION, 1940. The flowers are light blue with dark blue ribs to form a star. Very early. Pkt. 10c; 3 pkts. 25c; ½ oz. 50c.

- **1805 Pearly Gates.** It is exceptionally fine flowering with large fleecy pure white flowers making a heavy cascade of flowers on fence or trellis. One of the earliest bloomers. Pearly Gates received Special Mention in the 1942 ALL-AMERICA Selection. Pkt. 10c; ½ oz. 40c.

- **1807 DARLING.** This morning glory is rich wine-red with a snowy-white throat that provides enough contrast to make the flowers “stand out” immediately. When in full bloom, Darling is a very showy sight. Pkt. 25c; 3 pkts. 60c.

- **1808 Scarlet O’Hara.** This introduction brings us an entirely new color in the popular garden flower, rich dark wine red or deep rosy crim. The dark green foliage does not make a heavy growth, leaving the plants graceful in appearance. Pkt. 10c; ½ oz. 50c.

- **1809 HEAVENLY BLUE.** A graceful vine of extremely quick growth producing a great number of exquisitely formed deep clear blue petunia-like flowers. Ideal for covering stumps or other unsightly objects. Pkt. 10c; ½ oz. 35c; oz. $1.00.

- **1810 MIXED.** The flowers are a bit larger than those of the ordinary Morning Glories and their colors are usually rich and showy. Pkt. 10c; 3 pkts. 25c; oz. 50c.

- **1790 ROSE MARIL.** This is a new and attractive double Morning Glory that blooms early with deep rose flowers. Pkt. 10c; 3 pkts. 25c; ½ oz. 50c.

**MOONFLOWERS**

- **1797 WHITE.** Large pure white, fragrant flowers. Pkt. 10c; 3 pkts. 25c; ½ oz. 50c.

- **1800 GIANT PINK.** Beautiful large, light pink flowers. Pkt. 10c; 3 pkts. 25c; ½ oz. 50c.

**MATRICARIA (FEVERFEW)**

- **1781 DOUBLE WHITE.** Really a half-hardy perennial; will bloom the first year from seed. They have fern-like foliage and heads of small double, button-like flowers on long stems for cutting. Pkt. 10c; 3 pkts. 25c; ½ oz. 50c.

- **1782 GOLDEN BALL.** Small, golden yellow double flowers. Very attractive as a border or planted in pots. Pkt. 10c; 3 pkts. 25c; ½ oz. 50c.

**MIGNONETTE**

Very popular because of its delightful fragrance. Hardy annual should be sown soon as the ground can be worked. Does not transplant and should be thinned to stand 6 inches apart. IMPERIAL. A very choice large-flowered type. Pkt. 10c; 3 pkts. 25c.

**FORGET-ME-NOT (MYOSOTIS)**

- **1812 ALPESTRIS BLUE.** Lovely light blue flowers covering the plants completely during the spring; 12 inches tall. Does best in semi-shade. Pkt. 10c; 3 pkts. 25c; ½ oz. 50c.

- **1813 ALPESTRIS FINEST MIXED.** This mixture is a carefully composed blend, including blue, white and rose. Pkt. 10c; 3 pkts. 25c; ½ oz. 50c.

- **1814 PALUSTRIS BLUE.** Lovely, deep blue flowers on compact plants. Pkt. 10c; 3 pkts. 25c; ½ oz. 50c.

---

**Wyatt’s Imperial Larkspur Collection 65c**

1 packet each of the 9 choice larkspur varieties named on preceding page. All for 65c, postpaid.

**LINUM (SCARLET FLAX)**

- **1738 GRANDIFLORUM RUBRUM.** Very showy annuals of long duration having fine foliage and brilliant scarlet-crimson, cup-shaped flowers. Seed can be sown outside in May. Height 12 inches. Pkt. 10c; 3 pkts. 25c.

Wyatt's African Marigolds

GIGANTEA MARIGOLDS
1776 POT O'GOLD. Pot O'Gold produces a mass of intense dazzling gold flowers on dwarf compact plants. The plants are 12 to 15 inches tall and are first among large flowered Marigolds to bloom. Pkt. 10c; 3pkts. 25c; 1/4 oz. 60c.
1763 GYPSY JEWELS. The flowers have a wide range of brilliant shades of yellow, orange and primrose. The sweet, scented flowers are borne on 15 inch plants which are early and compact. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 40c.
1763 SUNSET GIANTS. The enormous flowers range in color from light primrose through deep rich golden yellow. The objectionable Marigold odor is entirely absent and some growers claim for the flowering carnations in form. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 40c.
1764 CROWN OF GOLD. The lovely flowers are golden orange with full crested crown of small tubular petals surrounded by a row of broad petals. The 2 to 2 1/2 inch flowers come early on plants 2 to 3 feet tall. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 60c.

MISSION GIANT MARIGOLDS
1770 GOLDSMITH. Giant incurred chrysanthemum-like golden orange flowers up to 3 inches across. Plants grow 18 inches tall producing many stems of excellent cutting length. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 40c.
1771 YELLOWSTONE. Large double incurred and quilled chrysanthemum-like flowers of clear golden yellow, 2 1/2 inches across. Plants 2 feet high. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 40c.
1780 MISSION GIANT MIXED. A quite new and distinct type of the versatile family of Marigolds, in which many shaded yellow, orange and gold flowers 2 to 4 inches across are made up of quilled and incurved petals. The vigorous plants grow about 3 feet high. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 60c.

FRENCH DWARF SINGLE MARIGOLDS
1754 Red Head (All-America Selection in 1948.) The most interesting of all the recent introduction in dwarf single marigolds. Petal color is mahogany when flowers first open, changing to amber and later to bronze. The crested center is composed of small upright petals, gold edged with maroon. Blooms begin early and continue throughout the summer. Plants are dwarf and compact. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.
1752 FLASH. A bright combination of colors ranging from vivid red through bronze with a few yellow flowers to give harmonious contrast. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.
1753 NAUGHTY MARIETTA. Golden yellow flowers with a mahogany base. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

EXTRA DWARF DOUBLE MARIGOLDS
1755 GOLDCREST. Golden yellow flowers, crested center of quilled petals, surrounded by several guard petals, free flowering, especially suitable for bedding and borders. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 30c.
1756 SPRY. One of the very best with extra-double flowers having a bright orange center and maroon outer petals. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 30c.
1752 SUNKIST. Compact dwarf plants simply covered throughout the summer and fall with double, rich orange blooms. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 30c.
1773 DOUBLE MIXED. A mixture of the finest colors in Marigolds. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 40c.

TALL AFRICAN MARIGOLD
1759 ORANGE PRINCE. Enormous flowers of perfect shape; golden orange color. Pkt. 10c; 3 pkts. 25c; oz. 50c.
1758 LEMON QUEEN. Clear, soft lemon yellow. Pkt. 10c; 3 pkts. 25c; oz. 50c.
1760 AFRICAN DOUBLE MIXED. A superb mixture. Pkt. 10c; 3 pkts. 25c; oz. 75c.

CARNATION FLOWERED MARIGOLDS
1761 GUINEA GOLD. A striking new type of marigold. Golden flowers 2 1/2 inches across are borne abundantly with long, strong stems on compact plants 2 to 3 1/2 feet high. The characteristic marigold odor is absent. Pkt. 10c; 3 pkts. 25c; oz. 50c.
1762 YELLOWSUPREME. A very free flowering, extra large marigold bearing creamy yellow, exceptionally fragrant carnations in form. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 40c.

MARIGOLD TAGETES SIGNATA PUMILA
1777 GNOME. A very delightful little Marigold forming a compact, round bush with fernlike foliage and an abundance of dainty single golden orange flowers. Height 9 inches. Pkt. 10c; 3 pkts. 25c.

Nasturtiums

DOUBLE SWEET-SCENTED
1818 INDIAN SUMMER. Attractive bright orange bud. Very colorful and impressive. Pkt. 10c; oz. 25c.
1819 INDIAN CHIEF. Brilliant scarlet flowers with dark foliage. Gives splendid contrast. Pkt. 10c; oz. 25c.
1820 GOLDEN GLEAM. Distinctly double, rich yellow. Very wonderful, fragrant flowers. Pkt. 10c; oz. 25c.
1821 MARIGOLD GLEAM. Fiery orange scarlet, a color comparable to the brilliance of Scarlet Sage. The individual blooms are of an immense size, almost three inches across and very fragrant. Pkt. 10c; oz. 25c.
1825 SALMON GLEAM. Very large, uniformly double flowers of delicate golden salmon. Pkt. 10c; oz. 25c.
1836 SINGLE DWARF MIXED. An excellent strain of dwarf compact growth well suited for bedding. This well-balanced mixture will give a rich colorful display. Pkt. 10c; oz. 25c; 1/4 lb. 75c.

TALL CLIMBING NASTURTIAIMEN
1830 SINGLE TALL MIXED. Very easy to grow and they do well under most varied conditions of soil and climates. This mixture contains many brilliant colors. Pkt. 10c; oz. 25c; 1/4 lb. 75c.

NEMOPHILA (Baby Blue Eyes)
1843 BLUE INSIGNS. A dwarf, graceful annual, 6 to 8 inches tall. The plants bloom from spring and summer. They bear a profusion of bright sky-blue flowers with a white center. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 30c.

NICOTIANA (Flowering Tobacco)
Fine stately plants for background planting or for large beds. Start the seeds indoors in boxes filled with fine sandy soil and barely cover from view. Pkt. 10c; oz. 25c; 1/4 lb. 50c.
1854 AFFINS WHITE. The free-flowering varieties; with fragrant and star-shaped flowers. Pkt. 10c; 3 pkts. 25c.
1853 NEW HYBRIDS. Shades of rose, red, crimson and creamy white. Very fragrant. Pkt. 10c; 3 pkts. 25c.

NIGELLA (Love-in-a-Mist)
Lovely garden annuals, with a finely cut green foliage, and curious looking flowers and seed pods. Pkt. 10c; oz. 25c; 1/4 oz. 50c.
**Wyatt’s Superb Petunias**

Sow the small seeds in a warm, sunny, open place outdoors, thinning to 12 inches apart; or in frames for transplanting. Scatter seeds thinly, barely cover and firm soil over them; water seedlings with a fine spray to prevent drying out. The weakest looking seedlings usually produce the finest flowers, so save the weak plants for transplanting. Seed of the double and fringed sorts should be pressed into a shallow pot of sifted soil and covered with only a sprinkling of sand. The pot should be watered from below by placing it in water. Never allow to become too dry nor too moist.

### BALCONY PETUNIAS

1899 **BALCONY WHITE.** Pure glistening white blooms. Pkt. 10c; 3 pkts. 25c.

1891 **BALCONY RED.** Brilliant shade of very dark crimson. Pkt. 10c; 3 pkts. 25c.

1893 **BALCONY BLUE.** Magnificent corn-flower blue flowers. Pkt. 10c; 3 pkts. 25c.

1907 **BALCONY MIXED.** Excellent for massing in beds and as a colorful effect. Pkt. 10c; 3 pkts. 25c; ½ oz. $1.00.

---

### GIANT FRINGED PETUNIAS

1913 **GLAMOUR**

A.A.S. 1942. Truly one of loveliest Petunias we have ever grown. The flowers range from 4 to 5 inches across; they are artistically waved and ruffled, and the color is a completely new petunia color with golden veining on the white throat. Pkt. 25c; ½ oz. 1.00.

1914 **Theodosia**

Large bright rose-pink flowers with a golden throat. Pkt. 25c; ½ oz. 1.00.

---

### SINGLE PLAIN EDGED PETUNIAS

1902 **Flaming Velvet**

Gold Medal Award A.A.S. 1936. Outstanding for color, type, and uniformity. Flowers are velvety blood red and borne in profusion on slightly spreading plants. Pkt. 10c; 3 pkts. 25c.

1909 **Burgundy**

Burgundy is one of those rugged individualists of the garden, a strong growing type, with very showy flowers in a shade of deep red which is rather difficult to combine with other colors. Since, however, its own color is so showy in itself, it is well worth growing as an accent or specimen group. Pkt. 50c; 4 pkts. 75c.

1912 **Snow Storm Improved**

The flowers are with yellow shaded throat. The uniformity of the dwarf compact growth is marvelous. Pkt. 25c; 3 pkts. 65c.

1921 **Elk’s Pride**

Majestic large velvety, deep purple blooms of exceptional beauty. Pkt. 25c; 3 pkts. 65c.

---

### MINIATURE PETUNIAS

1903 **Rose Gem**

A bright addition to the groups. A well-known variety recently introduced. The color is the same deep pink petunia rose that has made Petunia, Rose of Heaven so popular. The plant is dwarf, hummocky, compact, 5 to 8 inches high, and covered with the miniature flowers. Pkt. 25c; 4 pkts. 75c.

1922 **Bright Eyes.** The little plants grow 8 to 9 inches tall and are completely covered with soft, light rose-pink flowers with pronounced white throat. Pkt. 10c; 3 pkts. 25c; 1/16 oz. 50c.

---

**Wyatt’s BEDDING PETUNIAS**

Their erect habit renders the Bedding Petunias best for beds, borders, etc.

1908 **Fire Chief**

A brilliant scarlet red, an entirely new color in this class. It is about a foot high with rich, medium green foliage, freely branched but strong and upright. They hold the bright color without perceptible fading. Growth also holds up without spreading or Bopping over late in the season. Fire Chief is the First Gold Medal winner in 11 years since the only A.A.S. flower winner for 1905. Awarded more points than any other A.A.S. winner in any year. Pkt. 25c; 3 pkts. 65c.

1899 **Howard’s Star.** Dainty rose-crimson with a five-pointed white star. Pkt. 10c; 3 pkts. 25c; ½ oz. 50c.

1896 **Blue Bee.** Beautiful clear ultra-marine-blue flowers. Pkt. 10c; 3 pkts. 25c; ½ oz. 50c.

1897 **White King.** A very dwarf, large-flowered variety with pure white flowers. Pkt. 10c; 3 pkts. 25c; ½ oz. 50c.

1888 **General Dodds.** A lovely variety with brilliant rich, crimson flowers. Pkt. 10c; 3 pkts. 25c; ½ oz. 50c.

1898 **Rose King Improved.** Very effective brilliant blooms of luminous rose. Pkt. 10c; 3 pkts. 25c; ½ oz. 50c.

1908 **Bedding Mixed.** A choice assortment of a wide and varied range of colors. Pkt. 10c; 3 pkts. 25c; ½ oz. 50c.

1904 **Violacea.** The rich velvety purple color gives a striking effect. Pkt. 10c; 3 pkts. 25c; ½ oz. 50c.

1905 **Rosy Morn.** Compact plants literally covered with rich pink flowers with white throats. Pkt. 10c; 3 pkts. 25c; ½ oz. 50c.

1906 **Rose of Heaven.** Masses of exquisite well-formed blooms of a bright rose color. Pkt. 30c; 3 pkts. 65c; ½ oz. 75c.

1910 **Radiance.** Another splendid hybrid of spreading growth carrying masses of brilliant rose blooms which are truly enchanting. Pkt. 10c; 3 pkts. 25c.

1936 **Topaz Rose.** It is one of the most vividly colored of the rose petunias, extremely full blooming, providing a brilliant bed of color throughout the season. Pkt. 10c; 3 pkts. 25c.

---

**1915 Petunia, Radiance**

---

**1919 Martha Washington**

While this excellent petunia is not so recent as some, it is deserving of prominent place in every garden. Its growth is only 8 to 10 inches high, the plants producing a ball effect. The very large flowers are ruffled or frilled. Pkt. 25c; 4 pkts. 75c.

---

**1911 Petunia, Wyatt’s Giant Fringed Mixed**

---
**Gigantea Phlox**

The largest flowered of all annual phlox. The flowers are borne most freely in massive trusses on strong upright plants. Excellent for beds, borders, edgings and cutting.

1943 RED GLORY. Honorable Mention in the All-America Selection for 1942. Rich red with large white eye. Pkt. 25c; large pkt. 75c.

1944 ROSE MORN. A bright, refreshing variety combining brilliant rose-pink with a large white eye. Pkt. 25c; large pkt. 75c.

1946 SALMON GLORY. Enormous soft but rich salmon-pink flowers, with wide creamy white eyes, composing large umbels. The 10-inch plants are bushy and erect and with the exquisite color of the flowers the effect is most pleasing. Pkt. 25c; large pkt. 75c.

1945 ART SHADES MIXED. Flowers are produced in the most delicate pastel shades the entire summer disregarding heat and drought. Pkt. 25c; large pkt. 75c.

**Salvia**

Sow seed after trees are in full leaf and the ground is warm, or may be started earlier in boxes in sunny windows, and transplanted as soon as the soil is warm.

1923 FIREBRAND. A new dwarf bushy variety growing only 12 inches high. Forms compact and oval shaped bushes that are literally abaze with flowers all summer long. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

1934 AMERICA. The earliest and most continuous bloomer of all. The plants stand 16 inches tall and are covered with masses of brilliant scarlet blooms. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 60c.

1936 SPLENDID GRANDIFLORA. Tall bushy plants with immense scarlet flower trusses. Height 2 feet. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

1937 BLUE BEDDER. Really a perennial, this desirable Salvia will bloom the first year from seed. Bushes grow 2 to 3 feet tall and carry long spikes of large flowers excellent for cutting. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 75c.

**Ricinus** *(Caster Oil Bean)*

2020 MIXED. An annual plant height of 6 to 8 feet, with immense leaves. Used extensively in borders and along fence rows where, it is said, the plant repels moles. Pkt. 10c; oz. 25c; 1/4 lb. 50c.

**Salpiglossis**

2030 CHOICE MIXED. All colors. Pkt. 10c.

**Schizanthus** *(Butterfly Flower)*

2060 DR. BADGER’S IMPROVED. A brilliant range of colors from light pink through rose to purple, each flower with a large golden blotch. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

**Scarlet Runner Beans**

2063. Annual rapid growing vine; makes a good screen or shade. Vines are covered with sprays of bright scarlet pea-shaped blossoms, and these are followed by dark scarlet pods. Pkt. 10c; oz. 15c.

**SUNFLOWERS**

2107 DOUBLE CHRYSANTHEMUM FLOWERED. A wonderful Sunflower with Chrysanthemum-like, double, golden yellow Blooms measuring 6 to 8 inches in diameter. The plants grow 7 feet tall and bloom profusely. Pkt. 10c; 3 pkts. 25c; oz. 50c.

2110 SUN GOLD. These brilliant golden yellow flowers which measure 4 to 5 inches in diameter are a delight in a background planting in full sun where they will produce a vivid splash of color in mid-summer. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

2113 SINGLE STELLA. Beautiful small single flowers of purest golden yellow with a black disc; 3 to 4 feet tall. Excellent for garden display and cutting. Pkt. 10c; 3 pkts. 25c; oz. 50c.

**Poppies**

Sow the seed where the plants are to remain, as they resent transplanting.

1964 AMERICAN LEGION. Orange. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 35c.

1990 Poppy, Double Shirley Mixed

---

1875 Pansy, Swiss Giant Mixed

**Giant Pansies**

Sow seeds in beds or boxes from August to April. Only slight protection is needed in the most extreme weather. When plants have 4 to 5 leaves transplant 8 inches to 1 foot apart in highly manured bed and keep well watered. A tall and spring sowing will produce flowers from December to June.

1850 MAPLE LEAF GIANT MIXED. A wide range of bright colors; plants compact with large attractive foliage. Pkt. 25c; 1/16 oz. $1.00; 1/4 oz. $3.00; oz. $1.00.

1869 WYATT’S NEW SUPER GIANT MIXED. The immense flowers of this new strain often produce flowers double the size of the ordinary varieties. Wyatt’s Super Giant Pansies are borne in profusion on large vigorous plants supporting long strong stems. The rich coloring and great size of the flowers in addition to its prolonged blooming season will make this new variety a garden favorite and a sure prize winner wherever exhibited. Pkt. 50c; 1/16 oz. $1.25.

1870 WYATT’S FANCY EXHIBITION MIXED. A blending of our own containing only the very choicest seeds secured from the leading Panay specialists; it can be relied upon to produce flowers of immense size, very heavy texture and of the most brilliant colors. Pkt. 25c; 2 pkts. 40c; 1/4 oz. 0.65; 1 oz. $2.50; oz. $9.00.

1871 MASTERPIECE. A beautiful large ruffled pansy heavy texture. Includes an extensive range of highly artistic colors. Pkt. 25c; 4 pkts. 75c; 1/4 oz. $1.25.

1875 SWISS GIANT MIXED. Wyatt’s carefully blended mixture of Swiss Giant Pansies is outstanding for its wide range of rich coloring. The flowers are large and on tall stems. Pkt. 25c; 2 pkts. 40c; 1/4 oz. $1.05; 1/4 oz. $2.50; oz. $10.00.

1880 MIRACLE MIXED. Distinguished by magnificent varied colors and strong markings. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 75c; 1/4 oz. $1.25.

---

**PORTULACA** *(Sun Plant)*

For brilliant coloring nothing can excel a bed of Portulacas. It thrives in intense heat, and dry weather seems to have almost no effect on the plants.

2000 DOUBLE MIXED. An unsurpassed mixture, including a particularly wide and choice range of brilliant colors. Excellent for beds or borders exposed to the full sun. Pkt. 10c; 3 pkts. 25c; 1/4 oz. $1.00.

1995 SINGLE MIXED. A complete and choice mixture, including orange, white, red, salmon, buff and others. Pkt. 10c; 1/4 oz. 50c; oz. $1.75.

**Physalis** *(Chinese Lantern Plant)*

1963 FRANCHETI. Orange scarlet Fruits. Pkt. 10c; 3 pkts. 25c.

---

1972 ORANGE KING. Bright orange red. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

1973 ROSY MORN. Rose Pink. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

1978 FINEST SINGLE MIXED. Dainty flowers on slender stems, in the most delicate shades, varying in color from pure white and delicate pink to rosy carmine and deep crimson, many of them beautifully striped and edged with white. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

1990 DOUBLE SHIRLEY MIXED. A fine strain of Poppies. Pkt. 10c; 3 pkts. 25c; 1/4 oz. 50c.

1991 DOUBLE SWEET BRIAR. Deep rose-pink. Pkt. 10c; 3 pkts. 25c.
Scabiosa Large Flowered

(OLD MAID'S PINCUSHION)

While the annual Scabiosas will bloom during the summer they do so much better in the early spring than during the hot summer days, that every effort should be made to start the seed in the early fall in warm sections, or in cold frames in early spring in the more northerly sections.

2911 AGERATUM BLUE. Azure blue. 2942 CHERRY RED. Deep red. 2943 PEACH BLOSSOM. Pale pink. 2945 SIESTA. Pure white. 2947 BLUE COCKADE. Rich dark blue. 2950 DOUBLE MIXED SCABIOSA. Well blended mixture of all colors. Any of the above pts. 10c; 3 pts. 25c; ½ oz. 40c.

ORDER COLLECTION 2049

SCABIOSA IMPERIAL GIANTS

Extremely large flowers composed entirely of broad frilled petals arranged in a perfect ball (no "pincushion"). Plants are 3 to 4 feet tall, upright, and bear flowers on long wiry stems. A new race of Scabiosa. 2946 BLUE MOON. A strikingly beautiful Scabiosa. Blue Moon produces large deep lavender-blue flowers on strong stems. Fine for cutting. Pkt. 10c; 3 pts. 25c; ½ oz. 60c. 2948 IMPERIAL HYBRIDS MIXED. A brilliant mixture of all the Scabiosa colors in the new ball-shaped type. Fine for cutting. Pkt. 10c; 3 pts. 25c; ½ oz. 60c.

STATICE SINUATA

2069 MIXED. A showy, everlasting flower with five clusters of showy blooms carried on graceful stems. Height 2 to 3 feet. Pkt. 10c; 3 pts. 25c.

STOCKS

2080 TEN-WEEK STOCKS MIXED. This includes many lovely colors in this type. Pkt. 10c; 3 pts. 25c; ½ oz. 60c. 2081 GIANT IMPERIAL MIXED. A splendid assortment made up from the finest colors available. Pkt. 10c; 3 pts. 25c; ½ oz. 75c.

TITHONIA SPECIOSA

2142 FIREBALL. A very brilliant, vibrant shade of scarlet orange, the petals of this dazzling flower surround a center of light yellow creating a very striking appearance. The gaily colored single flowers 4 to 5 inches in diameter are carried on strong stems often 3 feet long. The plants are disease and insect resistant and often grow 8 feet tall. Start early indoors or sow out of doors when the ground is warm. Pkt. 10c; 3 pts. 25c; ½ oz. 50c.

2143 ORANGE VERMILLON. The most brilliant of all annuals. Produces abundance of vivid orange scarlet flowers on long strong stems, all summer. Plants 6 to 8 feet. Pkt. 10c; 3 pts. 25c; ½ oz. 50c.

TOREnia

2147 FOURNIER. A free blooming annual growing 10 to 12 inches tall. Makes a fine display in borders, pots, or window boxes. Velvety blue with dark blue blotches and yellow throat. Pkt. 10c; 3 pts. 25c.

THUNBERGIA

2149 ALATA, MIXED. This is the Black-eyed Susan Vine, an elegant, graceful climber for hanging baskets and ground covers. Includes yellow and orange shades, some with a velvety black center. Pkt. 10c; 3 pts. 25c; ½ oz. 50c.

VINCA (Periwinkle)

Pretty annuals of compact growth with glossy green leaves and dainty five-petaled star-shaped flowers. Ideal for edgings and borders and window boxes. They will grow under almost any soil conditions. Height 15 inches.

2163 ROSEA. Rose-pink. Dark eye. Pkt. 10c; 3 pts. 25c. 2167 ROSEA ALBA. White Crimson eye. Pkt. 10c; 3 pts. 25c. 2169 ALBA. Pure white. Pkt. 10c; 3 pts. 25c. 2170 ROSEA MIXED. All colors in mixture. Pkt. 10c; 3 pts. 25c; ½ oz. 50c.

ANNUAL WALL FLOWER

2185 MIXED. A quick-growing variety with showy, single flowers on stocky plants. 1 foot tall. Enrich the soil well and water during dry spells. Pkt. 10c; 3 pts. 25c.

2160 Verbena, Gigantea Mixed

Wyatt's Verbena

Hybrida

(GIGANTEA)

Very few plants will make such a gorgeous display during the summer months, or furnish more flowers for cutting. Start seed early in the spring, and transplant after three or four inches of growth. Good healthy plants can be produced readily from seed.

2149 LUMINOSA. Large blooms of flame-pink, toning to softer shades of pink and coral. Pkt. 10c; 3 pts. 25c; ½ oz. 50c.

2150 SPECTRUM RED. This magnificent Verbena is brighter than any other verbena yet introduced, having no eye. Pkt. 10c; 3 pts. 25c; ½ oz. 50c.

2151 CRIMSON GLOW. The finest red shade available in this popular garden flower. A rich, glowing crimson. Pkt. 10c; 3 pts. 25c. 2154 ROYALE. Royal blue, creamy yellow eye. Pkt. 10c; 3 pts. 25c; ½ oz. 50c.

2155 CREAM. Lovely rich cream white, with large trusses. Pkt. 10c; 3 pts. 25c; ½ oz. 50c.

2156 ANNAPOLIS BLUE. This mid-blue Verbena does not have the eyes that tend to have a purple cast to the florets. Pkt. 10c; 3 pts. 25c; ½ oz. 50c.

2157 SALMON PINK. Large flowering salmon pink. Pkt. 10c; 3 pts. 25c; ½ oz. 50c.

2158 LUCIFER. Rich glowing crimson flowers of good size produced on plants of semi-compact habit. Pkt. 10c; 3 pts. 25c; ½ oz. 50c.

2159 PURE WHITE. Pkt. 10c; 3 pts. 25c; ½ oz. 50c.

2161 BEAUTY OF OXFORD HYBRIDS. Gigantea type, producing immense flowers in beautiful new shades of clear pink, rose pink, salmon pink to deep rose red on strong vigorous plants, adaptable to most any situation, thriving as do all other verbenas in poor soil. Pkt. 10c; 3 pts. 25c; ½ oz. 50c.

2162 SPYTIFIRE. Showy large trusses of deep scarlet-rose which always are greatly admired. Pkt. 10c; 3 pts. 25c; ½ oz. 50c.

2163 BRIGHTNESS. This variety is a particular vivid color; a bright rosy, cerise-scarlet boldly contrasted with the large white eye. The florets are about 1 inch in diameter. The plants are semi-compact in habit, making an excellent variety for border or edging use. Pkt. 10c; 3 pts. 25c; ½ oz. 50c.

2165 LAVENDER GLORY. Lovely fragrant lavender flowers of largest size. Pkt. 10c; 3 pts. 25c; ¼ oz. 50c.

2160 GIGANTEA MIXED. A mixture of all colors of the largest flowering verbenas. Pkt. 10c; 3 pts. 25c; ½ oz. 50c.
**Wyatt's Giant Orchid Flowering**

_Spencer Sweet Peas_

**Culture:** One ounce will sow from 15 to 20 feet. Sow from November to March. For spring plantings we recommend the sowing of Sweet Pea seeds slightly below the ground level in a bed thoroughly pulverized 2 feet wide by 12 to 18 inches deep. Well rotted (but no other) compost or a liberal sprinkling of Bone Meal might be added when the bed is prepared and when the peas are growing slight applications of Sheep Manure at 4- to 6-week intervals should be made.

**Wyatt's Giant Spencer**

**Sweet Peas**

The 21 Best Varieties

- **2311 Red Rover.** Fine dark crimson.

23990 Perennial Mixed. Pkt. 10c; oz. 30c.

**Zinnia Linearis**

2197 Linearis The most unusual of the new Zinnias is the dwarf variety, Linearis. The single flowers are a lovely shade of golden orange, with a delicate lemon yellow stripe through each petal. It will start flowering about 6 weeks after seeds are sown. Pkt. 10c; ½ oz. 45c.

2196 Haageana Double Mixed A mixture of dwarf double Haageana Hybrid Zinnias embracing a wide range of colors including flowers of solid color and combinations of yellow, orange, scarlet, gold, maroon and many other rich shades. Pkt. 10c; 3 pktls. 25c; ½ oz. 35c.

2198 Super Crown O' Gold Pastel Tints The flowers are large and showy. It is strictly a mixture of pastel tints containing a wide range of pastel shades. Delightfully soft, yet colorful for garden decoration, it is unexcelled for cutting. The plants are strong and robust and the flowers are borne profusely through the season. Pkt. 10c; 3 pktls. 25c; ½ oz. 50c.

2270 Early Wonder Mixed An entirely new race of dwarf, early flowering zinnias, producing masses of double flowers on long nearly leafless stems. The plants are 12 to 15 inches tall. Blooms appear 30 to 40 days after seeding and embrace a wide range of rich colors predominated by the typical zinnia reds, oranges and yellows. Pkt. 10c; 3 pktls. 25c.

2266 Miniature Creeping Zinnia The plants grow only 6 inches tall, and are of creeping habit. They start blooming in June and continue 'till frost and are unexcelled for dwarf borders or edgings. Pkt. 10c; ½ oz. 35c; ½ oz. 60c; oz. $2.25.

**Zinnia Lilliput**

Lilliput or pompons, as they are known, are rapidly becoming popular with those who have grown tired of the giant flower of the larger sorts.

Plant only 8 to 12 inches apart.

- **2276 LILAC GEM.**
- **2278 ROSE BUD.**
- **2279 CANARY YELLOW.**
- **2281 GOLDEN GEM.**

Sweet Peas and Garden Peas, 15c.
Wyatt's Zinnias

We are happy to offer this year, seeds from the very finest Zinnias cultivated. Flowers from the fields where Wyatt's seeds are selected have been awarded gold medals for distinction in size and color, and since 1858, Wyatt's pure strain of Zinnias come direct from the originator who has exhibited all over the world. Each year Wyatt's Zinnias produce prize winning flowers for flower growers all over the South. Get your seeds from this pure strain and raise the prize winning Zinnias in your community.

CULTURE. Sow seeds indoors in March or April or out of doors after ground is warm. Thin out or transplant to 1 to 2 feet apart when plants are 3 to 4 inches high. Fertilize heavily, and pinch out first bud when it first forms in the top of the plants. Wyatt's Zinnias grow 3 to 3 feet high.

FANTASY ZINNIAS

Medium size flowers, informal in appearance, shaggy, ray-like petals massed to make a rounded, double flower.

2243 WILDFIRE. The plants are neat in habit, strong growing and very free blooming WILDFIRE is a rich dazzling scarlet. Pkt. 10¢; 3 pkts. 25¢; ½ oz. 50¢.

2247 ORANGE LADY. A worthy companion to the other members of the fine group. Orange Lady adds a ray of deep bright orange. Pkt. 10¢; 3 pkts. 25¢; ½ oz. 50¢.

@ 2247 STAR DUST. This lovely golden yellow variety has the characteristic informal, shaggy-petaled medium sized flowers on stems of good length for cutting. Plants are 2½ to 3 feet high, bloom mainly of this variety.

2260 Wyatt's Tom Thumb Mixture

Smaller even than the popular Lilliput these mites grow only 4 to 6 inches tall. The plants are covered with well formed double flowers of red, orange, yellow, pink and rose. Such a dainty and tiny plant with so much ruggedness and versatility will certainly fascinate every flower lover. Pkt. 10¢; 3 pkts. 25¢; ½ oz. 50¢.

PUMILA DWARF DOUBLE ZINNIAS

(Cut and Come Again)

2260 MIXED. This garden favorite is becoming an important early cut flower. Flowers intermediate between Giants and Lilliputs. Plants 2 ft. tall. Pkt. 10¢; 3 pkts. 25¢; ½ oz. 50¢.

WYATT'S GIANTS OF CALIFORNIA DOUBLE ZINNIAS

The Giants of California type of Zinnias differ from the Dahlia flowering group only in that they are different in form. Both types produce immense double flowers in almost every color and shade. Invaluable for showy beds or borders outside or for cut flowers. Zinnias can be kept in constant bloom by a succession of plantings.

10 BEST COLORS

2221 PURITY. Best pure white.
2224 GOLDEN QUEEN. Golden.
2226 CRIMSON QUEEN. Rich crimson.
2228 SCARLET QUEEN. Glowing scarlet.

Wyatt’s Perennial Flower Seed

Grow Your Own Perennials From Seeds

Everybody wants Perennials—and wants them in generous measure to secure the latest effects in color and charm. If you delay and finally buy plants, the cost mounts high; an attractive perennial border may require several hundred dollars worth of plants. Exactly the same results can be secured with $2.00 or $4.00 worth of seeds! Aside from the money saved it is very fascinating to grow your own plants from seed.

1873 ALYSSUM, Saxatile compactum. Golden yellow flowers, 2 inches. Pkt. 10c; 3 pkts. 25c.
1874 ANCOLI, pleurocephala. Gentian blue. 4 feet high. Pkt. 10c; 3 pkts. 25c.

### Copper Wired Tree Labels

Copper wired 3 1/4 inch wood labels for trees, shrubs, plants. Prices: 65c per 100; $5.70 per 1,000.

### PLANT PROPS

Plant Props are made of heavy gauge, strong steel rods, with a convenient loop at the top. Ideal, permanent supports for any type plant needing support. Easy to install and easy to remove and store when not in use. Baked green enamel finish, 4 convenient sizes.

### FENCE RODS

Steel fence rods made from 1/2 inch spring steel, with 2 loops for rope, wire or chain. Length 33 inches over all. $1.85 doz. ($2.25 per doz., postpaid.)

### HOT KAPS

**Make More Profit**

This amazing new method gets your crop to market earlier.

**GERMACO HOT KAPS**

Hot kaps can make you extra dollars this season. They protect plants from frost, wind, rain, insects and ground crusting. Thus they produce harder, quicker crops. You get higher prices! Thousands were used in 48 states last year. They cost so little that growers cannot afford to be without them.

* Not prepaid.
**Clover Seeds**

**F97 Alfalfa (Oklahoma Approved)** While Alfalfa is a relatively expensive crop, the first cutting usually returns about double the cost of seeds, lime, fertilizer and planting. A good method is to lime the land and plant an annual legume crop that can be thoroughly disked, not turned, in preparing the alfalfa seed bed. Use 20 to 30 pounds (not more) borax per acre and drill August 20 to October 1, or February 13 to March 25, 25 to 40 pounds of thoroughly inoculated seeds per acre. Roll or cutillpack after seeding. At seeding time use 1,200 pounds 2-12-12 and 9-10 tons barn manure if available and not weed infested. Apply 400 pounds 0-12-12 annually thereafter. Cut before ¼ flowers open. Always leave the alfalfa stand 6 inches tall or more for winter since any closer cutting invariably results in severe damage. If your stand of alfalfa becomes more than 3 years old thin or weak sow 3 to 5 pounds of grass per acre to help control weeds and increase production. We handle only premium quality seeds. Supplies of good seeds will be limited. Prices: lb. $1.00; 5 lbs. $4.25; 10 lbs. $8.00, postpaid. Not prepaid 10 lbs. $7.40; 25 lbs. $18.60; 100 lbs. or more at 70c lb.

**F87 White Blossom Sweet Clover** Adapted to a wide variety of soils; is used for pasture, forage, for silage, for bees, for soil improvement. Especially good as a manure crop and to inoculate the soil in preparation for a crop of alfalfa. The roots break up, aerate and drain stiff subsoils and add humus. Spring sowings will yield a crop the following fall and two crops the following year. The first season it grows 1½ to 2½ feet high, but if cut when 6 inches high it stools out and makes a more tender growth for grazing. Sow 15 pounds per acre July to October or February, March. Prices: lb. 69c; 2 lbs. $1.00; 5 lbs. $2.25; 10 lbs. $3.85, postpaid. Not prepaid 10 lbs. $2.40; 25 lbs. $8.25; 100 lbs. or more at 32c lb.

**F80 White Dutch Clover** Because of its spreading habit and persistent year 'round growth White Dutch is invaluable for lawn and pasture use. It grows in all soils and will grow both in the shade and open areas responding to lime and fertilizers recommended for other clovers. Like other clovers White Dutch enriches the soil while furnishing nutritious grazing. Sow 6 to 8 pounds per acre alone or 2 or 3 pounds with other clovers or grasses. Prices: lb. $1.40; 5 lbs. $6.40; 10 lbs. $11.95, postpaid. Not prepaid 10 lbs. $11.50; 25 lbs. $28.90; 100 lbs. or more at $1.10 lb.

**F89 Ladino Clover—More Popular Every Year** A perennial clover of exceptional merit for pastures, especially on moist, fertile land. Recovers rapidly from grazing or clipping and is leafy and succulent. A complete recovery after grazing often takes place in two weeks. Its growing season is as long as that of any other legume. Like all clovers, Ladino succeeds best on well limed land. Sow 5 to 6 pounds per acre alone or 1 to 3 pounds in mixtures. Prices: lb. $2.45; 5 lbs. $11.25; 10 lbs. $21.75, postpaid. Not prepaid 10 lbs. $21.00; 25 lbs. $51.25; 100 lbs. or more at $2.00 lb.

**F82 Red Clover (N. C. Grown)** One of the most productive of the clovers. Well adapted to our piedmont soils. Especially valuable in pasture mixtures. Sow early spring or fall 20 pounds per acre. Lime and fertilizer as for other clovers. Prices: lb. 90c; 5 lbs. $3.75; 10 lbs. $7.00, postpaid. Not prepaid 10 lbs. $6.40; 25 lbs. $15.50; 100 lbs. or more at 60c lb.

**F83 Crimson Clover** Should be sown from August to October. When sown by itself, 25 to 30 pounds are required to the acre; sown with grain or vetches, 15 pounds would be sufficient. Prices: lb. 55c; 5 lbs. $2.60; 10 lbs. $5.60, postpaid. Not prepaid 10 lbs. $3.20; 25 lbs. $7.00; 100 lbs. or more at 25c lb.

**F95 Sericea Lespedeza** Scarified and reclaimed. This is the perennial lespedeza being grown so largely over the south. Its greatest asset is that it grows on the poorest soils without fertilizer or lime and while it steadily improves the land it produces an abundance of nutritious hay if cut when tender. Prices lb. 55c; 5 lbs. $2.25; 10 lbs. $4.50, postpaid. Not prepaid 10 lbs. $3.00; 25 lbs. $7.00; 100 lbs. or more at 25c lb.

**F93 Kobe Lespedeza** A variety particularly adapted to lowlands and lighter soils. The leaves and stems are slightly coarser making a heavier hay crop. This variety is recommended by the N. C. Experiment Stations for all but the mountainous regions of North Carolina, South Carolina and Virginia. Sow 30 to 40 lbs. per acre. Responds to liming and fertilizing. Prices: 10 lbs. $2.50; 25 lbs. $5.75, postpaid. Not prepaid 25 lbs. $4.75; 100 lbs. or more at 18c lb.

**F92 Korean Lespedeza** Korean Lespedeza will grow on any soil, wet or dry, rich or poor, sour or sweet. Unexcelled for hay crop since it will produce from 2 to 4 tons of good hay per acre on a good thick even stand. It is almost equal to alfalfa in feeding value, and compares favorably in fineness, palatability and protein content. A good stand will make one ton of hay per acre for every 3 to 5 inches above cutter bar. Korean Lespedeza is earlier than other lespedezas, this insures harvest before fall rains and early frost and gives time for seed bed preparation for small grain that fall. Sow 30 pounds of seed or more February to April. Prices: 10 lbs. $2.00; 25 lbs. $4.25, postpaid. Not prepaid 25 lbs. $3.25; 100 lbs. or more at 12c lb.
ADAPTED FIELD CORNS

WYATT'S CORN HYBRIDS
(For Illustrations and Descriptions See Inside Front Cover and Page 1)

NC-1032. Yellow
NC-27. Yellow
Tennessee 10. White

Order Early!

OPEN POLLINATED—YELLOW VARIETIES
(See note at bottom of page for postage and insurance charges on 1/2 bushel and Bushel lots of corn.)

F19 Jarvis Golden Prolific (Certified) Jarvis is one of the most widely adapted corns for Southeastern U. S. The best of all corns for medium to poor soils. Our Jarvis stocks as all of our corns are carefully handled for seed stocks and the certified Jarvis offered here is produced from North Carolina Crop Improvement Association Registered Seed Stock. Note the uniformity of the ear in illustration on this page. This is a small stalked, two ear prolific maturing in about 115 days. Prices: lb. 45c; 2 lbs. 65c; 5 lbs. $1.10; 14 lbs. (pk.) $2.25; prepaid. Not prepaid 14 lbs. (pk.) $1.60; 28 lbs. (1/2 bu.) $2.75; 56 lbs. (bu.) $5.00.

F23 Latham’s Lellow Cross A high yielding good quality corn for the Coastal Plains. Prices: lb. 45c; 2 lbs. 65c; 5 lbs. $1.10; 14 lbs. (pk.) $2.25; prepaid. Not prepaid 14 lbs. (pk.) $1.60; 28 lbs. (1/2 bu.) $2.75; 56 lbs. (bu.) $5.00.

F13 Improved Golden Yellow Dent Golden Yellow Dent is a medium early corn, and matures in 110 to 120 days. A beautiful rich golden color; large deep grains. Prices: lb. 45c; 2 lbs. 65c; 5 lbs. $1.18; 14 lbs. (pk.) $2.25; prepaid. Not prepaid 14 lbs. (pk.) $1.60; 28 lbs. (1/2 bu.) $2.75; 56 lbs. (bu.) $3.00.

Wyatt’s Selected Field Corns OPEN POLLINATED—WHITE VARIETIES
(See note at bottom of page for postage and insurance charges on 1/2 bushel and Bushel lots of corn.)

F15 Latham’s Double (N. C. Certified Originators Stock) Our stock of certified and registered Latham’s Double is grown for us by Mr. F. P. Latham. Latham originated this splendid variety. One of the most dependable and highest yielding varieties for Eastern North Carolina and South Carolina, has the small cob and shells 85 percent grain when dry. Weed resistant and on good land can be depended upon for high yields. A two ear prolific. Prices: lb. 45c; 2 lbs. 65c; 5 lbs. $1.15; 14 lbs. (pk.) $2.45, prepaid. Not prepaid 14 lbs. (pk.) $1.80; 28 lbs. (1/2 bu.) $3.25; 56 lbs. (bu.) $6.00.

F12 Latham’s Double (N. C. Certified) Prices: lb. 45c; 2 lbs. 65c; 5 lbs. $1.10; 14 lbs. (pk.) $2.25, prepaid. Not prepaid 14 lbs. (pk.) $1.60; 28 lbs. (1/2 bu.) $2.75; 56 lbs. (bu.) $5.00.

F7 Mosby’s Prolific Our stock of this fine variety is all hand selected for seed from uniform ears. Ears are carefully rubbed at both ends and only the deep flinty middle grains are used for seeds. Mosby’s Prolific is the largest prolific variety for the Piedmont. The cob is small and the grains deep. 124 days. Prices: lb. 45c; 2 lbs. 65c; 5 lbs. $1.10; 14 lbs. (pk.) $2.25, prepaid. Not prepaid 14 lbs. (pk.) $1.60; 28 lbs. (1/2 bu.) $2.75; 56 lbs. (bu.) $5.00.

F6 Hickory King The grain is so wide and deep that the cob so small that often a single grain will cover the end of a broken cob. One of the best medium to poor land white varieties, and a high yielder on good land. Prices: lb. 45c; 2 lbs. 65c; 5 lbs. $1.15; 14 lbs. (pk.) $2.45, prepaid. Not prepaid 14 lbs. (pk.) $1.80; 28 lbs. $3.25; 56 lbs. (bu.) $6.00.

F16 Paymaster Red Cob A deep white grain on a very small bright RED COB—stands the drought—has a short stocky stalk—not does not blow down easily, and will mature in 100 to 110 days. Prices: lb. 45c; 2 lbs. 65c; 5 lbs. $1.15; 14 lbs. (pk.) $2.45, prepaid. Not prepaid 14 lbs. (pk.) $1.80; 28 lbs. $3.25; 56 lbs. (bu.) $6.00.

F20 Mammoth Ensilage More universally grown for ensilage than any other variety. It bears one to two ears to the stalk, the ears frequently over 12 inches. The grains are medium large flinty, closely placed on a small cob and are very high in protein. The ears are resistant to corn ear worm, weevil, ear rot. Ask for prices.

NOTE
For delivery by mail on larger quantities of corn not quoted prepaid on this page add to the price of the corn the following which includes postage and insurance:
For 1/2 bushel $1.10.
For 1 bushel $1.50.
Grasses

for Pasture and Hay

F57 Dallis Grass (Imported) In the cotton belt it furnishes two or more hay cuttings of fine quality. It stands light frosts and does well on most any soil with ample moisture. It stands close grazing remarkably well. Sets seed until killing frost. Sow February to April. Plant 8 pounds per acre. Prices: lb. $1.05; 5 lbs. $4.50; 10 lbs. $8.90, prepaid. Not prepaid 10 lbs. $8.80; 25 lbs. $19.25; 100 lbs. or more at 15c lb.

F56 Tall Meadow Oat Grass Withstands heat, drought and cold, starts give good grazing until late fall. Good under poor native pastures and with any of the clovers. Sow 10 lbs. per acre fall or spring. Prices: lb. 76c; 5 lbs. $2.75; 10 lbs. $5.00, prepaid. Not prepaid 10 lbs. $4.40; 25 lbs. $10.50; 100 lbs. or more at 40c lb.

F43 Italian Rye Grass American Grown—An annual grass with tall, broad flat leaves; very valuable for winter pasture or cover crop, either alone or in mixture. Sow 10 lbs. per 1,000 square feet for lawn; 30 to 50 lbs. per acre for pasture. Our seeds are thoroughly cleaned and are 99 per cent pure or better. Prices: lb. 45c; 5 lbs. $1.40; 10 lbs. $2.30, prepaid. Not prepaid 10 lbs. $1.76; 25 lbs. $4.00; 100 lbs. or more at 15c lb.

F42 Perennial Rye Grass It produces an abundance of foliage that season, will bear frequent and close cropping, is relished by all kinds of stock, and is not easily injured by tramping. It prefers a stiff well soil. Prices: lb. 55c; 5 lbs. $1.90; 10 lbs. $3.50, prepaid. Not prepaid 10 lbs. $2.70; 25 lbs. $6.50; 100 lbs. or more at 24c lb.

F55 Timothy Sow 15 lbs. per acre. Prices: lb. 50c; 5 lbs. $1.75; 10 lbs. $3.40. Not prepaid 10 lbs. $2.50; 25 lbs. $6.00; 100 lbs. or more at 22c lb.

F37 Bermuda (Hulled) This is the same Arizona grown Bermuda grass offered under F48 except that the tough hull has been removed and 1/3 less seeds are needed. Hullled Bermuda under favorable conditions during the late spring and summer may be sown from 5 to 10 days, and should be sown only during this period. Prices: lb. 90c; 5 lbs. $3.75; 10 lbs. $7.10, prepaid. Not prepaid 10 lbs. $6.50; 25 lbs. $15.50; 100 lbs. or more at 60c lb.

F35 Kentucky 31 Fescue A tall Fescue very similar to Alta. This strain was developed in Kentucky from whence its fame as a pasture grass has spread over the South. Because of its close kinship to Alta we recommend the same practices listed above for Alta. Prices: lb. $1.10; 5 lbs. $4.75; 10 lbs. $9.00, prepaid. Not prepaid 10 lbs. $8.40; 25 lbs. $20.50; 100 lbs. or more at 80c lb.

F53 Kentucky 31 Fescue A tall Fescue very similar to Alta. This strain was developed in Kentucky from whence its fame as a pasture grass has spread over the South. Because of its close kinship to Alta we recommend the same practices listed above for Alta. Prices: lb. $1.10; 5 lbs. $4.75; 10 lbs. $9.00, prepaid. Not prepaid 10 lbs. $8.40; 25 lbs. $20.50; 100 lbs. or more at 80c lb.

F48 Bermuda Grass Makes a vigorous and persistent growth in every part of the South; lasts for years; stands heat without injury, grows well in any soil that is not too wet. Sow at the rate of 10 to 20 lbs. to the acre for pasture; 60 to 80 lbs. per cord for stock feed. Sow from March until June. Seed will not germinate when ground is cold. It grows well under favorable conditions, in 30 to 40 days to germinate. Prices: lb. 75c; 5 lbs. $2.50; 10 lbs. $5.20, prepaid. Not prepaid 10 lbs. $4.70; 25 lbs. $1.33; 100 lbs. or more at 42c lb.

F44 Meadow Fescue Grows in almost all parts of the South. Furnishes green pasture through the fall and winter. Sow 30 lbs. per acre. Prices: lb. 80c; 5 lbs. $3.15; 10 lbs. $5.60, prepaid. Not prepaid 10 lbs. $3.00; 25 lbs. $11.75; 100 lbs. or more at 45c lb.

F27 Orange Grass (Onion Free) One of our most productive grasses. Prefers heavy, moist lowlands. Sow 10 lbs. to the acre. Prices: lb. 80c; 5 lbs. $3.15; 10 lbs. $6.70, prepaid. Not prepaid 10 lbs. $6.50; 25 lbs. $15.50; 100 lbs. or more at 60c lb.

F65 Permanent Upland Hay and Pasture Mixture A mixture of thoroughly cleaned grasses and clovers of adapted varieties carefully selected and mixed to produce an abundance of rich nutritious grazing and hay. It contains only the best quality varieties: Dallis, Tall Oat and Perennial Rye grasses among others and Ladino, Dutch, Alisike, Medium Red and Lespedesas along with other clovers. Sow 40 lbs. per acre. Prices: lb. $2.50; 5 lbs. $3.15; 10 lbs. $5.60, prepaid. Not prepaid 10 lbs. $5.00; 25 lbs. $11.75; 100 lbs. or more at 45c lb.

F49 Orchard Grass (Onion Free) One of our most productive grasses. Prefers heavy, moist lowlands. Sow 10 lbs. to the acre. Prices: lb. 80c; 5 lbs. $3.15; 10 lbs. $5.60, prepaid. Not prepaid 10 lbs. $3.00; 25 lbs. $11.75; 100 lbs. or more at 45c lb.

F54 Kentucky Blue Grass On soils that are suited to Blue grass it is one of the most important grasses because of its great nutritive value. It succeeds best on loamy, moderately rich soils; does well on any stiff soil. Sow either in the spring or the fall, 100 lbs. per acre. Prices: lb. $1.10; 5 lbs. $4.75; 10 lbs. $9.00, prepaid. Not prepaid 10 lbs. $8.80; 25 lbs. $20.50; 100 lbs. or more at 30c lb.

F66 Lowland Hay and Pasture Mixture This Mixture includes the most valuable varieties of grasses and clovers for bottom lands and on good soils produces a maximum of grazing and hay. Prices: lb. 80c; 5 lbs. $3.15; 10 lbs. $5.60, prepaid. Not prepaid 10 lbs. $3.00; 25 lbs. $11.75; 100 lbs. or more at 45c lb.
Sorghum - Millet
for grain and foliage

F73 Sudan Grass A quick growing heavy yielding summer hay crop well liked by stock. Strongly drought-resistant. Sow 10 lbs. to the acre or in rows two feet apart. Sudan Grass may be profitably grown with cowpeas and soybeans. Almost any soil, from heavy clay to light sand, will grow Sudan grass. Slow 10 lbs. to the acre in 2-foot rows; 25 lbs. broadcast. Prices: lb. 45c; 5 lbs. $1.40; 10 lbs. $7.40, prepaid. Not prepaid 10 lbs. $1.80; 25 lbs. $4.25; 100 lbs. or more at 16c lb.

F74 Tift Sudan Tift Sudan grows 4 to 8 feet, branches or leaves out to a greater degree, and is much more resistant to the many leaf and stem diseases than the common variety. This disease resistance and the fact that it recovers faster from cutting and grows over a longer period makes for a much more profitable crop. Prices: lb. 35c; 5 lbs. $1.50; 10 lbs. $3.30, prepaid. Not prepaid 10 lbs. $2.70; 25 lbs. $6.50; 100 lbs. or more at 5c lb.

F75 Sweet Sudan A broad leaved, disease resistant Sudan similar to Tift but much sweeter and more palatable to stock. In experimental plantings where all three Sudan are planted, cattle keep the Sweet Sudan grazed to the ground and graze the others only where there is none of the Sweet Sudan to graze. An outstanding summer temporary grazing and hay crop. Plant and handle other as Sudans. Prices: lb. 45c; 5 lbs. $1.50; 10 lbs. $2.60, prepaid. Not prepaid 10 lbs. $2.00; 25 lbs. $4.75; 100 lbs. or more at 16c lb.

SYRUP AND FORAGE SORGHUMS

CULTURE: Plant when the ground becomes thoroughly warm, about two weeks after corn planting, on a rich, well drained clay loam, in rows 3½ to 4 feet apart, and cultivate as you would corn. After the flowering stage is past, but not earlier, it may be pastured or cut for fodder. Sorgum may be grown with cowpeas and soy beans either in rows or broadcast. Sow alone, 50 lbs. per acre. In rows 6 to 8 lbs. per acre.

F192 Early Amber Grown with cowpeas or soy beans the quality of the hay is improved. The proportions recommended are 15 lbs. Early Amber, 1½ bushel of soy beans and 1 bushel cowpeas to the acre broadcast. Grows 10 to 12 feet high. Sow broadcast 50 lbs. per acre; 3 to 6 lbs. plants an acre in 3½ to 4-foot rows. Write for prices.

F193 Early Orange taller and heavier than the Amber, although not as early. Prices: lb. 45c; 5 lbs. $1.15; 10 lbs. $1.80. 25 lbs. $2.75; 100 lbs. or more at 16c lb.

F198 Syrup Cane A recent selection especially for syrup. Tall heavy stalks of a good uniform type, producing good quality syrup. Prices: lb. 45c; 5 lbs. $1.40; 10 lbs. $2.60; 25 lbs. $4.25; 100 lbs. or more at 16c lb.

BROOM CORN

F294 Broom Corn Evergreen type. Plant 1½ to 2½-inch rows, thinning out to stand 8 to 10 inches in the row and cultivate like corn. 6 lbs. per acre. Prices: lb. 45c; 5 lbs. $1.42; prepaid. Not prepaid 10 lbs. $2.40; 25 lbs. $3.30; 100 lbs. or more at 26c lb.

COMBINE MILO FOR GRAIN

F296 Plainsman (Combine) Milo a superior plant for growing of its low habit of growth. For grain it out yields in 90 to 120 days. Ready to cut for hay in 60 days. Plant 10 lbs. per acre in rows; broadcast 25 lbs. with peas or 50 lbs. alone. Prices: lb. 35c; 5 lbs. $1.00; 10 lbs. $1.60, prepaid. Not prepaid 10 lbs. $1.00; 25 lbs. $2.25; 100 lbs. or more at 4c lb.

HEGARI

F197 Hegeri Recognized as the most valuable and widely adapted member of the sorghum family, and well suited to conditions in the Southern states. Hegari has great forage value for two reasons. First because its high sugar content makes stalks and leaves highly palatable to livestock and second, it yields heavily with its many broad leaves and substantial stalks. As an ensilage crop many acres are planted to Hegari every year in the South. As a pasture crop, in thickly seeded plantings it pastures well and makes good hay. Its largest use is in bundle feeding and it can be left shocked in the field until fed, or as is coming into more general practice, it is grown head, stalks and leaves through a hammer mill. Hegari makes a good substitute crop for swine, on which it out yields on light soils, and it can be planted much later. Prices: lb. 35c; 5 lbs. $1.00; 10 lbs. $1.60; 25 lbs. $2.25; 100 lbs. or more at 4c lb.

WYATT'S RECELANED MILLETS

F185 Golden Millet German or Golden Millet makes a quickly grown, easily cured and large yielding, nutritious hay crop. Seed thickly, not less than 50 lbs. to the acre, from the middle of April until the end of July. It's a quick crop, maturing in six to eight weeks. Cut while in bloom, before the seed hardens in the head. Prices: lb. 40c; 5 lbs. $1.25; 10 lbs. $2.00, prepaid. Not prepaid 10 lbs. $1.40; 25 lbs. $3.25; 100 lbs. or more at 12c lb.

F186 Pearl, or Cat-Tail Millet One of the best and most nutritious of the continuous cutting green forage plants. Grows 8 to 10 feet high; but cut and brought when it has attained the height of 3 to 4 feet, when it will stand out enormously and make rapid growth; can be cut in two stages, four times during the season. It does well even on poor land, and surprisingly well in dry seasons. Plant April to August, to 8 lbs. to the acre in 3 foot rows. Prices: lb. 45c; 5 lbs. $1.40; 10 lbs. $2.40; prepaid. Not prepaid 10 lbs. $1.80; 25 lbs. $4.25; 100 lbs. or more at 16c lb.

TEOSINTE

F289 Teosinte Cut when 4 or 5 feet high, it makes an excellent fodder. It starts immediately into growth again, and will give several more cuttings. If sufficient quantity is planted a continuous supply of nutritious green feed can be had daily right up to frost. Plant in May or June in drills 3½ to 4 feet apart; 3 to 4 lbs. plants an acre. Prices: lb. $1.50; 2 lbs. $2.75, prepaid. Write for prices on larger lots.
**F146 Ogden** Ogden is considerably earlier than most beans and is consequently better adapted to rotations with small grains. Seedings as late as June in the Wake County trials made a substantial production of hay. Average bean yield for 6 tests at scattered points in the state during 1943 was 27.8 bushels per acre. Plants are nicely branched and for that reason are more desirable for hay than the coarser growing types. Write for prices.

**F150 Volstate** A yellow seeded variety producing high yields of good oil beans. Plants are somewhat taller than Ogden and slightly less branched. For a hay crop or a crop that might be optional we would recommend Ogden, but for a crop planted on light land and for combining we would recommend the Volstate owing to the height of the plant and the fact that the beans are somewhat bunched on the plant. Write for prices.

**F143 Roanoke** A new bean developed in the N. C. Experiment Station, U.S.D.A. Cooperating. Bean yield is higher than other popular varieties and the oil content of the bean is higher. Write for prices.

Write for prices and list of other varieties available.

**F304 Crotalaria, Giant Striata**

**F106 Taylor or Gray Crowder** A large speckled pea that has a large, long pod. Matures early. Write for prices.

**F110 Clay** Seeds medium sized and cream or clay colored. Vines grow long and leafy. Seed matures medium late. Write for prices.

**F107 Iron** This variety is noted for its disease-resistant qualities. Write for prices.

---

**STOCK PEAS**

Owing to the present situation with respect to farm labor the supplies of peas especially pure varieties, are extremely short.

**F101 Brabham** The seeds are smaller and do not require to be seeded as thickly as other kinds. It is disease-resistant, vigorous in growth, holds its foliage well, valuable for hay. Write for prices.

**F109 Whippoorwill** More largely grown than any other cowpea, probably because of its long vine, usually six feet long, and its large yield of both hay and peas. Write for prices.

**F111 Black** Very prolific, early to mature, makes a fine growth. Write for prices.

**F106 Taylor or Gray Crowder** A large speckled pea that has a large, long pod. Matures early. Write for prices.

**F110 Clay** Seeds medium sized and cream or clay colored. Vines grow long and leafy. Seed matures medium late. Write for prices.

**F107 Iron** This variety is noted for its disease-resistant qualities. Write for prices.

For edible varieties see page 15

---

**VELVET BEANS**

F211 EARLY RUNNING SPECKLED, An extra early Velvet Bean that is largely planted throughout the South and extremely popular. It is one of the quickest-growing and earliest maturing of the Velvet Beans. Plant April to July. Prices: lb. 40c; 5 lbs. $1.40; 10 lbs. $2.10, postpaid. Net prepaid 15 lbs. (peck) $1.95; 60 lbs. (bu.) $6.00.

---

**ACID-DELINTED COTTONSEED**

**SAVE TIME**... Plant Sinksers with your corn-planter in half the time it takes to plant fuzzy seed. Plant six acres without refilling hoppers. No clogging! No skips!

**SAVE LABOR**... Sinksers are planted to a stand. No labor for thinning! Rapid Sinksers germination permits cultivation within a week, saving greatly on chopping labor. Sinksers early maturity means lower first picking costs and higher grades.

**SAVE MONEY**... Planting Sinksers saves money. Plant only 1/4 the amount of Sinksers you do of fuzzy seed. The great saving in time and labor throughout the planting and growing season means a great saving to you in money.

SINKERS Acid-Delinted Cottonseed in easy-to-handle 50-Lb. Bags $13.50 Per Bag

---

**CROTALARIA**

F304 GIANT STRIATA. The highest yielding Crotalaria adapted to all soils and making a tremendous tonnage of green manure on the poorest dry or wet land. Only 10 to 15 pounds of seeds are required per acre and may be sown in small grains at the time soda is applied if seeding is followed with harrow or weeder. Very deep rooting. Sow February to July. Prices: lb. 45c; 5 lbs. $1.65; 10 lbs. $2.80, postpaid. Not prepaid 10 lbs. $2.25; 25 lbs. $5.00 100 lbs. or more at 18c lb.
POTATOES - PEANUTS - RAPE

PEANUTS

One peck will plant about 100 feet of row, or 100 hills; 10 to 12 bushels required for an acre.

Certified Irish Cobbler A most excellent extra-early variety producing plump, handsome tubers of good size and excellent quality. The vines make short, upright growth, so that the hills may be only a short distance apart. The flesh is pure white with a clean, smooth, white skin with strong, well developed eyes slightly indented. In quality they are excellent, always cooking dry and mealy. Prices 7½ lbs. (½ pk.) 90c; 15 lbs. (½ bu.) $1.55; 30 lbs. (1 bu.) $2.75; 60 lbs. (bu.) $3.00, postpaid. Not prepaid pk. 90c; ½ bu. $1.70; bu. $3.20; 100 lbs. or more at $.45 lb.

Certified Red Bliss This is the most popular red skinned variety. Early maturing, bright red skinned potatoes, almost round with rather deep eyes. Flesh is firm and of good texture. Some claim for it a superior flavor. Prices 7½ lbs. (½ pk.) 95c; 15 lbs. (½ bu.) $1.55; 30 lbs. (1 bu.) $2.75; 60 lbs. (bu.) $3.00, postpaid. Not prepaid pk. 90c; ½ bu. $1.70; bu. $3.20; 100 lbs. or more at $.45 lb.

F299 BUCKWHEAT

The earliest, most prolific and largest of all buckwheats, and makes fine flour. Prices: lb. 40c; 5 lbs. $1.25; 10 lbs. $5.00, postpaid. Not prepaid 10 lbs. $1.40; 25 lbs. $3.25; 100 lbs. or more at 12c lb.

F290 CHUFAS

Make rows 2½ to 3 feet apart, dropping seed about one foot apart in the row, and covering about 2 inches. Chufas require more water than peanuts. Can be planted from April to June, cultivation same as peanuts. Prices: lb. 55c; 5 lbs. $2.00; 10 lbs. $3.60, postpaid. Not prepaid 10 lbs. $3.00; 25 lbs. $7.00; 100 lbs. or more at 26c lb.

F175 Fulgrain A heavy yielder and rustproof has plump full heads that mature early. Prices: 8 lbs. (pk.) $1.00; 16 lbs. $1.65; 32 lbs. (bu.) $2.00, postpaid. Not prepaid 8 lbs. 60c; 32 lbs. (bu.) $1.90; 3 bu. bags $1.35 per bu.

F174 Columbia Favorite for growing on the light sandy soils of the coast sections of the South Atlantic States. It makes a good growth of straw, is an abundant yielder of bright, clean heavy grain, is free from rust. Early plantings can be cut in time to put the same land in summer crops. Prices: 8 lbs. (pk.) 95c; 16 lbs. $1.35; 32 lbs. (bu.) $2.50, postpaid. Not prepaid 8 lbs. 60c; 32 lbs. (bu.) $1.75; 4 bu. bags $1.50 per bu.

F171 Victorgrain High yielding Coker oat. Prices: 8 lbs. (pk.) $1.00; 16 lbs. $1.65; 32 lbs. (bu.) $2.00, postpaid. Not prepaid 8 lbs. 60c; 32 lbs. (bu.) $1.90; 3 bu. bags $1.35 per bu.

F172 F221 Valencia Yields 600 to 700 pounds in shells. Adapted to a variety of soils and makes few "pops." Straight smooth pods contain 3 or 4 large kernels of finest quality. An early bunch variety. Prices: lb. 45c; 2 lbs. 80c; 5 lbs. $1.75, postpaid. Not prepaid 10 lbs. $3.00; 25 lbs. $6.75; 100 lbs. or more at 28c lb.

F222 North Carolina Runner Yield 800 to 1,200 lbs. in shells per acre. Very high in oil content and a good variety for hogging. Pods slightly larger than Spanish, red skinned and good quality. Prices: lb. 45c; 2 lbs. 80c; 5 lbs. $1.75, postpaid. Not prepaid 10 lbs. $3.00; 25 lbs. $6.75; 100 lbs. or more at 26c lb.

F223 Tennessee Red Yield about the same as North Carolina Runner. Nuts larger, pods well filled with 3 or 4 kernels of excellent quality. Prices: lb. 45c; 2 lbs. $1.80, postpaid. Not prepaid 10 lbs. $3.00; 25 lbs. $7.25; 100 lbs. or more at 26c lb.

F224 Improved Spanish Yields 1,000 to 1,200 lbs. per acre in shells. This is the earliest of all peanuts, a bunch type, producing a larger nut tightly filled with 2 kernels each. Highest in oil content and most dependable for varied soils. Stongs roots attach nuts to plants and prevent loss in harvesting. Plant 6 inches apart in 18 inch rows for highest yields. Prices: lb. 45c; 2 lbs. 80c; 5 lbs. $1.75, postpaid. Not prepaid 10 lbs. $2.00; 25 lbs. $6.75; 100 lbs. or more at 26c lb.

F225 Virginia Bunch Yields 1,500 to 3,500 pounds in shells. Produces largest nuts of bunch type and highest yielding of all varieties since it can be planted closer in rows. Prices: lb. 45c; 2 lbs. 80c; 5 lbs. $1.75, postpaid. Not prepaid 10 lbs. $2.00; 25 lbs. $6.75; 100 lbs. or more at 26c lb.

F226 Russian Sunflower

Sunflower seeds fed to poultry makes a real egg-producer, and being rich in oil and protein they make an ideal food during the moulting season. Prices: ½ lb. 12c; lb. 40c; 5 lbs. $1.60, postpaid. Not prepaid 10 lbs. $2.60; 25 lbs. $6.00; 100 lbs. or more at 22c lb.

CULTURE: Solis: Well drained sandy loam, properly limed, is best. Varieties: Virginia Bunch and Jumbo Runners in the old belt of North Carolina and Virginia, Spanish, North Carolina Runner or Virginia Bunch in the Southern Coastal plains and counties bordering the Piedmont using Tennessee, South Carolina Red, or North Carolina Runner if in doubt as to the ability of the soil to make the larger varieties. In the Piedmont the Spanish variety is recommended. Smaller varieties produce more oil per ton of nuts, however, on adapted soils the larger nuts produce more oil per acre. Use 35 lbs. small varieties: 45 lbs. large varieties (shelled) per acre. Buy 1-3 more nuts by weight in the shell for the desired amount of shelled nuts. Field tests show 27 per cent increase in yield when seeds are treated with Arasan. Average of 22 tests conducted in North Carolina showed $6.45 per acre increase return where peanuts were dusted 4 times with sulfur-copper dust, after deducting the cost of dusting.

F242 Peanut, Improved Spanish

F228 Rape, Dwarf Essex

A succulent and nutritious quick pasture crop for stock and poultry. Ready in 6 to 8 weeks. After cutting or grazing, plant continues to grow. Makes acceptable table “greens." Can be planted in drills, using 4 pounds of seed to the acre, or broadcast 8 pounds. Should be sown at intervals from August to April. Prices: lb. 3c; 5 lbs. $1.25; 10 lbs. $2.25, postpaid. Not prepaid 10 lbs. $2.00; 25 lbs. $4.75; 100 lbs. or more at 18c lb.

F288 Russian Sunflower

Sunflower seeds fed to poultry makes a real egg-producer, and being rich in oil and protein they make an ideal food during the moulting season. Prices: ½ lb. 12c; lb. 40c; 5 lbs. $1.60, postpaid. Not prepaid 10 lbs. $2.60; 25 lbs. $6.00; 100 lbs. or more at 22c lb.
F266 Dixie Bright 101, Certified

From information available, Dixie Bright 101 is the best in yield and value per acre of any variety having resistance to black shank or to Granville wilt. A few crops were criticised for being a little sick, a few crops showed a gray mould appearance which was objected to, and some crops were criticised for being too white.

Dixie Bright 101 has moderate resistance to black shank and high resistance to Granville wilt. Suitable throughout the state where growers are using a rotation to keep the degree of black shank infestation down to some extent, or where both black shank and Granville wilt are present, or where Granville wilt alone is present. Prices: Oz. $3.00; 3 ozs. $8.25; lb. $39.00, postpaid.

F261 Dixie Bright 102, Certified

Probably the highest quality variety available today has high resistance to black shank and Granville wilt. A moderate yielder (about like Oxford 26 and Virginia Bright Leaf), usually produces cigarette tobacco nearly to the full stamp and is of perfect size. Dixie Bright 102 is a rich lemon color. Dixie Bright 102 needs to be primed when mature and ripe, and the temperature needs to be advanced early and rapidly as the leaf approaches the yellow stage. Otherwise, the leaf sponges easily. With proper ventilation, the leaf will dry at a fairly low temperature and dries quickly. The variety is suitable throughout the state where black shank is severe and where both black shank and Granville wilt are present. We know of no instance where buyers have found any criticism of Dixie Bright 102. The variety did show considerable susceptibility to ring spot in some cases where ring spot is a problem. Prices: Oz. $2.00; 3 ozs. $8.25; lb. $39.00, postpaid.

Ask us about “DD” for nematode control

F256 401, Certified

A broad leaved variety developed from a cross of 400 on Cash. Produces a large leaf with a robust ring. It has infested in growth habit, 400 but has slightly more body, producing high yields of superior quality leaf. Best cures are obtained when the leaves ripen thoroughly on the hill. Prices: Oz. $1.60; 3 ozs. $5.65; lb. $13.00, postpaid.

F277 402, Certified

A cross of 400 and Jamaica Wrapper. A very high yielding tobacco for both black shank and Granville wilt of Eastern North Carolina and a producer of fine quality. Prices: Oz. $7.00; 3 ozs. $5.25; lb. $26.00, postpaid.

F260 Mammoth Gold, Certified

The heaviest producers of bright leaf tobacco. Prices: Oz. $1.60; 3 ozs. $5.65; lb. $13.00, postpaid.

F271 Bottoms Special, Certified

Top money maker in demonstration in Nash County last season, returning $1,157.10 per acre compared with an average per acre return of $1,070.00 for the next 3 highest varieties. Prices: Oz. $1.00; 3 ozs. $2.65; lb. $13.00, postpaid.

F270 Virginia Gold

Oz. $2.00; 3 ozs. $5.25; lb. $26.00, postpaid.

F274 Lemon Yellow

Oz. $2.00; 3 ozs. $5.25; lb. $26.00, postpaid.

F276 Golden Harvest, Certified

Oz. $2.00; 3 ozs. $5.25; lb. $26.00, postpaid.

F268 Hicks Broadleaf

Oz. $2.00; 3 ozs. $5.25; lb. $26.00, postpaid.

BLACK SHANK RESISTANT

F279 Oxford No. 1, Certified

Resistant to Black Shank, a disease that attacks the larger roots and stalks, causing death rapidly. For best results plant on soils that have not been planted to crops other than tobacco for at least 2 years. Recommended only for fields where Black Shank is known to be present. Prices: Oz. $2.00; 3 ozs. $5.25; lb. $26.00, postpaid.

F262 Vesta 30

More resistant to Black Shank than Oxford 1 and recommended for soils badly infested with the disease yet yields slightly less than Oxford 1. Price: Oz. $1.00; 3 ozs. $5.25; lb. $13.00, postpaid.

F264 Vesta 33

Black Shank infected land last season. Made $67.30 per acre return on seed. Leaves are large and heavy. Prices: Oz. $2.00; 3 ozs. $5.25; lb. $13.00, postpaid.

BLACK ROOT—ROT RESISTANT

F273 400, Certified

Noted for production of high quality yields of thin bright tobacco on the more fertile soils. Prices: Oz. $1.00; 3 ozs. $3.65; lb. $13.00, postpaid.

F274 Oxford 26, Certified

Recommended only for fields known to be contaminated with Granville wilt. This strain is highly resistant, but for best results should be grown on soil rotated to other crops 1 to 2 years.

F254 Black Root, Rot, a disease that is common on the heavier soil types of the old and middle belts. Best cures are obtained where the leaves ripen thoroughly on the hill. Prices: Oz. $1.00; 3 ozs. $3.65; lb. $13.00, postpaid.

GRANVILLE WILT RESISTANT

F254 Oxford 26, Certified

Recommended only for fields known to be contaminated with Granville wilt. This strain is highly resistant. Yields 200 to 400 pounds more per acre than Oxford 26, but until its characteristics and qualities are better known and understood, it is recommended that each grower limit planting of this variety in 1951 to a barn sized crop. This variety should be allowed to become well mature and ripe before harvest. Prices: Oz. $3.00; 3 ozs. $8.25; lb. $39.00, postpaid.
Seed Disinfectants - Weed Killers - Inoculants

DUPONT SEED DISINFECTANTS
Write for Free Seed Treating Write for Free Seed Treating

ARASAN
Destroys many surface seed-borne organisms and protects the seed against certain soil-borne organisms that cause early decay. Improve stands and frequencies increase yields of quality crops. N. C. State College Bulletin No. 277 per cent increase in peanut stands. University of Illinois tests show 5.8 bushels per acre increased yield of corn. Excellent reports on use of "ARASAN" for many vegetables. 3 oz. 30c; 6 ozs. $1.15; 4 lbs. $6.25, postpaid. Not prepaid 25 lb. drum $30.00; 100 lb. drum $115.00.

ARASAN SF
Possesses the same fungicidal and insecticidal properties as ARASAN. ARASAN SF has been developed for large scale processing using the "liquor" method of seed treatment. Write for full details. Seed treatments 56 for "slurry" treat. 3 lb. bag $5.45, postpaid. Not prepaid $5.75. 25 lb. drum $45.00; 100 lb. drum $172.50.

CERESAN M
Replaces "New Improved Ceresan"
A dry, practically odorless, seed disinfectant for wheat, oats, rye, barley, cotton, peas and sorghum, recommended for use on all the common seed diseases and at the same rate of application as New Improved Ceresan. Seed treatments 3 lbs. $1.35; 3 lbs. $1.35, postpaid. Not prepaid 200 lbs. $32.20; 100 lb. drum $75.30.

NEW IMPROVED CERESAN
A dry seed treatment which effectively kills certain seed-borne diseases by both contact and vapor—recommended for use on all excrement stations — inexpensive. One pound treats 5 x 8 bushels—seed, 1/2 lb. $1.35, postpaid. Not prepaid 1-1/2 lb. $1.35; 25 lbs. $60.13, 100 lbs. $22.80.

SeMENAS BEL
Tests in fifteen states have proved that most potato growers can usually expect better potatoes if they treat them with "Semenas Bel." Costs only about 21 cents an acre. Protects seed-piece decay, seed-borne scab and Rhizoctonia seedling. Seed, just dip, drain, and dry. Charges 10,000 seeds of seed. 2 ozs. 60c; 1 lb. $2.15; 4 lbs. $6.65, postpaid.

DU PONT LAWN WEED KILLER
Low concentrate formulation of 2, 4-D prepared especially for use in lawns and gardens, and most other broad leafed weeds common in grass lawns. Cover susceptible ornamentals etc. with black plastic sheeting before spraying and you won't harm your ornamentals. Poisons leaves, roots, etc., and chemicals remain in the soil long enough to control annuals and perennials. It is safe to use during the dormant period of the lawn. Prices: 8 oz. can $1.29, qt. can $2.35, postpaid. Not prepaid 8 oz. $1.09; 1 qt. can $2.95.

DU PONT 2, 4, 5-T AMINE BRUSH KILLER
Most effective yet found for control of hard-to-kill woody plants such as shrubs, persimmon, black jack oak, hickory, etc. May be used during the dormant period of the plant. Work is not pressing. Not for use on agricultural crops. Prices: 1 gal. $19.70, postpaid. Not prepaid 1 gal. can $19.10.

DU PONT 2, 4-D—2, 4, 5-T AMINE BRUSH KILLER
Combination of 2, 4-D and 2, 4, 5-T for control of most sprout growth and weeds. Excellent for ditch bank and roadside work. Not for use on agricultural crops. Prices: 1 gal. can $14.00, postpaid. Not prepaid 1 gal. can $13.40.

DU PONT 2, 4-D AMINE KILLER
A highly effective contact killer for sprouts and weeds. Excellent for use during the dormant period of the plant. Work is not pressing. Not for use on agricultural crops. Prices: 1 gal. $19.70, postpaid. Not prepaid 1 gal. can $19.10.

DU PONT 2, 4-D WEED KILLER (Powder)
Every farmer knows that weeds and grasses do not grow well in the same field as cotton. Every weed killer, such as Du Pont 2, 4-D weed killers are making history in the control of weeds on the farm. Du Pont 2, 4-D weed killer has been found to be extremely valuable as a selective weed killer. It controls pastures, lawns and other troublesome weeds. Non-corrosive, non-inflammable and economical. 1 pound makes 50 to 100 gallons of spray. 1 lb. bottle $1.75, postpaid. Not prepaid 1 lb. $1.45; 5 lbs. $6.10.

AMMATE WEED KILLER
Used at the proper rates and according to the procedure recommended on the label of each container, Ammace offers an effective weapon to help combat the losses caused by certain weeds. Poison ivy, poison oak and poison sumac are particularly dangerous to many individuals. Ammace will generally eliminate such plants. Ammace is a high-priced poison and may be used safely on weed-infested areas without danger to livestock and humans. Ammace usually exerts only temporary effect and is pre-tested in Laboratory and greenhouse, varying with the soil. Treated areas may often be used for growing crops during the same season.

Prices: 2 lb. bottle $1.30, postpaid. Not prepaid 2 lbs. $1.00; 6 lbs. $2.70; 50 lbs. $14.82.

INOCULATE ALL LEGUMES with NOD-O-GEN
More and more growers have become convinced that the use of a good inoculator . . . on legume seed just before every planting . . . pays big returns.

Before being released for use, every lot of NOD-O-GEN has been tested in Laboratory and greenhouse to make sure of the presence of billions of vigorous bacteria of the right kind. Be sure to name seeds to be inoculated when ordering.

GROUP 1—Alfalfa, Sweet Clover, Bur Clover, Hubam Clover and Black Medic. Prices: Bu. 50c; 2½ bu. $1.00, postpaid.

GROUP 2—Cleavers, Med. red, Crimson, Mammoth, Alsike, White and White Dutch. Prices: Bu. 50c; 2½ bu. $1.00, postpaid.

GROUP 4—Soybeans, all varieties. Prices: 2 bus. 30c; 5 bus. 55c; 30 bus. $3.00, postpaid.

GROUP 5—Cowpeas, Peanuts, Lima Beans, Velvet Beans, Croatalaria, Kidzu and Mung Beans. Prices: 2 bus. 50c; 5 bus. 55c; 30 bus. $3.00, postpaid.

GROUP 6—Field Beans. Wax, String, Navy, Snap, Kidney and Scarlet Runner. Price: Bu. 35c, postpaid.

GROUP 7—Large Package—All Vetches—Spring, Wild, Common, Hairy or Winter and Hungarian. Peas—Aue, Canada, Garden, Sweet and Canning Peas, Broad Bean, Lentil. Prices: 100 lbs. 55c, postpaid.

GROUP 8—Garden combination for Garden Peas and Beans, Sweet Peas, Lima Beans and Lupine. Prices: 8 lbs. or less 15c, postpaid.

GROUP 9—Lupine. Price: 100 lbs. 55c, postpaid.
HORMODIN POWDER
Cuttings treated with Hormodin Powder root quickly and contain more roots per cutting. Can also be used for seed treatment. Supplied in three strengths, paralleling the range of hormones in nature.

Directions and complete plant name-list in each package.

Hormodin Powder No. 1
The general purpose powder designed for the home gardener or commercial florist.
1/2 oz. trial packet, each .25 postpaid
1/4 oz. tin, each .................................. .50 postpaid
1 lb. tin (for 35,000 cuttings) each .00 postpaid

Hormodin Powder No. 2
For propagating many woody and semi-woody types of plants.
1/2 oz. tin ........................................ $ 1.00 postpaid
1 lb. tin (for 35,000 cuttings).......................... 4.00 postpaid

Hormodin Powder No. 3
For propagating the more difficult-to-root varieties.
1 oz. tin ............................................ $1.00 postpaid
1/2 lb. tin (for 15,000 cuttings) ........................ 4.50 postpaid

Combination Package
A convenient combination package is available, containing a supply of the three Hormodin Powders, adequate for treating hundreds of cuttings. 75c, postpaid.

ARSENATE OF LEAD, DRY
The standard spray or dust for quick control of practically all leaf-eating (not sucking) insects. Lb. 5c; 4 lb. bag $1.50.

B-H-C COTTON DUST
3% Benzenehexachloride. 5% DDT, 40% Sulphur Dust for boll weevil, aphid and boll worm in cotton. 10 to 15 lbs. per acre. 50 lb. bags $16.50.

B-K POWDER
Quick acting low cost bactericide. Used as an aid in the controlling of poultry diseases. Contains 50 per cent available chlorine. For treating poultry, dairy utensils in milk plant, ice cream plant and creamery equipment to kill bacteria. 9 oz. bottle 95c; 1/4 lb. bottle $1.75, postpaid. Not prepaid, 9 oz. 85c; 1/4 lb. size $1.70.

BLACK-LEAF-40
(NICOTINE SULPHATE.) Excellent for killing aphids, thrip, sucking insects, leaf-hoppers, and poultry-lice. 1 to 3 tablespoons per gallon. Oz. 40c; 5 ozs. $1.20; lb. $2.60; 2 lbs. $4.40; 5 lbs. $7.70; 10 lbs. $13.15; delivered. Not prepaid, oz. 3c; 5 ozs. $1.05; lb. $2.42; 2 lbs. $4.15; 5 lbs. $7.40; 10 lbs. $13.85.

BUD-GETA
Bug-Geta pellets are prepared bait for slugs, cutworms, moth larvae, etc. Ready and easy to scatter. 12 oz. box 65c; 2 lbs. $1.50, postpaid. Not prepaid 15 oz. 5c; 2 lbs. $1.00.

CALCIUM ARSENATE, DRY
For dusting and spraying. An arsenical poison for chewing insects, especially potato beetles. 4 lb. bag 85c.

CARBON DI-SULPHIDE
For pea and grain weevils, etc. One pound per 1,000 cu. ft. Lb. 75c; 5 lbs. $2.60. Cannot be mailed.

COPPER "A"
Easier to use, more effective and safer than old forms of copper. Useful in the control of disease attacking cucumbers, melons and tomatoes which are sensitive to Bordeaux. 6 lb. bag $3.15, postpaid. Not prepaid $2.70.

Insecticides, Fungicides

CROLYLITE
A superior insecticide in the control of many of our most serious insect pests. Investigations by both Federal and State entomologists reveal an increasing number of pests controlled effectively with Cryolite. Generally Cryolite mixed 3 lbs. to 100 gal. (1 1/2 level tablespoons per gallon) for spraying or thoroughly mixed equal parts with talc for dusting will give effective control of chewing insects. For heavy infestations or certain insects, increase the Cryolite by one-half. Never use with lime. Ask for free bulletin. Prices: 1 cu. ft. 6 lb. bag $1.90, postpaid. Not prepaid 45c; 6 lb. bag $1.50.

CYANOGAS "A" DUST
Poisonous gas. Kills moles, rats, mice, bed bugs, clothes moths, ants, grape leaf hoppers, etc. 1/4 lb. bottle $1.25; 1 lb. $1.75; 5 lbs. $7.75; 25 lbs. $12.50; 100 lbs. $30.00. Cannot be mailed.

CYANOGAS "G" FUMIGANT
Poisonous gas. For greenhouse, flour mill and grain fumigation. Kills whitefly, aphid, moths, wireworm, etc. 1 cu. ft. $4.00; 5 cu. ft. $15.00; 100 lbs. $30.00. Cannot be mailed.

D-D (Soil Fumigant)
Especially designed and built for the application of Cyanogas, around dumps, barns, buildings, etc., enabling operator to deposit the gas in tunnels and burrows, for more effective control of rats. Price: 1 lb. capacity pump $15.00; 5 lb. capacity pump $50.00.

D-D (Applicator)
1 pint bottle and pump for applying D-D to nematode infested soils. Price: $3.50.

DOGZOFF
An effective repellent in the form of a spray when applied to shrubs, lawns, gardens, etc. 3 oz. bottle 84c, postpaid. Not prepaid 75c.

D-X (P.R. DDT.)
A concentrated plant spray containing 75 per cent Rotenone and 28 per cent pyrethrum in an active glycerine oil base. Controls sucking and chewing insects on fruits, vegetables and flowers. 1/2 oz. bottle 50c; 8 oz. $2.00; qt. $8.50, postpaid. Not prepaid 115 oz. 3 oz. bottle 75c; qt. $3.50; gal. $14.50.
DDT DEENATE 50-W. A wettable 50 p. e. p. DDT powder for use on crops, animals, buildings, etc. Easily and quickly mixed with a water to any desired strength. For control of cultural crops mix 1 to 2 lbs. per 100 gals. water. Farm buildings ½ lb. to 1 gal. water. 3 lbs. bag $2.00, postpaid. Not prepaid 3 lbs. $1.65.

DU PONT 5 PER CENT DDT INSECTICIDE. Controls flies, mosquitoes, ants, bedbugs, tics. Controls silver fish, fleas, ticks. Not for animals or plants. Pint 65c; qt. $1.65, postpaid.

5 PER CENT DDT WALL AND SCREEN SPRAY. One quart to approximately 250 square feet control many troublesome insects. Pt. 50c; qt. 85c, postpaid. Not prepaid pt. 35c; qt. 55c; gal. $1.95.

FLORAL DUST
Du Pont FLORAL DUST—newly developed to control both insects and plant diseases. Also controls pest control. It gives outstanding results when used on roses, etc. Can be used as a dust—or can be easily mixed with water for spraying. Because it contains two insecticides—boron and methoxychlor, similar in killing action to DDT, it can be used on tender plants. Floral Dust is a control for common chewing insects, as well as sucking insects such as aphids. FLORAL DUST combines sulphur with "Fermate" fungicide—recommended in the Macay formula for control of plant diseases. Prices: 8 oz. duster can 95c; lb. $1.40; 4 lbs. $3.90, postpaid. Not prepaid 8 oz. 75c; lb. $1.15; 4 lbs. $3.50.

FERNATE Trade Name Fungicide
BLUE MOLD IN TOBACCO SEEDBEDS
FERMATE at the rate of 2 lbs. per 100 gallons sprayed at 3 to 4 day intervals is the most simple and effective way to control tobacco blue mold in most areas.

APPLES: For control of scab, cedar apple rust, quince rust, apple blotch, black rot (frog eye) Brooks fruit spot and bitter rot.

PEARS. For control of pear scab.

CHERRIES. For control of brown rot and leaf spot.

BEANS. For control of anthracnose.

TOMATOES. For control of anthracnose fruit spot.

FERMATE is a protective, not a curative, fungicide. It must be applied before, not after disease infection occurs. This means that new growth must be thoroughly covered. FERMATE sprays or dusts prior to and during infection periods. Prices: Same as above. Not prepaid 3 lb. bag $2.55; 36 lbs. (case 15-3-1 lb. bags) $26.54.

FERMATE DUST
Full 15% strength. Ready to use. Prices: 10 lb. bag $1.60; 25 lb. bag $4.60; 50 lb. bag $7.50.

FRUIT TREE SPRAY
Effective against many insects and diseases attacking apples, peaches, cherries, pears, plums, strawberries, etc. Contains Du Pont's Methoxychlor. Fertame and Sulphur. A wettable powder for dust or spray. 1 lb. to 15 gallons water. 1 lb. $1.40; 3 lbs. $3.10, prepaid.

TOMATOES. For protection from various insects and diseases. Prices: 10 lb. bag $1.60; 25 lb. bag $4.60; 50 lb. bag $7.50.

PARIS GREEN
For Leaf-feeding Insects. Mix one pound of Paris Green to 50 pounds of lime, or with water to 50 gallons. ½ lb. 35c; lb. 95c; 5 lbs. $3.75, postpaid.

PARA-DICHLOROBENZENE
Effective control for Peach tree borers. 25 lbs. $6.75.

PARA-SCALECIDE
A liquid treatment for peach trees. Safe to use on peach trees of all ages. Simple, effective and inexpensive. Mix 1 part to 7 parts water. ½ pt. to 1½ pts. diluted Para- SCALECIDE per tree depending on size. Qt. can $1.55; gal. $3.60, postpaid. Not prepaid. Qtr. pt. $1.25; gal. $3.00; 5 gals. $9.50.

RAT BAIT-KRO
(KILLS RATS ONLY) Non-poisonous. Mix with 1½ pounds of bait. 85c, postpaid.

RAT BISCUITS
(KILLS RATS ONLY) Ready prepared in small handy biscuit cases. Per Pkt. 45c, postpaid. Not prepaid, pkt. 35c.

RED ARROW SPRAY
A non-poisonous spray killing practically all insects on vegetable and flower plants and fruit trees. Especially effective against Mexican bean beetle. 1 oz. to 5 gals. water. Oz. bottle 40c; 4 oz. bottle $1.10; pint $3.90; qt. $5.25, postpaid. Not prepaid, oz. 35c; 4 oz. $1.00; pint $2.85; qt. $5.00; gal. $18.25.

DU PONT ROSE DUST Prevents and stops moss, algae, black spot, white mold and mildew. Also good for canker, rust, scale, thrips, etc. Can be used with insecticides. Apply as dust or spray. Prices: 8 oz. sitter-top can 95c; 1 lb. $1.25, postpaid. Not prepaid 8 oz. 65c; lb. $1.00.

1% ROTOGENE
Non-poisonous dust for aphids leaf hoppers, cabbage worms, bean beetles and other insects. Contains no lead arsenate or fluorine. 2 lb. bag 74c; 5 lbs. $1.27, postpaid. Not prepaid 2 lbs. 45c; 5 lbs. 90c; 25 lbs. 4.00; 100 lbs. 15.00.

20% SABADILLA
A 20% strength especially prepared Sabadilla dust, which, when dusted on fruit trees provides a quick and positive control for the troublesome Harlequin Scale. Sabadilla also controls squash bugs, chinug bugs, and aphids, leaf-hoppers on potatoes, beans and peanuts, blunted leafhopper and fireworm on cranberries, and cattle lice. 2 lbs. $1.10; 5 lbs. $2.25, postpaid. Not prepaid 2 lbs. 85c; 5 lbs. $1.85.

SCALECIDE
For fruits and ornamentals. Scalecide as a dormant spray is 1 part to 15 parts of water. Not only makes scale control more certain, but also increases the vigor and production of the trees. Scalecide was one of the first insecticides to be used in an insecticide. As a dormant spray, it is essential to the fact that their trees have lost the vigor and production and formerly gave them. Qt. $1.30; gal. $3.10, postpaid. Not prepaid, qt. $2.50; gal. $4.50, prepaid. Not prepaid, qt. $3.25; gal. $7.00.

SLUG SHOT
( FOR LEAF-EATING INSECTS.) Destroys insects, worms and caterpillars on vegetables and house plants, shrubbery, vines, trees, fruits and flowers. 1 oz. 4-lb. pkg. 40c; 5 lb. pkg. $1.35, postpaid. Not prepaid, 1 lb. 36c; 5 lb. pkg. $1.50.

SPRAY CATALYZER
Catalizer is a spreader, sticker and peacemaker composed of sulphur. It is essential in Sulfo- cide arsenate of lead combinations and takes the place of the casein-lime spreaders for all uses except on stone fruit in moist weather. 2 lb. bag $1.15, postpaid. Not prepaid 2 lbs 85c.

SULFOSAN
A water-soluble arsenate of lead with genuine copper sulphanate ingredient. Effective control of aphids, thrips, cutworms, earworms, etc. 50 lbs. $12.50; 100 lbs. 24.50; 500 lbs. 99.90.

SULFOFAZINE
An arsenic and sulphur compound. Effective control of aphids, mites, leafhoppers, leafmine larvae, thrips, etc. 50 lbs. $15.00; 100 lbs. 30.00; 500 lbs. 139.50.
SPREADER STICKER, DUPONT
A combined spreading and sticking agent for use with fungicides, insecticides and weed killing sprays for uniform and thorough coverage and retarding weathering. Dilute 1-800 to 1-600, Pint $1.25, gal. $8.10, prepaid. Not prepaid pt. $1.53, gal. $9.30.

SULFUR
Sulphur is a magical mixture of poison and leads to increase codling moth kill. Do not apply to the blossoms the spray. It’s a most effective weapon against scab.

SULFOCIDE
Sulfocide is the perfect protective measure to give it to the fruit. Price: Qt. $1.54, gal. $3.60, prepaid. Not prepaid, pt. $1.00; qt. $1.45; gal. $3.00; 5 gals. $9.75.

SULPHUR
Powdered. For mildew, 2 lbs. 43c, prepaid. Not prepaid, 10 lbs. 73¢; 50 lbs. $2.50.

TALC
A finely ground dust used as a diluent with Cryolite, Holfo, DDT, Sabadilla. Prices: 8 lb. bag 83c, prepaid. Not prepaid, 100 lb. bag $2.50.

TOBACCO DUST
Used for fumigating and for dusting plants affected with aphids, 1 lb. 23¢; 5 lbs. 75¢, prepaid. Not prepaid, 25 lbs. 1.75; 100 lbs. $5.00.

TREE DRESSING, FRAM’S
Every cut or injury that penetrates as far as the cambium is an open entrance for dampness with decay likely to follow. Protect with Fram’s Tree Dressing. Qt. $1.30; gal. $6.00, postpaid. Not prepaid qt. $1.00; gal. $3.00; 5 gals. $12.50.

TRI-OGEN
The All-Purpose Spray
Definite mildew and black spot control combined with an insecticide.

WOOD PRESERVER
DOW WOOD PRE-SERVER (Penens chlorophenol) is easy to use right at home. Just dip or paint posts or lumber, then dry and they last many, many times longer. Economical 1 part Wood Preserver is mixed with 4 parts Kerosene or Fuel Oil. Write for free booklet. 5 gal. drum $12.75.

WOOD PRESERVER
Squash Bug X2 Sabadilla
Spotted Cucumber Beetle X5 10% DDT Dust or Cryolite
Potato Beetle X3 5% DDT Dust or Cryolite
Harlequin Bug X3 Sabadilla

WATER
Add sufficient water to make total volume indicated below.

BUREAU OF STANDARDS
HOUSEHOLD MEASUREMENTS

HOW TO USE DILUTION TABLE
This Dilution Table indicates the quantities of any given spray material to add to a given quantity of water to give the desired dosage of spray. All liquid or semi-liquid materials are proportioned directly on a liquid basis, i.e., to 100 dilution indicates that one gallon of spray material should be diluted with water to make 100 gallons of diluted spray. For three tablespoonsful to make one gallon of diluted spray.

NOTE: When two or more spray materials are combined in one spray mixture the same water is used to dilute all the materials.
Sprayers - Plant Setters - Dusters

**COMPRESSED-AIR SPRAYERS**

Dobbins No. 3160. For open top barrels, complete with hose, extension pipe, nozzle, etc. Price: $22.25.

**WHEELBARROW SPRAYERS**

MYERS R-336½ B. Wheelbarrow Sprayer complete with 12½ gallon tank, 15 ft. 5 ply ½ inch spray hose, nozzle etc. Ideal for tobacco in the field or in the bed. Price: $47.44.

**HAND SPRAYERS**

No household complete without one. Useful for spraying shrubs, flowers, vegetable garden and household disinfectants, etc. Smith Blizzard Sprayer. Brass. Price: $3.75, postpaid.

Dobbins 702 1 qt. capacity each 70c, postpaid. Dobbins 710 10 oz. capacity each 60c, postpaid.

**FLAME SPRAYERS**

Dobbins 210. For cleaning land, burning brush, removing weeds from drives, ditch-banks and fence rows, Thaws snow and ice, disinfects poultry and small mammals, melts lead, wax and joint sealers, heats water tanks and fills dozens of other useful small chores. Portable 4 gallon welded tank. Fuel consumption about 1 gallon per hour. Develops 4,000 degrees F., 7 ft. discharge hose is oil resistant. Removable burner housing and brass nozzle. Price: $12.50, postpaid.

**BARREL SPRAYERS**

The only logical sprayer for small orchards. Pumps are made for either open or closed top barrels.

**KNAPSACK SPRAYER**

MYERS No. 1330-A

The perfect knapsack sprayer. Five gallon tank, five foot high pressure hose extension with adjustable nozzle. Used by the most serviceable sprayer for all round use. Price: $31.50.

**BUCKET SPRAYERS**

MYERS BUCKET PUMP No. R324

Add 50c for postage.

**TRACTION SPRAYER**

No. 4030 Dobbins All-Purpose Traction Sprayer.

New design, horse drawn sprayer for use on tobacco, cotton, truck and most row crops. Has 25 gallon welded steel tank, chain driven double acting pump that will maintain 100 lbs. pressure. Booms can be placed horizontally for low and medium crops or vertically for high crops. Equipped with six Spraying Systems Co. nozzles. Price: $123.75.

**DUSTERS**

**Spray Hose**

Inside Diameter Working Pressure Foot

1/8 inch 100 pounds $2.39
1/4 inch 500 pounds $4.48
1/2 inch 1,000 pounds $7.99
1 inch 2,000 pounds $11.99

No. 4779 NOZZLE complete for compressed air sprayers. Price: $2.50, postpaid. No. 332 BRASS EXTENSION with 9/16 in. for any style sprayer. Price: 24 inch $1.00, postpaid.

**SEED SOWERS**

CYCLONE SEED SOWER. Adjustable to any size seeds to the sow. Price: $1.25, postpaid.
Duster - Seed Treaters - Bee Supplies

HAND DUSTERS

DUSTMASTER. Long air chamber develops proper pressure, and long discharge tube and under-leaf nozzle deliver dust both above and below plant foliage while user remains in an upright position. Full quart capacity. Price: $1.85, postpaid.

DOBBINS 138. All metal, easy to operate, light hand duster with long discharge tube and adjustable nozzle. Price: $2.35, postpaid.

DOBBINS 121. Similar to 132 except large capacity dust chamber. Price: $4.15, postpaid.

No. 200 DUSTER

An all-purpose duster designed to discharge before or behind the operator and equipped for single or double row application. Light and easy to operate, built to last. Price: $26.90.

SLURRY SEED TREATERS

CALKINS SLURRY TREATERS. These treaters were designed to apply Ceralon "M" and other "slurry" type seed disinfectants. Eliminates disagreeable dust and fumes. Adds no more than 1/2 of 1% moisture to treated seed. Clean, safe and efficient. Write for folder. Price: $86.60, F.O.B. Factory.

MESSINGER ROWCROP AND ORCHARD DUSTERS. Motor, power take-off, traction and hand powered dusters of superior design and construction. Outstanding features developed through more than 90 years of implement engineering and manufacturing. Write for information and prices on models suitable for your farm.

BEE SUPPLIES

Bee supplies are extremely scarce. On small orders of supplies compute postage according to table on page 22. Excess postage will be returned promptly. Shipments 20 pounds or more should be sent Express Collect if you are near an express office. 1/C means 1 to the case; 5/C means 5 to the case, etc.

**EDWARDS & BROUGHTON CO., RALEIGH 1218**
Pratts Poultry Regulator
This famous old egg stimulating trace mineral product is now better than ever...it contains B-G complex vitamins added. It keeps the birds, the keepers of trace minerals and B-G complex vitamins high enough to make up for deficiencies in feedstuffs. Also a valuable tonic after molt or diseased condition.

Use in Feed
Not Prepaid

15 oz. 10¢
24 oz. 35¢
1 lb. 80¢
6 lb. 140¢
10 lb. 1.65

Pratts “Split Action” Worm Capsules
An individual worm treatment for chickens and turkeys. Contains Phenothiazine and a “Shockless” Nicotine. Just feed in mash. One pound treats 220 miniature or 400 half grown birds.

Pratts C-KA-Gene
A highly effective flock treatment that prevents heavy losses from bloody coccidiosis through immunity methods.

100

Pratts In-Tes-Trol
New drinking water medication for chickens and turkeys of all ages. An effective astringent that helps to soothe and heal intestinal irritation as in simple diarrhea not caused by infection. Also a valuable treatment for Nycosis.

1 pt. 95¢
1 qt. 1.65

Pratts Poultry Tablets
New. Formally “Chick tablets.” They’re “floatad.” They keep the drinking water safe all day, not just for a few hours.

1 oz. 80¢
1 oz. 1.25

Pratts Pik-No-Mor
Stops cannibalism, toe feather and vent picking in chicks and adult fowls. Aids in stopping bleeding and in starting the healing process.

1 oz. 40¢
1 oz. 60¢

Pratts Poultry Inhalent
Loosens mucus in nose and throat, giving relief from the “stopped-up” feeling from colds. Special “water soluble” feature enables it to mix with and penetrate nasal secretions. Sprayed while birds roost.

1 pt. 90¢
1 qt. 1.65

Pratts Roost Paint
A “double action” combination of BHC and DDT. Kills lice and mites by both fumes and contact. Easy to apply to roosts and cross arms. No handling of birds...safe and non-tainting.

4 oz. 70¢
1 lb. 1.65
3 lb. 2.35

Pratts Powdered Lice Killer
Contains DDT. An effective and easy to use powder for delousing poultry and livestock.

16 oz. 70¢
2 lb. 1.25

Pratts Zene-A-Trol
Phenothiazine...the new “Miracle” wormer for sheep, hogs, cattle and poultry.

1/4 lb. $1.40
1 lb. $1.75

Pratts Rat Killer
Contains Antu...the new, deadly and safer to use killer of Brown or Norway Rats. Small doses required for easy quick and economical results.

1/4 oz. $0.50
1 oz. $1.00

Pratts Cattle and Barn Spray
Contains selected ingredients to give effective fly and other insect control. Fly free cattle give more milk. Spray both animals and barn...lasts for weeks.

1 pt. $1.50
1/2 pt. 75¢

Pratts Farm Building Spray
A 25 per cent DDT Concentrate for long lasting fly and insect control on poultry and hog houses, barn, milk houses and other farm buildings.

1 qt. 80¢
1 gal. 3.25

Pratts Animal Regulator
A Trace Element and Vitamin D Supplement for daily use in feed. May also be used in larger doses as a tonic.

1 lb. $0.60
2 lb. $0.80
6 lb. $1.60

Pratts Disinfectant
Helps to control worms, lice and all diseases of poultry and livestock. Standardized at 6 times strength of ordinary disinfectants, safe and non-poisonous. An excellent dip for livestock.

1 pt. $0.85
1 qt. 1.20

Pratts Hog Powder
A tonic and mineral supplement formulated especially for swine. Supplies Vitamin D.

3 lb. $1.00
7 lb. $1.90

Pratts Cow Tonic
Helps keep the milk factory fit. This product aids nature in maintaining the vigorous health that means lots of milk and healthy calves. A real aid at calving time.

1 1/2 lb. $0.90
3 1/2 lb. $1.70

Pratts Bag Ointment
For external use in treatment of caked, swollen, or congested udders following calving, high feeding or exposure. Also for cracked teats and skin.

8 oz. $0.80

Pratts Red Mite Special
A “three-barrelled” insecticide containing chloralde, DDT and a thio-cyanate to kill elusive mites, lice, ticks and flies in poultryhouse.
POULTRY SUPPLIES

BROODERS

New type square ends, box-like feeders with anti-waste rolled lip, 4-blade reel adjustable to three positions.

New type square ends, box-like feeders with anti-waste rolled lip, 4-blade reel adjustable to three positions.

New type square ends, box-like feeders with anti-waste rolled lip, 4-blade reel adjustable to three positions.

New type square ends, box-like feeders with anti-waste rolled lip, 4-blade reel adjustable to three positions.

New type square ends, box-like feeders with anti-waste rolled lip, 4-blade reel adjustable to three positions.

New type square ends, box-like feeders with anti-waste rolled lip, 4-blade reel adjustable to three positions.

New type square ends, box-like feeders with anti-waste rolled lip, 4-blade reel adjustable to three positions.

New type square ends, box-like feeders with anti-waste rolled lip, 4-blade reel adjustable to three positions.
A Valuable Drinking Water Antiseptic for all Poultry

Walko tablets prevent the spread of disease by eliminating bacterial contamination in drinking water. For baby chicks, turkeys, ducks and geese: 2 tablets to each quart of drinking water. For older birds 2 to 4 tablets to each quart of drinking water.

This widely used product may also be used as an external antiseptic for cleaning out nostrils, eyes, etc., by dissolving 12 tablets in 1 pint of water. To insure getting the medication well into the nostrils the head should be dipped.

100 tablets.............................................. $0.60
250 tablets................................................. 1.20
1,000 tablets............................................. 2.50
2,000 tablets............................................. 4.00

KALACIDE

To destroy chicken red mites and ticks, or spray Kalacide liberally on all surfaces in the poultry house, brooder house, hog house or barn. It will penetrate readily into cracks and crevices where the mites hide in the daytime and deposit their eggs. Kalacide kills both insects and eggs. Other uses include wood preservation and termite control. Price $2.35 per gallon postpaid. Not prepaid: 5 gallons $9.50.

TOXITE

Kills Red Mites, Bed Bugs, Spray brooder house, kills germs. Helps prevent disease. Spray roost and other breeding places. Kills red mites, bed bugs, blue bugs, fleas and similar pests. Use a common garden sprayer. One treatment usually lasts for months. For Colds. Spray thick mist in poultry house several times a day and above birds at night. 10 ozs. 50¢; 1 qt. 90¢; 1 gal. $2.35, postpaid.

50-ft. and 150-ft. ROLLS 36 in. wide
Planet Jr. Tractors and Equipment

The Planet Jr. trade mark has been known in the Implement field since 1871 and Planet Jr. machines and equipment have been sold by our company since 1881. More than three-quarters of a century of experience in design and manufacture is your recommendation to buy a Planet Jr. Garden Tractor.

Ranking above any tractors in their class are the efficient, sturdy and versatile 1½ h.p. and 2½ h.p. tractors shown at left of this page. These sizes are ideal for small farms, nurseries and home gardens. They have a variety of uses with attachments shown at right of page.

At the left below is shown the 3 h.p. and 5 h.p. tractors, which are designed for the farmer who has given up his horse and plans to use power equipment, or the commercial vegetable grower who wants ample power for plowing, harrowing, seeding, cultivating and mowing.

The illustration shows the many features of advantage to you—adjustable handles shaped for easy handling; sturdy construction, actually the frame is welded instead of bolted together; the motor is set well ahead of the wheels, balancing the weight, making it easier to turn at the ends of rows, and providing maximum traction and power beyond the rated horsepower of the motor.

The patented Planet Jr. Jiffy Hitch provides for quick-change of attachments without the use of tools.

Write for complete tractor catalog and any other information about this line.
PLANT JR. TOOLS

You cannot afford to till the ground without Planet Jr. tools. They not only save hard labor, but enable you to cultivate double the acreage in the same time, and thus add over 100 per cent to your crop yield. Invented by a practical farmer and manufacturer—the result of fifty years' experience. Strong lasting construction. Fully guaranteed.

NO. 4—COMBINED HILL AND DRILL SEEDER AND SINGLE WHEEL HOE

The small grower should select one of the combined machines. The drill attachment will not be used as often as the hoeing and cultivating tools, but will be a source of much saving. This machine is a special favorite. There are probably more of them in use in the world than any other seeder made. As a Hill and Drill Seeder it opens the furrow, deposits the seed, covers it, rolls it, either in drills or hills. Holds 2 1/2 quarts. Price: $19.95.

NO. 4-D. Seeder only, no cultivating attachments. Price: $25.95.

NO. 12—DOUBLE AND SINGLE WHEEL HOE COMBINED

The arch is high enough to straddle a row until plants are 20 inches high; this insures close work. It can be altered into an admirable single wheel hoe for working between rows. Price: $19.95.

Send for Complete Planet Jr. Catalog

NO. 16—SINGLE WHEEL HOE

Designed to do all work required in the small garden; plowing, cultivating, hoeing and raking. It is very light, and can therefore be easily carried about. Price: $14.95.

NO. 19-R—SINGLE WHEEL HOE

A medium priced wheel hoe with all the attachments necessary for cultivating a small garden. Price: $9.50.

NO. 220—PLANET JR. FERTILIZER DRILL

The No. 220 will distribute fertilizer in the middle of three rows 12 to 14 inches apart; it will side-dress one side of two rows up to 36 inches apart (one complete row, and corn in wider rows). You can use it in very narrow rows—as close as 9 inches. You can use it in 42 to 48 inch rows by closing off the flow in three spouts and distributing through the other three—either on the right or left hand side.

The No. 220 spreads fertilizer from 4 to 30 inches on the ground. The hopper capacity is one bushel and the weight of the load is placed over the wheel, making it easy to push. The No. 220 will distribute 100 to 2,000 pounds of commercial fertilizer to the acre. Quantity per acre is regulated by a notched index on the right hand handle. The shut-off rod is operated from the same point.

Price: $45.95

NO. 9—PLANET JR. HORSE HOE AND CULTIVATOR

These Planet Jr. Horse Hoes and Cultivators are stronger, better made and finished than any other one-horse cultivators, and enable you to increase your yield, because they do a greater variety of work in corn, potatoes, cotton, beans, tobacco and other crops requiring similar cultivation, and do it more thoroughly. Cultivate deep or shallow, in different width rows, and the extra long frames make them steady running. All Planet Jr. cultivator steels are made of beveled steel thickest down the center, making them self-sharpening, and the points retain their shape and strength. No. 9 has lever expander, allowing quick adjustment for different width rows. Used with or without a wheel.

NO. 9-D Without wheel. Price: $32.95.

NO. 4-D—PLANET JR. PLAIN CULTIVATOR

This tool is strong and simple. It has patent handle braces, very firm, simple and convenient. With them the frame and handles seem almost like one solid piece. Changes in width are quickly made by loosening one nut on each side, and one side may be opened wide while the other is closed. An everyday all-day tool.

Price: $14.50

NO. 100-D—PLANET JR. PLAIN CULTIVATOR

We offer this Cultivator with the object of filling a definite need where lands are light or where farming is done on a modest scale. It weighs but 42 pounds. It will stand hard usage and do excellent work. A steady running tool and easy to handle and adjust.

Price: $14.50

NO. 90—PLANET JR. TWELVE-TOOTH HARROW, CULTIVATOR AND PULVERIZER

This tool is a special favorite with strawberry, tobacco and sugar beet growers, market gardeners and farmers, because of its twelve chisel-shaped teeth. The teeth and pulverizer leave the ground in fine condition. Cultivates any width from 12 to 32 inches.

Price, complete with steel wheel, $29.95.
Weight, packed, 74 lbs.

Some items on this page are not available at this time.
Wyatt’s Summer and Fall Flowering Bulbs

DAHLIAS

Dahlias are quoted at postpaid prices. Please name substitutes, otherwise we shall use our judgement in case of shortages.

Abbreviations:
IC—Incurved Cactus; SC—Semi-cactus; St.C. — Straight Cactus; ID—Informal Decorative; FD—Formal Decorative. Miniatures or varieties of the above; Pompon—Ball-shaped flowers measuring less than two inches. (9-6-5)—Flower 9 inches across, 6 inches deep, bush 5 feet tall (Approximately.)

Decorative and Cactus

RHYTHM—IC—(9-6-5).—Rhodamine pink with apricot at center. Serrated tips make this an unusually attractive flower. Winner of two medals. Good root maker. $1.50 each.

ALL AMERICAN—SC—(10-6-1½).—A finely formed dahlia of spinach red with Spanish orange undertone. Satisfactory and easy to grow. $1.00 each.

MISS ELISIE JANE—SC—(6-4-1).—Artistic and unusual. Shrimp pink with cream shadings at center tipped violet rose. Highly recommended. 50c each.

ZUWIN—8½C—(6-3-3).—A bright crimson carmine of pleasing form on wiry stems. A Japanese introduction. 50c each.

CHEROKEE BRAVE—ID—(11-6-1½).—Rich oxblood red and Tyrian purple. Consistenly large. Holds well in the sun. Growth vigorous. $1.00 each.

DAHLIUM—ID—(10-7-5).—Few dahlias are more beautiful than this one. Long twisted petals of yellow, buff, amber suffused old gold. 75c each.

KEMP’S RADIANT BEAUTY—ID—(10-6-5).—A pretty and useful dahlia of lemon yellow splashed scarlet. Strong and erect. Healthy foliage. $1.00 each.

WATCHING GIANT—ID—(11-6-6).—Free flowering deep amber yellow suffused orange crimson. Grows as freely as a weed. 50c each.

BLUE RIVER—FD—(9-3-4).—Soft phlox purple or blush mauve. Fine bush. A prize winner of distinctive color. 75c each.

D-DAY—FD—(7-4-½).—One tone bright rose or rhodamine pink. A prolific variety with cane-like stems. Much admired. Fine for florists use. 75c each.

JERSEY BEAUTY—FD—(6½-4-½).—Perhaps the most widely grown of all pink dahlias. Perfect form, long stems, excellent keeper. 50c each.

VICTORY—FD—(10-6-4½).—Carmine rose with yellow shadings at base of petals. A really beautiful dahlia. 75c each.

SALEM SUNSHINE—ID—(12-8-4).—A fine large light primrose yellow. Early, profuse and of vigorous growth. Flowers are held side to upward. A good root maker. Easy to grow. $1.00 each.

MME. CHIANG KAI SHEK—ID—(9-5-5½).—Lemon yellow with a soft peach and mauve suffusion on the reverse and tips of the petals. Very unusual wavy petals. Bush strong and robust, with long erect stems. $1.00 each.

WHITE WINNER—ID—(8-4-½).—A white with more than usual petal substance. Early and profuse. Does not burn. Long erect stems make this a good cutflower. 75c each.

WANDA MEADE—FD—(6-4-4).—A very attractive and striking bi-color, scarlet red evenly tipped white. A good keeper and nice for cutting. $1.00 each.

JANE COWL—ID—(10-6-5½).—One of the most universally grown of all dahlias. Warm buff and old gold, blending to apricot and rose at the center. Fine for cutting and exhibition. 50c each.

Miniature Dahlias

SNOWSPRITE—MFC—(3½-2½).—Beautiful glintening white. Uniform blooms of fine form. Flowers freely above the robust bushes. 50c each.

FUZZY-WUZZY—MFD—(3-2-2½).—Pretty apricot pink suffused begonia rose. The petals are lacinated. 6½ ft stems. Excellent keeper. 75c each.

LITTLE SUSAN—MFD—(2½-2-2).—6 ft Tyrian rose with lighter shadings. 50c each.

NELLIE SHEE—MFD—(2½-2-2).—A clear light lavender having good qualities. 50c each.

SYLVIA—MFD—(2½-1½-4).—Rich deep carmine. 50c each.

Pompon Dahlias

EDITH MUELLER—A bright soft apricot suffused peach red. 35c each.

MORNING MIST—White tipped rose lavender and lavender at center. 35c each.

YELLOW GEM—Clear canary yellow of fine form. 35c each.

BEtty ANNE—Soft rose inclined to violet rose. Small and uniform. 35c each.

HONEY—Primrose yellow with petals edged red. 50c each.

RHYTHM’S PURITY—A very fine white. 35c each.

DAHLIA COLLECTION

One each of Six distinct beautiful large flowering dahlia varieties selected for best effect. Packaged in an illustrated box with planting directions.

$1.89

AMARYLLIS

(Hepeastrum)

Huge flowers of lily-like appearance best suited to pot culture. Large flowering hybrids in mixed colors only. 75c, 3 for $2.00.

BEGONIAS

(Tuberous Rooted)

Dazzlingly brilliant flowers with attractive foliage. Especially adapted to growing in pots, as they do not require the special care other plants are. A mixture containing a large amount of leaf mold is preferable. The tubers may be started in pots indoors, watered sparingly until growth is well started, then transferred to the garden. Earlier flowering will result following this procedure. After frost the tubers may be lifted and stored under conditions suitable to gladiolus, illustrated inside back cover.

Dove—Camellia Flowered—

Copper

Pink

Yellow

Scarlet

30c each; Three 75c; Six $1.25.

CALADIUMS

(ELEPHANT’S EARS—C. ESCELUM)

Huge heart-shaped leaves of tropical appearance, reaching three feet or more in length under good culture. Plant in rich soil and give plenty of water for best development. Extra Large Size—40c each; Three $1.16; Six $3.60.

FANCY LEAF

(Illustrated Inside back cover)

Very colorful and ornamental foliage plants. Adapted to pot culture, boxes, and garden use. Plant about twelve inches apart and two inches deep in a mixture of leaf mold, well rotted manure, and loam if available. If not, they will thrive in heavier soils. Plantings may be made in sunny locations or in shade. Water sparingly until growth starts then abundantly. A warm temperature is required and high humidity is beneficial. Mix of the foliage. Mixed. 30c each; 3 for 75c; 12 for $2.40.

CANNAS

(Foliation and flowering plants of tropical appearance producing great masses of foliage and flowers throughout summer and fall. Well adapted for use as foundation plantings, screens and bedding. Plant after frost about two feet apart and cover shallow. A sunny location is best. Cannas are gross feeders and will readily respond to any additional attention.

KING HUMBERT—4 ft. Foliage purple madder-brown over bronze. The flowers are orchid-like, velvety orange-scarlet, rose-tinted and margined at the base.

RICHARD WALLACE—Green foliage. Fleece flowering canary yellow.

WINTZER’S COLOSSAL—5 ft. Green foliage. Extremely large vivid scarlet.

EUREKA—4 ft. Green foliage. Considered the best white.

All Cannas: Three 35c; Six 60c; Dozen $1.05; $2.15; 100 $6.30.

TUBEROSES

(Albus)

An old favorite producing waxy-white flowers having intense fragrance. Plant about six inches apart and two to three inches deep due to danger of frost. Storage similar to that of gladiolus and dahlias is sufficient. (Illustrated inside back cover).

Dwarf Excelsior Pearl—pure white, very double.

40c; Six 75c; Dozen $1.35; 50 $2.25; 100 $8.90.
Wyatt's Gladiolus — Fine New and Standard Varieties

After danger of frost, plant in enriched garden soil about 6 inches apart and 3 or 4 inches deep, cultivate sufficiently to keep soil loosened and to prevent growth of weeds and grass. Once established, during the growing season will greatly increase size of corms and flowers. Plantings should be made at two-week intervals until mid-July for continuous succession of flowers.

Corms offered are number 1—the ideal size for best flowers. Postage prepaid as quoted.

Outstanding New Varieties

BURMA—Heavily ruffled wide open giant of deep reddish rose. As many as eight florets of heavy substance open at a time on straight spikes. Three 40c; Six 70c; Dozen $1.25; 25 $2.16; 100 $7.50.

GENERAL EISENHOWER — Brilliant begonia rose. Extremely large blooms on tall spikes. A large number open at a time. Three 45c; Six 80c; Dozen $1.40; 25 $2.50; 100 $8.25.

MISS WISCONSIN—Large. A beautiful rose pink. Opens up to eight blooms on a spike of medium height. A variety that enjoys the distinction of being in a color class by itself. Three 40c; Six 75c; Dozen $1.40; 25 $2.50; 100 $8.25.

PAUL RUBENS—Enormous deep reddish violet. Seven or more blooms of heavy substance are produced on tall strong spikes. The best of this color. Three 40c; Six 65c; Dozen $1.15; 25 $1.90; 100 $6.75.

SPOTLIGHT—Large clear medium deep yellow with a small scarlet blotch on the throat. Opens up to seven florets on a tall slender stem. Considered by far the best yellow. Three 40c; Six 65c; Dozen $1.15; 25 $1.90; 100 $6.75.

SILVER GULL — Silver - bluish - gray with a creamy blotch. Very distinct. Flowers are large and wide open, well placed and spaced on tall stems. Three 45c; Six 80c; Dozen $1.45; 25 $2.30; 100 $8.25.

Collection No. NV-5
5 each above 6 varieties (Value $3.50) for $3.15.

Collection No. NV-10
10 each above 6 varieties (Value $6.25) for $5.60.

BEACON—Tall salmon-scarlet with a creamy throat. About eight florets open at a time. Three 25c; Six 40c; Dozen 70c; 25 $1.15; 100 $4.05.

BLUE ORCHID—Beautiful orchid-blue having a darker blotch. Six to eight large blooms on a tall straight spike. Three 35c; Six 65c; Dozen $1.15; 25 $1.90; 100 $6.75.

CORONA—As to color this is a rather unusual variety, crimson with white flecked or pieded rosy-lavender at the edges. Cream throat. A beautiful and outstanding variety. Three 30c; Six 55c; Dozen $1.00; 25 $1.70; 100 $6.00.

DREAM O'BEAUTY — American Beauty rose shade. Placement of florets is rather unusual being irregular and somewhat opposite. Three 30c; Six 50c; Dozen 85c; 25 $1.15; 100 $4.95.

ELISABETH THE QUEEN — A beautiful ruffled flower of soft rose-lavender having darker lines in the throat. Seven to eight florets open at a time on a medium stem. Three 30c; Six 55c; Dozen $1.00; 25 $1.70; 100 $6.00.

ETHEL CAVE COLE—A choice pure light pink occasionally flecked. As many as ten blooms at a time. Strong and vigorous growth. Three 30c; Six 50c; Dozen 85c; 25 $1.35; 100 $4.55.

HAWKEYE RED—A large red sport of Vagabond Prince. Bright red with a small darker red blotch on the lip petal. Eight to ten florets open at one time. Three 35c; Six 50c; Dozen 90c; 25 $1.50; 100 $5.25.

KING LEAR—Clear deep purple, each petal edged with a line of silver. The petals are ruffled and waved. Large and beautiful. Early. Three 35c; Six 50c; Dozen 90c; 25 $1.50; 100 $5.25.

LEADING LADY—A sport of the famous Picardy being creamy white with a canary yellow throat. This variety possesses the same startling characteristics so well known in Picardy. Three 35c; Six 60c; Dozen $1.10; 25 $1.30; 100 $4.45.

LANTANA—Medium large early. Orange shading through orange-salmon with a golden throat. Vivid, distinct and beautiful. Medium height. Three 30c; Six 55c; Dozen $1.00; 25 $1.70; 100 $6.00.

MARGARET BEATON—Decidedly outstanding large pure white having a conspicuous scarlet throat. One of the best of the newer introductions. Are fine for floral designs. Three 25c; Six 40c; Dozen 75c; 25 $1.25; 100 $4.50.

MARKET QUEEN—Giant. Tall straight rich-toned buff with scarlet blotch. An excellent cut-flower variety. About sixty inches tall, 10-20 buds with six to eight florets open at a time. Three 40c; Six 55c; Dozen $1.00; 25 $1.70; 100 $6.00.

NEW EUROPE—Large vivid sparkling orange-scarlet. The color and size of the florets make this an outstanding variety. Three 35c; Six 50c; Dozen 90c; 25 $1.50; 100 $5.25.

OREGON GOLD—Large ruffled florets of light yellow having a deeper throat, many open at a time. Among the finest of this color group. Three 35c; Six 60c; Dozen $1.00; 25 $1.70; 100 $6.00.

PICARDY—One of the most sensational and universally admired of all "Glads." Flowers of heavy substance measuring up to six inches, are produced on tall vigorous spikes. Color: Shrimp pink with flesh pink throat. Three 35c; Six 50c; Dozen 90c; 25 $1.50; 100 $5.25.

Purple Supreme—Large flowered tall bright purple. A fine exhibition variety. Three 35c; Six 50c; Dozen $1.00; 25 $1.70; 100 $6.00.

REI FALL—Giant. Deep blood red. Eight or more immense massive blooms open on a tall straight spike, with nearly all remaining buds showing color. Three 35c; Six 55c; Dozen $1.00; 25 $1.70; 100 $6.00.

SNOW PRINCESS—One of the very best white varieties having many well placed blooms of good form on stems which do not crook. Three 25c; Six 40c; Dozen 70c; 25 $1.15; 100 $4.05.

SILVER WINGS—Giant. A white sport of Picardy. This variety has all the qualities of a Picardy in a pure white flower. Three 35c; Six 50c; Dozen 90c; 25 $1.50; 100 $5.25.

STOPLIGHT—Fine textured medium clear red. Opens wide and flat, lightly ruffled. Spikes measure up to four feet. Three 35c; Six 50c; Dozen 90c; 25 $1.50; 100 $5.25.

VALERA—Large bright red of a distinctive shade. Opens five to seven nicely ruffled blooms at a time. One of the best cutflower varieties in the market. Three 35c; Six 55c; Dozen $1.00; 25 $1.70; 100 $6.00.

VAGABOND PRINCE—Garnet-brown or mahogany brown, lighter in the upper throat

EXHIBITION MIXED A carefully blended mixture of choice colors in large-flowered varieties. Prices: three 25c; six 40c; dozen 70c; 25 for $1.15; 100 for $4.05.
